Pathways Star Trek Voyager :

Pathways Jeri Taylor, 2009-09-29 In her acclaimed novel *Mosaic* Jeri Taylor explored the previously unrevealed past of Captain Kathryn Janeway. Now *Pathways* traces the winding roads that have led Janeway's fellow officers and closest friends to what may be the greatest crisis of their long journey home. A deadly encounter with hostile aliens has left Captain Janeway's crew separated from the Starship Voyager and slowly starving to death in a disease-ridden alien prison camp. To keep up their determinations as they plot their escape, the crew shares with each other the unlikely paths that brought them all to the USS Voyager and the Delta Quadrant. They began as individuals following very different pathways but together under the leadership of one remarkable woman they have become one of the finest teams in the known universe: the crew of the USS Voyager.

Pathways Jeri Taylor, 2012-10-23 A deadly encounter with hostile aliens has left Captain Janeway's crew in a disease-ridden prison camp. To keep up morale as they plot their escape, they share with each other the unlikely paths that brought them to Voyager and to the Delta Quadrant. One by one they reveal their inner selves: a fair-haired youth who seemed destined either for greatness or disgrace; a half-human, half-Klingon woman to whom no part of the galaxy was home; a traveller and treasure hunter who found the greatest treasure of all; a naive young man who lost his love in pursuit of his dreams; a Vulcan who formed a surprising bond with a human woman of courage and passion; a child woman whose limitless curiosity led to a strange new world of marvels and dangers; and the man who is perhaps closest of all to Captain Janeway herself: the man whose unspoken dedication may hold the key to her survival.

Pathways Jeri Taylor, 2000-10-01 Reveals the previously untold histories of the crew members and officers of the USS Voyager. *Strange Novel Worlds*

Caroline-Isabelle Caron, Kristin Noone, 2024-06-18 Since the publication of the first James Blish novelizations of Star Trek episodes in 1967, close to 900 tie-in novels, anthologies, and omnibus editions have been published. Star Trek tie-in novels have had a significant influence on Western popular culture. The works of beloved science fiction authors have shaped the way fans understand Star Trek and its universe, and many stand as near-equal builders of the Star Trek franchise next to Gene Roddenberry, his producers, and the many creators of the later series. With such a vast and varied body of work, tie-in books form a rich and deep cultural phenomenon, the history and content of which are worthy of concerted study. Despite the enduring popularity of the franchise, they are based on no previous essay collection that has ever focused on the numerous and widely diverse books of Star Trek tie-in novels. This collection does just that by examining the tie-in works as relevant literature. The essays primarily focus on tie-in books published from 1990 to 2022, and each author discusses the plot and context of separate novels while simultaneously exploring major themes such as canon vs. fanfiction and the merits of the genre. The collection ends with an exploration of the continuity of this period of Star Trek as it stands following a narrative conclusion announced in 2021.

The Final Reflection John M. Ford, 1999 Klingon Capt Krenn is a ruthless war strategist. But on a mission to Earth, Krenn learns a lesson in peace when his empire hatches a covert plan to shatter the Federation.

Only Krenn can prevent a war at the risk of his own life *Star Trek: The Next Generation: Stargazer: Three* Michael Jan Friedman, 2003-08-01 A rift in the Mirror Universe threatens the crew of the Stargazer in this Star Trek The Next Generation novel Identical twins Gerda and Idun Asmund lost their human parents early in life and were raised as warriors on the Klingon homeworld They were taught to face every danger shoulder to shoulder regarding each other as the only certainty in a dangerous and uncertain universe The Asmunds continued to depend on each other as helm officer and navigator on the Starship Stargazer peril and adversity forging a bond between them as strong as tritanium But that bond is tested when a transporter mishap deposits a mysterious visitor on the Stargazer a beautiful woman from another universe who resembles Gerda and Idun as closely as they resemble each other As Captain Jean Luc Picard pits the Stargazer against a savage alien species in a gallant attempt to send their visitor home Gerda comes to suspect the woman of treachery But she has to wonder is she following her Klingon instincts or succumbing to simple jealousy Gerda needs to find out before Picard and his crew pay for their generosity with their lives *Imzadi II* Peter David, 1999 Counselor Deanna Troi a Betazoid empath and Lt Commander Worf a Klingon warrior try to make their romance work despite their radically different backgrounds
