Tapestry of Cultural Issues in Art Therapy Anna R. Hiscox, Abby C. Calisch, 1998-01-01 Professionals engaged in art therapy discuss aspects of practice which are affected by an environment of increasing cultural diversity Some contributions examine problems faced by members of ethnic minorities who are caught between assertion of their cultural identities and assimilation into a different social milieu *Resolving Patient Complaints* Liz Osborne, 1995 A comprehensive volume for establishing a patient service recovery program to handle both everyday serious complaints this guide offers a system that adapts many successful customer service techniques from other service industries to a health care setting American Horror Story and Philosophy Richard Greene, Rachel Robison-Greene, 2017-12-12 In American Horror Story and Philosophy philosophers with varying backgrounds and interests explore different aspects of this popular erotic thriller TV show with its enthusiastic cult following and strong critical approval The result is a collection of intriguing and provocative thoughts on deeper questions prompted by the creepy side of the human imagination As an anthology show American Horror Story has a unique structure in the horror genre because it explores distinct subgenres of horror in each season As a result each season raises its own set of philosophical issues The show's first season Murder House is a traditional haunted house story Philosophical topics expounded here include the moral issues pertaining to featuring a mass murderer as one of the season's main protagonists the problem of other minds when I see an old hag how can I know that you don't see a sexy maid And whether it is rationally justified to fear the Piggy Man Season Two Asylum takes place inside a mid twentieth century mental hospital Among other classic horror subgenres this season includes story lines featuring demonic possession and space aliens Chapters inspired by this season include such topics as the ethics of investigative reporting and whistleblowing personal identity and demonic possession philosophical problems arising from eugenics and the ethics and efficacy of torture Season Three Coven focuses on witchcraft in the contemporary world Chapters motivated by this season include sisterhood and feminism as starkly demonstrated in a coven the metaphysics of traditional voodoo zombies in contrast to the currently fashionable infected zombies the uses of violent revenge and the metaphysics of reanimation Season Four Freak Show takes place in a circus Philosophical writers look at life under the Big Top as an example of life imitating art several puzzles about personal identity and identity politics crystallized in the two headed girl the bearded lady and the lobster boy the ethical question of honor and virtue among thieves as well as several topics in social and political philosophy Season Five Hotel is among other disturbing material about vampires Chapters inspired by this season include the ethics of creating vampire progeny LGBT related philosophical issues and existentialism as it applies to serial killers Season Six Roanoke often considered the most creative of the seasons so far partly because of its employment of the style of documentaries with dramatic re enactments and its mimicry of The Blair Witch Project and Paranormal Activity Among the philosophical themes explored here are what happens to moral obligations under the Blood Moon the proper role of truth in storytelling and the

defensibility of cultural imperialism Thinking About Patients David Misselbrook, 2024-03-08 If medicine is so great why are people getting sick Why don't people turn up for follow up checks or take their pills properly And why do patients sometimes seem to come from another planet Medicine doesn't happen in a vacuum It happens between doctors and patients who seem to inhabit very different worlds It's not enough to think about medicine We need to think more about patients Originally published in 2001 and reissued here with a new preface Thinking About Patients promotes a multidimensional model of medicine It offers a practical guide to the psychological and social processes involved in practicing medicine and in being a patient It will help us to return to what medicine is all about using our skills to serve patients Legal and Ethical Issues for Health Professionals George D. Pozgar, 2005 Legal and Ethical Issues for Health Professionals is a guide to aid in the resolution of ethical dilemmas with legal implications This comprehensive reference provides both the student and practicing health care professional with an overview of the ethical and legal issues that face health care providers today The reader will better understand ethical dilemmas and learn how to evaluate and distinguish between the rightness and wrongness of alternative courses of action when faced with complicated problems to solve BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Modern Ego Psychology and Human Sexual Experience Eric R. Marcus, 2022-10-21 This text examines human sexuality through psychoanalytic theory and modern ego psychology which looks at emotional meaning and its organization in symbolic representations of affect as organized by the ego It starts with an exploration of how symbolic representations are applied to the sensory experience of the body in human sexuality both in reality and in fantasy Next the author delves into the phenomenon of romance as an important self state in human growth and development The book concludes with an examination of fetishes and fetish enactments followed by a discussion of relevant treatments With its original and fulsome insights into the workings of human sexuality this book will prove vital for psychoanalysts and psychotherapists in training and in practice as well as all those seeking to understand human sexual experiences in greater depth The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Challenges Wilfred Zinavage, 2022-08-01 Challenges represent a rare very rare insight as to what went on in a mental institution It is intended to challenge you the reader to come and see for yourself the results of an institution shutdown over twenty years ago by the federal government It also points out areas of interest to tourists to see for themselves the destruction of the city center and how it is trying to recover It is meant for the policy decision makers and politicians and those who make the laws to see the results of what happened afterward It also represents how we once again have to learn from the Indians

The Patient's Voice Jeanine Young-Mason,2015-12-15 See the world through a patient s eyes from other side of illness Pause to see the world beyond the scientific and clinical Each chapter in the book provides a brief memoir recounting an experience of illness written either by the patient a member of the patient s family or an advocate for the patient within the medical legal or judicial system As you share their experiences you ll gain a deeper understanding of the importance of holistic patient centered care Reviews of the 1st Edition powerful stories shed light on care giving spiritual growth altered self concept and other aspects of chronic illness ALS Newsletter on the Web speak about the most important things clearly strongly as possible to do anything else is precious waste of time UMass Magazine these accounts are deep reflections about living with afflictions relationships and interactions with the healthcare system Nursing Spectrum The

Patient's Voice: Experiences of Illness is an outstanding collection of autobiographical essays. The 16 narratives solicited specifically for this book are skilfully written by both children and adults. The narratives themselves are intensely personal and powerful accounts of self-understanding and human triumph over acute physical and psychiatric illness and chronic disability. As the author notes in her preface, the contributors to *The Patient's Voice* are known for their writing ability and the quality of their perceptions. *ix* This is a modest description, however, for the contributors are talented writers indeed. Cathy Lysack, Wayne State University, Detroit, MI.

Discover the treasures that are hidden in this book. Nuggets of health are revealed everywhere you look. Knowledge gives you the power that helps you conquer the Fear of the Unknown and wisdom is the key that allows you to live and be free and not being bound by what you assume things maybe or what they ought to be. When I began this journey I felt all alone, no one understood what I was going through because I did not understand what I was going through either. I felt my life was gone so I experienced GRIEF. I went through a period of ANGER. Why did this happen to me? I experience ANXIETY ATTACKS because I felt overwhelmed from all that I was going through and I had no control over it. Sometimes I was HAPPY and suddenly I felt SAD due to MOOD SWINGS. I did not know if I was going to live or what the quality of my future would be so I became DEPRESSED. I have an illness and my lifestyle has changed drastically. I was in DENIAL. During Dialysis Treatments my blood pressure would drop drastically low causing my body to CRASH and I became FEARFUL of the UNKNOWN and there was no one that could explain to me with EMPATHY what I was going through. The Doctors, Care Givers and Family members can SYMPATHIZE with your pain or anguish but they have no first-hand knowledge of what you are actually experiencing. So come on and take this journey with me and learn golden secrets of coping with the unknown as it unfolds, techniques to strengthening each other and becoming victorious in any situations. It's just like Lotto; you have to be in it to win it.
