Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics:

Patronal Politics Henry E. Hale, 2014-10-31 This book proposes a new way of understanding events throughout the world that are usually interpreted as democratization rising authoritarianism or revolution Where the rule of law is weak and corruption pervasive what may appear to be democratic or authoritarian breakthroughs are often just regular predictable phases in longer term cyclic dynamics patronal politics This is shown through in depth narratives of the post 1991 political history of all post Soviet polities that are not in the European Union This book also includes chapters on czarist and Soviet history and on global patterns

Patronal Politics Henry E. Hale, 2015 This book proposes a new way of understanding events throughout the world that are usually interpreted as democratization rising authoritarianism or revolution Where the rule of law is weak and corruption pervasive what may appear to be democratic or authoritarian breakthroughs are often just regular predictable phases in longer term cyclic dynamics patronal politics This is shown through in depth narratives of the post 1991 political history of all post Soviet polities that are not in the European Union This book also includes chapters on czarist and Soviet history and on global patterns

Turmoil and Order in Regional International Politics William R. Thompson, Thomas J. Volgy, 2023-04-10 This edited book complements and follows up on the book Thompson and Volgy et al Regions Power and Conflict Constrained Capabilities Hierarchy and Rivalry It is predicated in part on the paucity of published material available on comparing regional international politics Monadic dyadic and systemic approaches all have their uses and have been exploited extensively The same cannot be said about comparative regional analysis The premise is that a great deal of international politics takes place within regional parameters Most states simply lack the capability or interest in devoting many resources to extra regional affairs Yet each region is distinctive In some military coups remain common while they have died out as a form of political practice in others A few have been highly conflictual and then become more pacific while others persist in their conflict intensity Some have powerful neighbors with intervention tendencies while others are surrounded by relatively weak states Some are rich others are poor The point is that regions all with proper names have attributes that can be harnessed through comparison to explain why regional behavior differs greatly across the planet The aim is to replace the proper names with the leading variables that appear to drive behavior For instance to shrug and say that s the Middle East for you does not take us very far Replacing the Middle East label with conceptualization about how a set of small weak autocratic states behave subject to high penetration by major powers might take us farther than shrugging off regional identity We have good reasons to think that comparative regional analysis can deliver an explanatory value added product just as much as alternative levels of analysis can Ultimately we might desire to integrate separate levels of analysis rather than segregating them But in the short term we need to encourage comparative regional analysis because it is the least developed perspective Why that might be the case can be debated but it stems in part from our disciplinary tendencies for some analysts to specialize in regional behavior largely in a descriptive vein while others prefer to focus on

explaining universal behavior Comparative regional behavior tends to be squeezed out by regional scholars who suspect generalization about behavior and universal scholars who suspect particular contexts such as regions Comparative regional analysis requires analysts who are willing to explore generalization but acknowledge regional contexts more explicitly than is customary At the same time more general substitutes for those regional labels must be introduced if explanatory headway is to be achieved

The Politics of the Pandemic in Eastern Europe and Eurasia Margarita Zavadskaya,2023-09-12 This book provides a comprehensive overview of the political impact of the COVID 19 emergency in central and eastern Europe and Eurasia Offering a theoretical framework linking the authoritarian post Soviet institutional legacy with patterns of political behavior support and governments policies the expert contributors argue that domestic political regimes mediate and shape citizens perceptions of public health crises and the very regimes political survival The authors explore how the pandemic affected regime change government stability business groups and civil societies in more than 15 countries of the region from the discovery of the virus to the vaccination rollout The studies rely on a broad range of empirical evidence from the region survey state statistics ethnography and interviews Formulating explaining and empirically testing the causal mechanisms that drive political accountability and support through a cross country comparison and in depth case studies of popular and electoral support attempting to highlight any patterns specific to the region this book contributes to studies of governance and political accountability in low trust countries with authoritarian legacies and proclivities Drawing on an interdisciplinary approach that brings together area studies history sociology and political science it will also be of value to those interested in systematic effect of political regimes on handling public health crises

Corruption Control in Authoritarian Regimes Christopher Carothers,2022-04-07 Reveals how meaningful corruption control by authoritarian regimes is surprisingly common and follows a different playbook than democratic anti corruption reform

Revolution and War in Contemporary Ukraine Olga Bertelsen,2017-03-28 What are the reasons behind and trajectories of the rapid cultural changes in Ukraine since 2013 This volume highlights the role of the Revolution of Dignity and the Russian Ukrainian war in the formation of Ukrainian civil society the forms of warfare waged by Moscow against Kyiv including information and religious wars Ukrainian and Russian identities and cultural realignment sources of destabilization in Ukraine and beyond memory politics and Russian foreign policies the Kremlin s geopolitical goals in its near abroad and factors determining Ukraine s future and survival in a state of war The studies included in this collection illuminate the growing gap between the political and social systems of Ukraine and Russia The anthology illustrates how the Ukrainian revolution of 2013 2014 Russia s annexation of the Crimean peninsula and its invasion of eastern Ukraine have altered the post Cold War political landscape and with it regional and global power and security dynamics

Crisis and Change in Post-Cold War Global Politics Erica Resende,Dovilė Budrytė,Didem Buhari-Gulmez,2018-05-02 This volume analyzes crises in International Relations IR in an innovative way Rather than conceptualizing a crisis as something unexpected that has to be managed the

contributors argue that a crisis needs to be analyzed within a wider context of change when new discourses are formed communities are re built and new identities emerge Focusing on Ukraine the book explore various questions related to crisis and change including How are crises culturally and socially constructed How do issues of agency and structure come into play in Ukraine Which subjectivities were brought into existence by Ukraine crisis discourses Chapters explore the participation of women in Euromaidan identity shifts in the Crimean Tatar community and diaspora politics discourses related to corruption anti Soviet partisan warfare and the annexation of Crimea as well as long distance impacts of the crisis

The Ideology of Creole Revolution Joshua Simon,2017-06-06 The American and Latin American independence movements emerged from distinctive settings and produced divergent results but they were animated by similar ideas Patriotic political theorists throughout the Americas offered analogous critiques of imperial rule designed comparable constitutions and expressed common ambitions for their new nations future relations with one another and the rest of the world This book adopts a hemispheric perspective on the revolutions that liberated the United States and Spanish America offering a new interpretation of their most important political ideas Simon argues that the many points of agreement among various revolutionary political theorists across the Americas can be attributed to the problems they encountered in common as Creoles that is as the descendants of European settlers born in the Americas He illustrates this by comparing the political thought of three Creole revolutionaries Alexander Hamilton of the United States Sim n Bol var of Venezuela and Lucas Alam n of Mexico

Putin's Labor Dilemma Stephen Crowley,2021-07-15 In Putin s Labor Dilemma Stephen Crowley investigates how the fear of labor protest has inhibited substantial economic transformation in Russia Putin boasts he has the backing of workers in the country s industrial heartland but as economic growth slows in Russia reviving the economy will require restructuring the country s industrial landscape At the same time doing so threatens to generate protest and instability from a key regime constituency However continuing to prop up Russia s Soviet era workplaces writes Crowley could lead to declining wages and economic stagnation threatening protest and instability Crowley explores the dynamics of a Russian labor market that generally avoids mass unemployment the potentially explosive role of Russia s monotowns conflicts generated by massive downsizing in Russia s Detroit Tol yatti and the rapid politicization of the truck drivers movement Labor protests currently show little sign of threatening Putin s hold on power but the manner in which they are being conducted point to substantial chronic problems that will be difficult to resolve Putin s Labor Dilemma demonstrates that the Russian economy must either find new sources of economic growth or face stagnation Either scenario market reforms or economic stagnation raises the possibility even probability of destabilizing social unrest

The Wartime Origins of Democratization Reyko Huang,2016-10-13 Why do some countries emerge from civil war more democratic than when they entered into it while others remain staunchly autocratic Observers widely depict internal conflict as a pathway to autocracy or state failure but in fact there is variation in post civil war regimes Conventional accounts focus on war outcomes

and international peacebuilding but Huang suggests that postwar regimes have wartime origins notably in how rebel groups interact with ordinary people as part of war making War can have mobilizing effects when rebels engage extensively with civilian populations catalyzing a bottom up force for change toward greater political rights Politics after civil war does not emerge from a blank slate but reflects the war's institutional and social legacies The Wartime Origins of Democratization explores these ideas through an original dataset of rebel governance and rigorous comparative case analysis The findings have far reaching implications for understanding wartime political orders statebuilding and international peacebuilding

Politics Barrie Axford, Victoria Browne, Richard Huggins, Rico Isaacs, 2018-12-07 The eagerly awaited third edition of this highly respected and user friendly text for introductory courses has been thoroughly updated to reflect the world today Politics An Introduction provides stimulating coverage of topics essential to the understanding of contemporary politics It offers students necessary guidance on ways of studying and understanding politics and illustration of the many different sites at which politics is construed and conducted Ideal for students taking combined degrees at introductory level in politics and the social sciences it emphasises the individual and social dimension of politics and covers theories and concepts in an accessible way Fundamentally it helps students see the political and its relevance in their lives Key features include a revised introduction considering what is politics and how we understand and approach its study clear and well organised coverage of political theory political behaviour institutions and the policy process carefully crafted in text chapter features such as consider this thought provoking scenarios think points keyword definitions chapter summaries and exercises designed to enliven and extend the learning experience stimulating up to date examples and case studies from across the globe such as fake news online activism the rise of populism culture wars fertility tourism in India hydropower in Cambodia free speech in France and personality politics in Turkmenistan detailed consideration of democratisation authoritarian regimes direct democracy gender critical perspectives minority rights global capitalism social movements radical political change post secularism and challenges and changes brought by social media Politics An Introduction is a broad ranging accessible and essential guide for all students studying or beginning to study politics *The Global Encyclopaedia of Informality, Volume 3* Alena Ledeneva, 2024-02-26 For a post human hitchhiker human life with its anxiety ageing illness and constant need for problem solving may look unviable Yet for humans the life struggle is softened by human touch human emotion and human cooperation The Global Encyclopaedia of Informality Volume 3 continues the journey of the two previous volumes into the world's open secrets unwritten rules and hidden practices It focuses on issues of emotional ambivalence and pressures of the digital age The informal practices presented in this volume demonstrate the urgency of alleviating tensions between continuity and all too rapid change and the need to tackle the central problem of modern societies uncertainty The volume takes a reader on a biographical journey through elusive taken for granted or banal ways of getting things done from over 70 countries and world regions It offers innovative understanding of the significance of fringes and challenges the assumption

that informality is associated exclusively with poverty underdevelopment the Global South oppressive regimes or the former socialist countries of Eastern Europe and Central Asia It also maps the patterns of informality around the globe identifies specific informal practices in a context sensitive way and documents their ambivalent impact on people engaged in problem solving on societies in which these problems arise and on humanity overall Praise for The Global Encyclopaedia of Informality Volume 3 This book tells a story of human cooperation It is not the narrative you ll find in books teaching you how to solve problems It is an assemblage of something much more endemic fundamentally human and much more pervasive than we tend to think of informality It involves money and power but also the alternative currencies of gaining advantage or gaming the system Bruce Schneier author of A Hacker s Mind Alena Ledeneva s latest database of rule bending is a goldmine for documentary makers and storytellers Entries from 70 countries covering a human lifespan from Chinese anchor babies to funeral feasts in Azerbaijan offer remarkable insights into the way the world really works Lucy Ash journalist **The**

Routledge Handbook of East European Politics Adam Fagan,Petr Kopecký,2017-08-15 The Routledge Handbook of East European Politics is an authoritative overview that will help a wide readership develop an understanding of the region in all its political economic and social complexity Including Central Europe the Baltic republics South Eastern Europe and the Western Balkans as well as all the countries of the former Soviet Union it is unrivalled in breadth and depth affording a comprehensive overview of Eastern European politics provided by leading experts in the fields of comparative politics international relations and public administration Through a series of cutting edge articles it seeks to explain and understand patterns of Eastern European politics today The Routledge Handbook of East European Politics will be a key reference point both for advanced level students developing knowledge about the subject researchers producing new material in the area and those interested and working in the fields of East European Politics Russian Politics EU Politics and more broadly in European Politics Comparative Politics Democratization Studies and International Relations **Shocks and Political**

Change William R. Thompson,Thomas J. Volgy,2023-05-16 Political shocks have come to be considered highly salient for explaining major changes to international politics and to the foreign policies of states Such shocks can occur at all levels of analysis domestically dyadically regionally or globally They range from political phenomena such as coups and wars to ecological catastrophes These shocks are sufficiently disruptive to cause foreign policy makers to reconsider their foreign policy orientations and to contemplate major changes to their policies In fact some have argued that it is mostly through political shocks that fundamental policy change occurs in most states No wonder then that political shocks are now increasingly part of the toolbox of considerations used by foreign policy and international relations scholars as they focus on understanding patterns of conflict and cooperation between states Given the salience of political shocks to understand foreign policy change this book brings together a group of both senior and more junior scholars whose previous work has shown substantial promise for moving forward theory and empirical analysis Their combined efforts in this book highlight the

value of multiple theoretical and empirical approaches to a clearer understanding of the nature of political shocks and their consequences for foreign policy and international politics *Non-Democratic Federalism and Decentralization in Post-Soviet States* Irina Busygina, Mikhail Filippov, 2023-11-30 This book challenges the common perception of authoritarian regimes as incompatible with federalism and decentralization It examines how the leaders of Russia Ukraine and Kazakhstan have managed to exploit federalism and decentralization as useful instruments to help them preserve control avoid political instability and to shift blame to the regional authorities in times of crises and policy failures The authors explain how post Soviet authoritarian regimes balance the advantages and risks and emphasize the contradictory role of external influences and threats to the institutional design of federalism and decentralization Advancing our understanding of how the institutions of federalism and decentralization are skillfully constrained but at the same time used by authoritarian incumbents they show that federalism and decentralization matter in non democracies though the nondemocratic character of the political systems greatly modifies their effects The authors show the implication of the COVID 19 crisis and current Russian war against Ukraine for the center regional relations in Russia Ukraine and Kazakhstan This book will be of interest to scholars and students of post Soviet politics decentralization federalism and modern authoritarianism Law and Power in Russia

Håvard Bækken, 2018-11-21 This book explores the issue of selective law enforcement arguing that the manipulation of the legal system by powerful insiders is a distinctive feature of Putinism reflecting both its hybrid authoritarianism and Russian legal culture Based on extensive research including interviews with the victims of selective law enforcement the book analyses how selective law enforcement works in Russia discusses the link between law and power and relates the Russian situation to examples from elsewhere and to general legal theories and ideas of political hybridity **Understanding**

Kazakhstan's 2019 Political Transition Jean-François Caron, 2021-01-21 The final page in the political history of the Soviet Union was turned on March 19 2019 when Nursultan Nazarbayev the last former Chairman of a Soviet Republic who had managed to stay in power following the collapse of USSR unexpectedly decided to resign This edited book looks to analyse the political aspects of this event more specifically by trying to understand its political significance for the country s policies the prospects of democratisation the uniqueness of the transition compared with others that have previously occurred in the region and how it may play an influential part in future political transitions in this part of the world This book will interest scholars of authoritarian politics scholars of Central Asia and those researching the Belt and Road Initiative

Law and the Citizen Austin Sarat, 2020-09-09 This volume brings together an international and interdisciplinary array of scholars to explore issues around citizenship and law With chapters on different elements of the relationship between law and citizenship the volume makes a key contribution to the field and is essential reading for legal scholars Everyday Politics in Russia Jeremy Morris, 2025-03-20 What do Russians really want Do they want authoritarianism and are they prepared to go along with a war of conquest and destruction Or do they want something else A landmark contribution to the

field Morris is the only social researcher to have carried out fieldwork in Russia since the invasion of Ukraine engaging with communities in Moscow regional cities as well as rural areas to bring perspectives on Russian everyday lives that are now entirely inaccessible to the West Everyday Politics in Russia uses the lens of micropolitics defined not as politics in miniature but instead as taking seriously the political content of people s normal lives revealed in their practices interactions and discussions Based on decades long interactions with people from a diverse cross section of society in Russia from security service officers to factory workers from unemployed young men to citizen journalists and activists this is the most comprehensive insight to date into the complexity of Russian attitudes toward war their government and the post 1991 political trajectory *The Politics of Borders* Matthew Longo,2018 Borders are changing in response to terrorism and immigration This book shows why this matters especially for sovereignty individual liberty and citizenship

Eventually, you will categorically discover a new experience and endowment by spending more cash. nevertheless when? reach you take that you require to get those every needs past having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more not far off from the globe, experience, some places, taking into account history, amusement, and a lot more?

It is your definitely own grow old to statute reviewing habit. along with guides you could enjoy now is **Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics** below.

Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics

Introduction

In today's digital age, the availability of Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Patronal Politics Eurasian Regime Dynamics In Comparative Perspective Problems Of International Politics Books
