and not so good buildings are designed and constructed Introducing the reader to the rich and varied world of modern
architecture the author takes us behind the scenes revealing how architects as different as Frank Gehry Renzo Piano and
Robert A M Stern envision and create their designs Dust jacket flap **Current contents Arts and Humanities** ,2002
Illinois School Directory ,1924 **Drawing Imagining Building** Paul Emmons,2019-04-01 Drawing Imagining Building
focuses on the history of hand drawing practices to capture some of the most crucial and overlooked parts of the process
Using 80 black and white images to illustrate the examples it examines architectural drawing practices to elucidate the ways
drawing advances the architect s imagination Emmons considers drawing practices in the Renaissance and up to the first
half of the twentieth century Combining systematic analysis across time with historical explication presents the development
of hand drawing while also grounding early modern practices in their historical milieu Each of the illustrated chapters
considers formative aspects of architectural drawing practice such as upright elevations flowing lines and occult lines and
drawing scales to identify their roots in an embodied approach to show how hand drawing contributes to the architect s
productive imagination By documenting some of the ways of thinking through practices of architectural handdrawing it
describes how practices can enrich the ethical imagination of the architect This book would be beneficial for academics
practitioners and students of architecture particularly those who are interested in the history and significance of hand
drawing and technical drawing **Avery Index to Architectural Periodicals. 2d Ed., Rev. and Enl** Avery Library,1995
