National Tribune began publishing firsthand accounts penned by the veterans themselves and did so for decades thereafter  
This rich overlooked and underused source of primary material offers a gold mine of eyewitness accounts of battles strategy  
tactics camp life and much more From generals to privates the paper printed articles and long serials on everything from  
major battles such as Gettysburg and Antietam to arguments about which battery fired the shot that killed General Leonidas  
Polk whether Grant s army was surprised at Shiloh and just about every topic in between Unbeknownst to many a number of

mention specific commands but are written by soldiers who were not members of that unit As an added bonus this reference  
guide includes the contents of both the National Tribune Scrapbook and the National Tribune Repository two short lived  
publications that included articles by veterans and a listing of the major libraries that have National Tribune holdings Thanks
