All About My Passion

A passion is a strong feeling or emotion on a certain something or someone. To me a my passion is very important to me. My passion is to be active and to play sports.

Ever since I was young, I have had a huge passion for sports and competition. I tried and played different sports growing up, and I now play volleyball and basketball for a the middle school I attend. My passion first started when I was 4 years old and I played soccer with my big brother. At first I hated soccer because I didn't know how to play. Then I started to learn and I actually started playing games I began to love soccer. Throughout my early childhood ages I began to try new sports.

I believe my passion came from watching my siblings being active and playing sports. When I was younger I used to always try and copy my brother and do all the drills his team was doing when he was at football practice. I believe it also could have came from my uncle because my uncle loves sports to and he taught me a lot when it came down to certain sports.

Im passionate about playing sports and being active because it brings joy into my life and lets me have a little fun in my life. Playing sports makes me feel more loose and free with my life, it makes my life less stressful. Also I like playing sports because I like to challenge myself and be more competitive.

There is something that I love about working hard, competing and getting better. My passion for sports was lead by several positive people and coaches who taught me what sports are really about.

My experiences in sports have helped me understand that coaches emphasize that sports are a place to have fun, learn good sportsmanship and give 100%. If success in youth sports can be defined more by passion and effort and sportsmanship than by travel, scoreboards, and trophies, all kids can enjoy sports and competition regardless of their ability.

People that can get involved is scouts from nearby highschoools. Scouts is when a highschool or college comes to a game and watches how you play. They usually see if you stand out and how you play mentally and physically.

My passion doesn't really have a lot to do with my future goal in career wise. but, in highschool I want to continue to play sports and be competitive and active.

And that's all about my passion.

Passion An Essay On Personality

Michael Marder, Patricia Vieira

Passion An Essay On Personality:

Passion Roberto Mangabeira Unger, 1986-05-23 From Simon Schuster *Passion An Essay on Personality* is Roberto Mangabeira Unger's famous thesis *Passion An Essay on Personality* examines the modern view of human nature and analyzes the desire to be accepted by other people. It's one not to miss from any fans of philosophy and those interested in reading one of most impressive modern thinkers of our time.

The Problem of the Passions Cynthia Burack, 1995-03-01 *Women* says conventional wisdom are warm nurturing caregivers with an intrinsically enhanced capacity for attachment and compassion. *Feminists* says the popular image are full of rage devoid of the feelings that are natural to women. How have feminists themselves dealt with this dualism and more specifically with the disagreeable passions? What has too often been missing from discussions of women's psychology in social theory is an account of women as ambivalent both empathic and enraged, loving and hating. *The Problem of the Passions* fills this void. Examining the work of such feminist theorists as Carol Gilligan, Nancy Chodorow, Jessica Benjamin and Dorothy Dinnerstein in a new light, Burack argues that feminist social theory can be repaired through attention to the pioneering psychoanalytic work of Melanie Klein. Sure to be of interest to feminists, psychoanalysts, political scientists and social theorists, *The Problem of the Passions* is essential reading for anyone concerned with feminism and questions of identity in social thought.

Existential Utopia Michael Marder, Patricia Vieira, 2011-11-24 Radical political thought of the 20th century was dominated by utopia, but the failure of communism in Eastern Europe and its disavowal in China has brought on the need for a new model of utopian thought. This book thus seeks to redefine the concept of utopia and bring it to bear on today's politics. The original essays contributed by key thinkers such as Gianni Vattimo and Jean-Luc Nancy highlight the connection between utopian theory and practice. The book reassesses the legacy of utopia and conceptualizes alternatives to the neo-liberal technocratic regimes prevalent in today's world. It argues that only utopia in its existential sense, grounded in the lived time and space of politics, can distance itself from mainstream ideology and not be at the service of technocratic regimes while paying attention to the material conditions of human life. *Existential Utopia* offers a new and exciting interpretation of utopia in contemporary culture and a much needed intervention into the philosophical and political discussion of utopian thinking that is both accessible to students and comprehensive.

In-Between God Stephen Pickard, 2011-12-28 *In Between God* explores three important areas for contemporary Christianity: theology, community and discipleship. Part One inquires into the rhythms of faith as it interacts with themes of uncertainty and doubt, the nature of theological discourse, the task of systematic theology, evangelism and the various ways in which theology is done. Part Two discusses the importance of place in relation to the church and themes of innovation, undecidability and new forms of monastic community. Part Three addresses themes in discipleship, simplicity, mysticism, the passions and pilgrimage. A red thread connecting these essays is the character of the triune God who is the energy and life in between all things.

Liberalism at the Crossroads Christopher Wolfe, John Hittinger, 1994 This text is an introduction to key

thinkers and schools of thought in the debate regarding liberal political theory Each chapter provides an exposition and analysis of the thought of an influential contemporary liberal thinker or leading critic of liberalism **Insider's Guide To Ivy League Admissions** , **Shakespeare and the Legal Imagination** Ian Ward,1999-07 This work offers an analysis of constitutional law examining Shakespeare s plays as legal texts Professor Ward uses the plays as a starting point to investigate the development of constitutional ideas such as sovereignty commonwealth conscience and moral law and the art of government In the developing area of law and literature this book examines how Shakespeare s work offers a rich source of textual material on legal subjects **Religion, Humility, and Democracy in a Divided America** Ruth Braunstein,2019-08-05 Strong religious convictions motivate citizens to engage in American public life and are viewed as a source of closed mindedness and a driver of political polarization This book combines theoretical reflections on this tension empirical studies examine how a range of religious actors balance conviction with humility in their political work

McCoubrey & White's Textbook on Jurisprudence James Penner,Nigel D. White,H. McCoubrey,Emmanuel Melissaris,2012-08-30 This textbook provides an introduction to and analysis of the major theories and controversies of jurisprudence Starting with an overview of the nature of jurisprudence then moving on to examine the theories and main protagonists in more detail it is an ideal text for undergraduate students studying the subject for the first time

Subjectivities Regenia Gagnier,1991 The thesis of this text is that whereas bourgeois subjectivity resembles the central and developing self of such novels as David Copperfield working class subjectivity consists of an attention to working environment and community that diminishes concern with self **Transforming Our Painful Emotions: Spiritual Resources in Anger, Shame, Grief, Fear and Loneliness** Evelyn Eaton Whitehead and James D. Whitehead,2010

Love & Eroticism Mike Featherstone,1999-03-19 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism Love Eroticism is simultaneously published as volume 15 issue 3 4 of Theory Culture Society **The Psychology of Passion** Robert J. Vallerand,2015 In *The Psychology of Passion* Robert J Vallerand provides a complete presentation of the Dualistic Model of Passion and reports on the empirical evidence supporting the theory Vallerand highlights the effects of two types of passion harmonious and obsessive on a number of psychological phenomena such as cognition emotions performance relationships aggression and violence **Handbook of Eudaimonic Well-Being** Joar Vittersø,2016-10-18 This handbook presents the most comprehensive account of eudaimonic well being to date It brings

together theoretical insights and empirical updates presented by leading scholars and young researchers The handbook examines philosophical and historical approaches to the study of happy lives and good societies and it critically looks at conceptual controversies related to eudaimonia and well being It identifies the elements of happiness in a variety of areas such as emotions health wisdom self determination internal motivation personal growth genetics work leisure heroism and many more It then places eudaimonic well being in the larger context of society addressing social elements The most remarkable outcome of the book is arguably its large scale relevance reminding us that the more we know about the good way of living the more we are in a position to build a society that can be supportive and offer opportunities for such a way of living for all of its citizens

On Love and Virtue: Theological Essays Michael S. Sherwin, 2018-12-01 What does it mean to love What are the traits of character that support love's activity How does the economy of grace the mission of Christ and the action of the Holy Spirit elevate and transform human love virtue and the desire for happiness In *On Love and Virtue Theological Essays* the eminent Dominican theologian Michael Sherwin considers how the Catholic tradition has addressed these questions Fr Sherwin places this tradition in dialogue with contemporary questions Taking St Thomas Aquinas as his primary guide Fr Sherwin reads St Thomas in light of his biblical and patristic sources especially St Augustine and engages contemporary developments in philosophy in order to deepen our understanding of how grace both heals and elevates human nature Along the way Fr Sherwin considers the vocation of the theologian and the biblical and patristic understanding of the Christian call to moral apprenticeship and friendship with God
