Passport To Life Autobiographical Reflections On The Holocaust

Daniela Niemeyer

Passport To Life Autobiographical Reflections On The Holocaust:

Passport to Life Emanuel Tanay, 2004 Memoirs of a Jew who was born as Emanuel Tenenwurz in 1928 in Vilna and moved to Miech w as a child The Polish antisemitism he experienced before the war worsened under German occupation In early 1941 his family was interned in the Miech w ghetto whose Judenrat he depicts as facilitating Jewish survival His family escaped deportation and he hid in a Catholic monastery He was sexually abused by a monk there then hidden by a member of the Polish underground in a village From there a good German helped him get to Krak w where his mother and sister hid After escaping to Hungary he was caught trying to emigrate to Eretz Israel He was briefly incarcerated in Yugoslavia and then in Budapest where he met the paratrooper Peretz Goldstein who had been sent to occupied Europe from Palestine Claims that the paratroopers did not strengthen Jewish resistance but increased the risk to the local Jewish underground Under the Arrow Cross regime he managed to obtain Aryan papers After the war he encountered anti Jewish hostility in Miech w and learned that his father had perished he lived for some time in Germany and emigrated to the U S in 1952 Pp 219 278 Reflections discuss hate Islamic fundamentalism genocide Christianity and the Holocaust and Holocaust historiography Contends that to survive was heroic to revolt was suicidal *Passport to Life* Emanuel Tanay, 2004 Memoirs of a Jew who was born as Emanuel Tenenwurz in 1928 in Vilna and moved to Miech w as a child The Polish antisemitism he experienced before the war worsened under German occupation In early 1941 his family was interned in the Miech w ghetto whose Judenrat he depicts as facilitating Jewish survival His family escaped deportation and he hid in a Catholic monastery He was sexually abused by a monk there then hidden by a member of the Polish underground in a village From there a good German helped him get to Krak w where his mother and sister hid After escaping to Hungary he was caught trying to emigrate to Eretz Israel He was briefly incarcerated in Yugoslavia and then in Budapest where he met the paratrooper Peretz Goldstein who had been sent to occupied Europe from Palestine Claims that the paratroopers did not strengthen Jewish resistance but increased the risk to the local Jewish underground Under the Arrow Cross regime he managed to obtain Aryan papers After the war he encountered anti Jewish hostility in Miech w and learned that his father had perished he lived for some time in Germany and emigrated to the U S in 1952 Pp 219 278 Reflections discuss hate Islamic fundamentalism genocide Christianity and the Holocaust and Holocaust historiography Contends that to survive was heroic to revolt was suicidal The Holocaust and World War II Wendy Koenig, Nancy Rupprecht, Nancy E. Rupprecht, 2012-12-19 The Holocaust and World War II In History and In Memory is a thematic volume of nineteen articles based on papers presented at the 9th Middle Tennessee State University International Holocaust Studies Conference in October 2009 It focuses on the connection between World War II and the Holocaust as it was lived as well as how it is remembered commemorated and taught It is interdisciplinary in terms of subject and content and it explores a variety of methodological approaches to the topic including historical analysis pedagogy oral testimony literary criticism and museology The volume features three articles written by the

conference s featured speakers Two of them were authored by the keynote speaker internationally acclaimed historian Gerhard L Weinberg Arguably the world s foremost authority on WWII Weinberg is the author of A World at Arms A Global History of World War II and several other prize winning books He contributes World War II A Brief History and an article titled Roosevelt Truman and the Holocaust that evaluates the difficult decisions concerning the Holocaust made by two American presidents The second featured speaker Raffael Scheck author of Hitler s African Victims The German Army Massacres of Black French Soldiers in 1940 contributes an article titled Racial Hatred The German Army Massacres of Black French Soldiers in 1940 to this volume Scheck s essay places the experiences of these black French African prisoners of war into the broader context of the treatment of black people by the Nazis The remaining sixteen articles contributed by prominent scholars from North America Europe and Asia represent a broad spectrum of disciplines methodological approaches and points of view concerning the Holocaust and the Second World War The editors believe this anthology will be both an important acquisition for libraries and a useful tool for scholars teachers researchers and general readers interested in the World War II era as well as in the Holocaust

Holocaust Survivors and Immigrants Boaz Kahana,Zev Harel,Eva Kahana,2007-03-06 Based on a unique research study this volume examines the later life development of Holocaust survivors from Israel and the US Through systematic interviews the authors noted researchers and clinicians collected data about the lives of these survivors and how they compared to peers who did not share this experience The orientation of the book synthesizes several conceptual approaches gerontological and life span development stress research and traumatology and also reflects the varied disciplines of the authors spanning psychology social work and sociology The result is a multi faceted view of their subject with an understanding of the individual society and the interaction of the two tempered by the authors own Holocaust experiences Chapters cover a range of areas including stress and coping of these survivors reviews of their health and mental health an examination of their social integration as well as a review of the multiple predictors of psychological well being and adaptation to aging This book will be of interest to psychologists social workers sociologists psychiatrists and all those who study both trauma and aging

The New Life Jeremy Varon,2014-06-01 Jewish Displaced Persons DPs survived in concentration and death camps in hiding and as exiles in the Soviet interior After liberation in the land of their persecutors some also attended university to fulfill dreams of becoming doctors engineers and professionals In The New Life Jewish Students of Postwar Germany Jeremy Varon tells the improbable story of the nearly eight hundred young Jews mostly from Poland and orphaned by the Holocaust who studied in universities in the American Zone of Occupied Germany Drawing on interviews he conducted with the Jewish alumni in the United States and Israel and the records of their Student Union Varon reconstructs how the students built a sense of purpose and a positive vision of the future even as the wounds of the past persisted Varon explores the keys to students renewal including education itself the bond they enjoyed with one another as a substitute family and their efforts both to reconnect with old passions and to revive a near vanquished

European Jewish intelligentsia The New Life also explores the relationship between Jews and Germans in occupied Germany Varon shows how mutual suspicion and resentment dominated interactions between the groups and explores the subtle ways anti-Semitism expressed itself just after the war Moments of empathy also emerge in which Germans began to reckon with the Nazi past Finally The New Life documents conflicts among Jews as they struggled to chart a collective future while nationalists both from Palestine and among DPs insisted that Zionism needed pioneers not scholars and tried to force the students to quit their studies Rigorously researched and passionately written The New Life speaks to scholars students and general readers with interest in the Holocaust Jewish and German history the study of trauma and the experiences of refugees displaced by war and genocide With liberation nearly seventy years in the past it is also among the very last studies based on living contact with Holocaust survivors

How to Accept German Reparations Susan Slyomovics,2014-06-10 In a landmark process that transformed global reparations after the Holocaust Germany created the largest sustained redress program in history amounting to more than 60 billion When human rights violations are presented primarily in material terms acknowledging an indemnity claim becomes one way for a victim to be recognized At the same time indemnifications provoke a number of difficult questions about how suffering and loss can be measured How much is an individual life worth How much or what kind of violence merits compensation What is financial pain and what does it mean to monetize concentration camp survivor syndrome Susan Slyomovics explores this and other compensation programs both those past and those that might exist in the future through the lens of anthropological and human rights discourse How to account for variation in German reparations and French restitution directed solely at Algerian Jewry for Vichy era losses Do crimes of colonialism merit reparations How might reparations models apply to the modern day conflict in Israel and Palestine The author points to the examples of her grandmother and mother Czechoslovakian Jews who survived the Auschwitz Plaszow and Markkleeberg camps together but disagreed about applying for the post World War II Wiedergutmachung to make good again reparation programs Slyomovics maintains that we can use the legacies of German reparations to reconsider approaches to reparations in the future and the result is an investigation of practical implications complicated by the difficult legal ethnographic and personal questions that reparations inevitably prompt

The Politics of War Trauma Jolande Withuis,Annet Mooij,2010 This study compares the policies and attitudes toward the health consequences of World War II in eleven European countries Austria Belgium Denmark East Germany France Italy Luxembourg the Netherlands Norway Poland and West Germany It shows the remarkably asynchronous development in these countries of health care financing and treatment for war survivors and of the patients perception of their own health Using an innovative and multidisciplinary approach Withuis and Mooij analyze postwar health care in the context of the European political climate at that time

Beyond Violence Anna Cichopek-Gajraj,2014-06-19 A unique perspective that goes beyond violence to compare the daily experiences of Holocaust survivors returning to Poland and Slovakia

Hunt for the Jews Jan Grabowski,2018-11-01 A

revealing account of Polish cooperation with Nazis in WWII a grim compelling and significant scholarly study Kirkus Reviews Between 1942 and 1943 thousands of Jews escaped the fate of German death camps in Poland As they sought refuge in the Polish countryside the Nazi death machine organized what they called Judenjagd meaning hunt for the Jews As a result of the Judenjagd few of those who escaped the death camps would survive to see liberation As Jan Grabowski s penetrating microhistory reveals the majority of the Jews in hiding perished as a consequence of betrayal by their Polish neighbors Hunt for the Jews tells the story of the Judenjagd in Dabrowa Tarnowska a rural county in southeastern Poland Drawing on materials from Polish Jewish and German sources created during and after the war Grabowski documents the involvement of the local Polish population in the process of detecting and killing the Jews who sought their aid Through detailed reconstruction of events Grabowski offers incredible insight into how Poles in rural Poland reacted to and not infrequently were complicit with the German practice of genocide Grabowski also implicitly challenges us to confront our own myths and to rethink how we narrate British and American history of responding to the Holocaust European History Quarterly **The Michigan Alumnus** ,2004 In volumes 1-8 the final number consists of the Commencement annual **Echoes from the Holocaust** Alan Rosenberg,2009 This book contains essays that focus on the profound issues and the philosophical significance of the Holocaust **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors

typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

Insiders and Outsiders Dagmar C. G. Lorenz, Gabriele Weinberger, 1994 *Insiders and Outsiders* addresses various aspects of Jewish and Gentile interaction since the development of the German Jewish literary and cultural identity in the early nineteenth century Containing the work of prominent scholars critics and journalists involved with German Jewish studies from around the world this ambitious anthology of literary and cultural criticism suggests a reevaluation of important cultural and literary issues including the problem of cultural diversity with regard to German speaking countries and the question as to what constitutes German cultural identity in multicultural central Europe This volume highlights the centrality of the Jewish presence in the heart of German and Austrian culture as well as the important role German culture played in Jewish society While most previously published studies emphasize either the grandeur of German Jewish achievement or the tragedy of these two cultures in contact *Insiders and Outsiders* examines both the failures and the successes of this tense and troubling relationship It suggests that rather than being the product of a nurturing multicultural environment the achievements of German Jewish intellectuals and poets grew out of friction unrest and discomfort

Queer Lives across the Wall Andrea Rottmann, 2023-04-28 *Queer Lives across the Wall* examines the everyday lives of queer Berliners between 1945 and 1970 tracing private and public queer life from the end of the Nazi regime through the gay and lesbian liberation movements of the 1970s Andrea Rottmann explores how certain spaces including homes bars streets parks and prisons facilitated and restricted queer lives in the overwhelmingly conservative climate that characterized both German postwar states With a theoretical toolkit informed by feminist queer and spatial theories the book goes beyond previous histories that focus on state surveillance and the persecution of male homosexuality

Second Generation Voices Alan L. Berger, Naomi Berger, 2001-06-01 Heirs to the legacy of Auschwitz the children and grandchildren of Holocaust survivors and perpetrators have always been thought of as separated by fear and anger mistrust and shame This groundbreaking study provides a forum for expression in which each group reflects candidly upon the consuming burdens and challenges it has inherited In these intensely personal and frequently dramatic pieces understandable differences surface The Jewish second generation is unified by a search for memory and family Their German counterparts experience the opposite Yet surprising common ground is revealed Each group emerges out of households where for vastly different reasons the Holocaust was not mentioned Each struggles to break this barrier of silence Each has witnessed the continued survival of parents and must grapple with living in households haunted by denial And each knows it is his or her charge to shape the Holocaust for future generations To be sure there is disagreement among the groups about the need for or wisdom of dialogue Yet **Second Generation Voices** boldly engenders authentic grounds for discussion Issues such as guilt anger religious faith and accountability are explored in deeply felt poems essays and narratives Jew and German alike speak openly of forming and affirming their own identities reconnecting with roots and working through their own psychological Holocaust

Philological Papers West Virginia University, 1991 TLLS, the Times Literary Supplement, 1992 *Subject Guide to Books in Print*, 1975 Passport to Life Henia Brazg, 1981 **Choosing Life** Hermann Rath, 1994

Whispering the Techniques of Language: An Mental Quest through **Passport To Life Autobiographical Reflections On The Holocaust**

In a digitally-driven earth wherever monitors reign supreme and immediate connection drowns out the subtleties of language, the profound secrets and psychological nuances hidden within words frequently get unheard. However, situated within the pages of **Passport To Life Autobiographical Reflections On The Holocaust** a charming literary value pulsing with organic feelings, lies an exceptional quest waiting to be undertaken. Composed by a talented wordsmith, that enchanting opus invites viewers on an introspective journey, lightly unraveling the veiled truths and profound impact resonating within the cloth of each and every word. Within the mental depths with this poignant evaluation, we will embark upon a honest exploration of the book is primary styles, dissect its charming writing style, and fail to the powerful resonance it evokes heavy within the recesses of readers hearts.
