They Tell Me of a Home Daniel Black, 2006-11-28 A stunning literary debut about coming back home again Twenty eight year old protagonist Tommy Lee Tyson steps off the Greyhound bus in his hometown of Swamp Creek Arkansas a place he left when he was eighteen vowing never to return Yet fate and a Ph D in black studies force him back to his rural origins as he seeks to understand himself and the black community that produced him A cold nonchalant father and an emotionally indifferent mother make his return after a ten year hiatus practically unbearable and the discovery of his baby sister's death and her burial in the backyard almost consumes him His mother watches his agony when he discovers his sister's tombstone but neither she nor other family members is willing to disclose the secret of her death Only after being prodded incessantly does his older brother Willie James relent and provide Tommy Lee with enough knowledge to figure out exactly what happened and why Meanwhile Tommy's seventy year old teacher lying on her deathbed asks him to remain in Swamp Creek and assume her position as the headmaster of the one room schoolhouse He refuses vehemently and she dies having bequeathed him her five thousand book collection in the hopes that he will change his mind Over the course of a one week visit riddled with tension heartache and revelation Tommy Lee Tyson discovers truths about his family his community and his undeniable connection to rural Southern black folk and their ways A thrilling literary debut Daniel Black wields a powerful pen a sharp eye and muscular prose in giving us a memorable even haunting story of the ties that bind Michael Eric Dyson
