Competing Fundamentalisms Sathianathan Clarke, 2017-03-29 Why do certain groups and individuals seek to do harm in the name of God While studies often claim to hold the key to this frightening phenomenon they seldom account for the crucial role that religious conviction plays not just in radical Islam but also in the fundamentalist branches of the world's two other largest religions Christianity and Hinduism As the first book to examine violent extremism in all three religions together *Competing Fundamentalisms* draws on studies in sociology psychology culture and economics while focusing on the central role of religious ideology to paint a richer portrait of this potent force in modern life Clarke argues that the forces of globalization fuel the aggression of these movements to produce the competing feature of religious fundamentalisms which have more in common with their counterparts across religious lines than they do with the members of their own religions He proposes ways to deescalate religious violence in the

service of peacemaking Readers will gain important insights into how violent religious fundamentalism works in the world's three largest religions and learn new strategies for promoting peace in the context of contemporary interreligious conflict

*Losing My Religion* Tom Frame, 2010-10-14 In this challenging and provocative book Tom Frame one of Australia's best known writers on religion and society examines diminishing theological belief and declining denominational affiliation He argues that Australia has never been a very religious nation but that few Australians have deliberately rejected belief most simply can't see Jesus, Prince of Hell Adam Weishaupt, 2013-01-26 You many think you know everything you need to

know about the historical figure Jesus Christ but every cherished belief you have is false Jesus Christ is a fraud For a start his name wasn't Jesus Christ but Yehoshua ben Yosef And just as his name is a fiction designed to disguise the truth so is everything else about him We will demonstrate the following 1 The central promise of Christianity the resurrection of the dead is utterly wrong The Christian Gospels demonstrate conclusively that Jesus Christ was reincarnated 2 Jesus Christ was the central figure in one of the most audacious plots in history 3 He was head of an Elite Family that wished to rule the world The Family exists to this day 4 Jesus Christ was the leader of an army that sought to overthrow Roman rule in Judea He was executed as a violent revolutionary attempting to set himself up as a king 5 Judas the infamous traitor was the brother of Christ The greatest lie in history has endured too long **Thinking on the Edge: An Interdisciplinary Look at**
