An Autumn War Daniel Abraham, 2008-07-22 Daniel Abraham delighted fantasy readers with his brilliantly original and engaging first novel and in his second penned a tragedy as darkly personal and violent as Shakespeare's *King Lear* Now he has written an epic fantasy of much wider scope and appeal that will thrill his fans and enthrall legions of new readers Otah Machi ruler of the city of Machi has tried for years to prepare his people for a future in which the magical *andat* entities that support their commerce and intimidate all foes can no longer be safely harnessed But his efforts are too little too late The Galts an expansionist empire from across the sea have tired of games of political espionage and low stakes sabotage Their general a ruthless veteran has found a way to do what was thought impossible neutralize the *andat* As the Galtic army advances the Poets who control the *andat* wage their own battle to save their loved ones and their nation Failure seems inevitable but success would end the Galtic threat With wonderful storytelling skill Abraham has wedded the unique magic high stakes betrayal and political intrigue of his previous works with a broad tapestry of action in a spectacular fantasy epic

A King in Cobwebs David Keck, 2018-12-04 A gritty medieval fantasy full of enchantment Publishers Weekly
David Keck's epic Tales of Durand trilogy concludes with A King in Cobwebs. Once a landless second son, Durand has sold his sword to both vicious and noble men and been party to appalling acts of murder as well as self-sacrificing heroism. Now the champion of the Duke of Gireth, Durand's past has caught up with him. The land is at the mercy of a paranoid king who has become unfit to rule. As rebellion sparks in a conquered duchy, the final bond holding back the Banished breaks, unleashing their nightmarish evil on the innocents of the kingdom. In his final battle against the Banished, Durand comes face to face with the whispering darkness responsible for it all: the king in cobwebs.

Behind the Book Chris Mackenzie Jones, 2018-03-23
One of Poets' Writers' Best Books for Writers. The behind-the-scenes stories of eleven debut books from their authors, agents, editors, and publishers. Every book has a story of its own, a path leading from the initial idea that sparked it to its emergence into the world in published form. No two books follow quite the same path, but all are shaped by a similar array of market forces and writing craft concerns, as well as by a cast of characters stretching beyond the author. Behind the Book explores how eleven contemporary first-time authors in genres ranging from post-apocalyptic fiction to young adult fantasy to travel memoir navigated these pathways with their debut works. Based on extensive interviews with the authors, it covers the process of writing and publishing a book from beginning to end, including idea generation, developing a process, building a support network, revising the manuscript, finding the right approach to publication, building awareness, and ultimately moving on to the next project. It also includes insights from editors, agents, publishers, and others who helped to bring these projects to life. Unlike other books on writing craft, Behind the Book looks at the larger picture of how an author's work and choices can affect the outcome of a project. The authors profiled in each story open up about their challenges, mistakes, and successes. While their paths to publication may be unique, together they offer important lessons that authors of all types can apply to their own writing journeys. Essential Poets' Writers.

The Name of the Wind Patrick Rothfuss, 2007-03-27 Discover 1
New York Times bestselling Patrick Rothfuss epic fantasy series The Kingkiller Chronicle. I just love the world of Patrick Rothfuss. Lin Manuel Miranda: OVER 1 MILLION COPIES SOLD. DAY ONE: THE NAME OF THE WIND. My name is Kvothe. I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to God's loved women and written songs that make the minstrels weep. You may have heard of me. So begins a tale unequalled in fantasy literature: the story of a hero told in his own voice. It is a tale of sorrow, a tale of survival, a tale of one man's search for meaning in his universe and how that search and the indomitable will that drove it gave birth to a legend.
