Find out what we wore and why we wore it in *The Greenwood Encyclopedia of Clothing in American History Twentieth Century to the Present*. This fascinating reference set provides two levels of information: descriptions of styles of clothes that Americans have worn and as important why they wore those types of clothes. With volume one covering 1900-1949 and volume two covering 1950 to the present, the first half of each volume provides four chapters that each examine the impact that political and cultural events, arts and entertainment, daily life and family structures have on fashion. The second half of each volume describes the important and everyday fashion and styles of the period, decade by decade for women, men and children. The set also includes helpful timelines, resource guides, listing web sites, videos and print publications, an extensive glossary and illustrations. Fashion influences how we view other people and how we view ourselves.
