Andrew Collins, 2008-09-04 Andrew Collins was born 37 years ago in Northampton His parents never split up in fact they rarely exchanged a cross word No one abused him Nobody died He got on well with his brother and sister and none of his friends drowned in a canal He has never stayed overnight in a hospital and has no emotional scars from his upbringing except a slight lingering resentment that Anita Barker once mocked the stabilisers on his bike Where Did It All Go Right is a jealous memoir written by someone who occasionally wishes life had dealt him a few more juicy marketable blows The author delves back into his first 18 years in search of something anything that might have left him deeply and irreparably damaged With tales of bikes telly sweets good health domestic harmony and happy holidays Andrew aims to bring a little hope to all those out there living with the emotional after effects of a really nice childhood Andrew Collins kept a diary from the age of five so he really can remember what he had for tea everyday and what he did at school excerpts from his diary run throughout the book and it is this detail which makes his story so compelling *The Joy of Essex* Pete May, 2012-10-15 Liberty Equality Tiptree jam In 1990 Essex Man swaggered onto the scene in his shiny suit driving a flash car and with his white stiletto wearing missus on his arm It was a step up from sovereign rings and done up Ford Cortinas but brash vulgar and breathtakingly right wing Mr and Mrs Essex were still the target for pity condemnation and nationwide mockery Twenty odd years on something strange has happened From Russell Brand and Jamie Oliver to Phill Jupitus and Ray Winstone via the runaway success of TV shows like The Only Way is Essex and Gavin and Stacey Essex is now the most iconic county in the UK and the essence of Essex is everywhere But there s more to the county than stereotypes as Brentwood reared Pete May discovers when he takes an eye opening journey through the Essex tundra Along the way May finds bluebells in Billericay sculpture in Harlow Hollywood style signs on the A127 below sea level life in Canvey Island and endless chip shops and asks the vital question is the only way Essex or is there maybe another one My My! Giles Smith, 2024-05-09 A lovely book as bright shiny and uplifting as an Abba hit Daily Mail A witty and affectionate account It s not a stretch to say that at its core My My is a book about time death and the possibility of immortality Sunday Times My My The story of ABBA told through a selection of their greatest hits This year is the fiftieth anniversary of Waterloo the song not the battle a seminal moment in pop history which saw Swedish sensation ABBA burst on to the international music scene How is it that half a century later this seventies Eurovision act is bigger than ever reaching listeners of all ages and spinning off into musicals museums and holograms Giles Smith writer and music fan sets out to find out why My My is a celebration of ABBA through the ages It s one fan s way of saying thank you for the music Small Town England Tim Bradford, 2010-04-09 Tim Bradford is growing up in a small town in Lincolnshire in the 1970s Market Rasen is not the most exciting place but to his teenage mind it was the centre of the universe Tim is at that in between phase between childhood and adolescence where you are trying to be grown up and get your first snogs whilst at the same time still playing with airfix models and making dens Tim takes us through his first crushes falling in love with the local beauty queen and an elusive

Gallic beauty on a French exchange His first attempts at getting drunk and trying to impress girls forming bands which churned out endless numbers of rubbish songs and trying to avoid deckings by the local hards Tim and his equally hapless friends are gradually working towards breaking free of their childhoods and moving away from their roots Life in this small town was a rollercoaster of mundane happenings Small Town paints a portrait of the energy and melancholy at the heart of our generation the inability to live for now and the feeling that something better is just around the corner Too young just to be baby boomers and too English and uncool to call itself Generation X It s a universal tale about dreams ambitions brass bands cubs rugby songs football stickers tractors young love and valve amplifiers connected up to cheap distortion pedals set at a time of political change and pudding basin hair
