cultures and theologies upon the manifold expressions of mission IFES has engaged and the role of IFES in extending the presence of God's people in places and among ideologies where traditional church structures have limited access This book is a powerful reminder of the transformative impact created when believers whether students or otherwise participate in the *missio Dei* as faithful and creative witnesses in their own contexts Bearing relevance for all those interested in a Christian perspective on the university or the theological reverberations of student ministry it also offers a robust theological framework for understanding the legitimacy of parachurch organizations and lay ministry

El sacerdocio de todos los estudiantes Timothée Joset, 2023-06-30 Este libro explora la historia, la teología y la misiología de IFES (International Fellowship of Evangelical Students) a partir de materiales históricos y documentos testimoniales. Examina su compromiso con la inmediatez, la mediación y la participación y su arraigo en una firme creencia en el sacerdocio de todos los creyentes y una eclesiología misional que presupone que Dios está involucrado en todos los aspectos de la vida, incluyendo la universidad. Traza el impacto de diversas culturas y teologías sobre la multiplicidad de expresiones misioneras que refleja el accionar de IFES y describe el papel desempeñado por IFES en la extensión de la presencia del pueblo de Dios en lugares y entre ideologías donde las estructuras eclesísticas tradicionales tienen acceso limitado. Este libro es un potente recordatorio del impacto que puede desatarse cuando creyentes comunes y silvestres sean estudiantes o no participen en la *missio Dei* como testigos creativos y fieles en sus propios contextos. Está cargado de relevancia para quienes se interesan por una perspectiva cristiana acerca de la universidad o por las repercusiones teológicas del ministerio estudiantil. Además, ofrece un sólido marco teológico en donde encuadrar la legitimidad de las organizaciones paraeclesísticas y los ministerios laicos.

Le sacerdoce de tous les étudiants Timothée Joset, 2023-06-30 S'appuyant sur des archives et des témoignages de première main, cet ouvrage explore l'histoire, la théologie et la missiologie de l'International Fellowship of Evangelical Students (IFES), aussi connue sous le nom d'Union Internationale des Groupes Bibliques Universitaires. L'auteur examine comment l'engagement de l'IFES en faveur de l'immediateté, de la médiation et de la participation est fondé sur une croyance ferme dans le sacerdoce de tous les croyants et sur une ecclésiologie missionnaire qui présuppose l'implication de Dieu dans tous les aspects de la vie, y compris dans l'université. Il retrace l'impact des diverses cultures et théologies sur les multiples expressions de la mission de l'IFES et le rôle de l'IFES dans l'extension de la présence du peuple de Dieu, des lieux et des sphères idéologiques auxquelles les structures traditionnelles de l'église ont un accès limité. Ce livre est un rappel puissant de l'impact possible lorsque des croyants ordinaires, qu'ils soient étudiants ou non, participent à la *missio Dei* en tant que, tout au moins, humbles fidèles et créateurs dans leurs propres contextes. Il s'adresse à tous ceux qui souhaitent une perspective chrétienne sur l'université ou aux implications théologiques du ministère étudiant. Il offre également un cadre théologique solide pour comprendre la légitimité des organisations paraecclésiales et du ministère des laïcs.
