**Junius P. Rodriguez**

## **Mine Eyes Have Seen The Glory A Biography Of Julia Ward Howe:**

**Mine Eyes Have Seen the Glory** Deborah Pickman Clifford, 1979 Tells the story of the abolitionist woman suffragist Unitarian preacher and author of The Battle Hymn of the Republic whose Victorian high mindedness and radical iconoclasm made her a symbol of hope and progress Dust jacket **Lucy Stone** Andrea Moore Kerr, 1992 No study of women s history in the United States is complete without an account of Lucy Stone s role in the nineteenth century drive for legal and political rights for women This first fully documented biography of Stone describes her rapid rise to fame and power and her later attempt at an equitable marriage Lucy Stone was a Massachusetts newspaper editor abolitionist and charismatic orator for the women s rights movement in the last half of the nineteenth century She was deeply involved in almost every reform issue of her time Charles Sumner Frederick Douglass William Lloyd Garrison Julia Ward Howe Horace Greeley and Louisa May Alcott counted themselves among her friends Through her public speaking and her newspaper the Woman s Journal Stone became the most widely admired woman s rights spokeswoman of her era In the nineteenth century Lucy Stone was a household name Kerr begins with Stone s early roots in a poor family in western Massachusetts She eventually graduated from Oberlin College and then became a full time public speaker for an anti slavery society and for women s rights Despite Stone s strident anti marriage ideology she eventually wed Henry Brown Blackwell and had her first child at the age of thirty nine Although Kerr tells us about Stone s public accomplishments she emphasizes Stone s personal struggle for autonomy Lucy Stone Only was Stone s trademark signature following her marriage Her refusal to surrender her birth name was one example of her determination to retain her individuality in an era where a woman s right to a separate identity ended with marriage Of equal importance is Kerr s discussion of Stone s relationship with Susan B Anthony and Elizabeth Cady Stanton as well as her revisionist treatment of the schism which eventually divided Stone from Stanton and Anthony Stone urged legislators not to ignore the need for women s suffrage as they rushed to enfranchise black males Stanton and Anthony dwelt only on the need for women s suffrage at the expense of black suffrage Women s historians the general reader and historians of the family will appreciate the story of Stone s attempt to balance the conflicting demands of career and family Mine Eyes Have Seen Richard Goldstein, 1997-06-24 From the days of the thirteen colonies to the age of the computer this history of America by the people encompasses a wide ranging collection of excerpts from diaries memoirs trial testimony public documents news reports and interviews and other eye witness accounts that sheds light on every corner of American life

**The Battle Hymn of the Republic** John Stauffer, Benjamin Soskis, 2013-05-09 It was sung at Ronald Reagan s funeral and adopted with new lyrics by labor radicals John Updike quoted it in the title of one of his novels and George W Bush had it performed at the memorial service in the National Cathedral for victims of September 11 2001 Perhaps no other song has held such a profoundly significant and contradictory place in America s history and cultural memory than the The Battle Hymn of the Republic In this sweeping study John Stauffer and Benjamin Soskis show how this Civil War tune has become an

anthem for cause after radically different cause The song originated in antebellum revivalism with the melody of the camp meeting favorite Say Brothers Will You Meet Us Union soldiers in the Civil War then turned it into John Brown s Body Julia Ward Howe uncomfortable with Brown s violence and militancy wrote the words we know today Using intense apocalyptic and millenarian imagery she captured the popular enthusiasm of the time the sense of a climactic battle between good and evil yet she made no reference to a particular time or place allowing it to be exported or adapted to new conflicts including Reconstruction sectional reconciliation imperialism progressive reform labor radicalism civil rights movements and social conservatism And yet the memory of the song s original role in bloody and divisive Civil War scuttled an attempt to make it the national anthem The Daughters of the Confederacy held a contest for new lyrics but admitted that none of the entries measured up to the power of the original The Battle Hymn has long helped to express what we mean when we talk about sacrifice about the importance of fighting in battles both real and allegorical for the values America represents It conjures up and confirms some of our most profound conceptions of national identity and purpose And yet as Stauffer and Soskis note the popularity of the song has not relieved it of the tensions present at its birth tensions between unity and discord and between the glories and the perils of righteous enthusiasm If anything those tensions became more profound By following this thread through the tapestry of American history The Battle Hymn of the Republic illuminates the fractures and contradictions that underlie the story of our nation

*The Oxford Encyclopedia of Women in World History* Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

**Women in American History** Peg A. Lamphier,Rosanne Welch,2017-01-23 This four volume set documents the

complexity and richness of women's contributions to American history and culture empowering all students by demonstrating a more populist approach to the past Based on the content of most textbooks it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development Nothing could be further from the truth Offering comprehensive coverage of women of a diverse range of cultures classes ethnicities religions and sexual identifications this four volume set identifies the many ways in which women have helped to shape and strengthen the United States This encyclopedia is organized into four chronological volumes with each volume further divided into three sections Each section features an overview essay and thematic essay as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson Lucy Stone and Lucille Ball and from the International Ladies of Rhythm to the International Ladies Garment Workers Union The set also includes a vast variety of primary documents such as personal letters public papers newspaper articles recipes and more These primary documents enhance users learning opportunities and enable readers to better connect with the subject matter

**American Social Leaders and Activists** Neil A. Hamilton, 2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history

*This Is Our Song* Janet Wootton, 2013-01-07 Women have made an amazing creative and prolific contribution to hymnody through the centuries of Christian worship Excluded from liturgical commissions and denied other opportunities for involvement in the worship of the churches women were able to express and influence spirituality in the writing of hymns This influence spreads across the whole range of hymn writing including writing for children which was at one time seen as women's natural place but also the introduction of new voices through translations engagement in social campaigns such as temperance and the abolition of slavery mission and evangelism and the general development of worshipping life However with the exception of the nineteenth century the voices of women have been largely silenced or marginalized The Hymn Explosion of the 1960s onward almost completely ignored women's writing and there has only recently been something of a recovery There is much more to Our Song than people think This book opens up women's writing from the beginnings of Christianity through the Middle Ages the development of printing and the rise of popular hymnody to the present day Living hymn writers add their voices in a series of biographical stories which complete the overarching story of Our Song

**Neither Ballots Nor Bullets** Wendy Hamand Venet, 1991 This account of women's abolitionist activity during the Civil War offers new evidence of the extent of women's political activism and insightfully reveals the historical significance of this activism Through the Woman's National Loyal League women were introduced into the political sphere from which they had previously been barred The work of women such as Elizabeth Cady Stanton and Susan B Anthony opened new avenues for feminist activism after the war In her analysis Wendy Hamand Venet examines how the rift in the league influenced the feminist movement positively by impelling its leaders to distinguish their cause from other political concerns and place it in the spotlight

*Encyclopedia of American Women and Religion* June Melby Benowitz, 2017-08-18 This two volume set examines women's contributions to religious and

moral development in America covering individual women their faith related organizations and women s roles and experiences in the broader social and cultural contexts of their times This second edition of Encyclopedia of American Women and Religion provides updated and expanded information from historians and other scholars of religion covering new issues in religion to better describe and document women s roles within religious groups For instance the term evangelical feminism is one newly defined aspect of women s involvement in religious activism Changes are constantly occurring within the many religious faiths and denominations in America particularly as women strive to gain positions within religious hierarchies that previously were exclusive to men and rise within their denominations to become theologians church leaders and bishops The entries examine the roles that American women have played in mainstream religious denominations small religious sects and non traditional practices such as witchcraft as well as in groups that question religious beliefs including agnostics and atheists A section containing primary documents gives readers a firsthand look at matters of concern to religious women and their organizations Many of these documents are the writings of women who merit entries within the encyclopedia Readers will gain an awareness of women s contributions to religious culture in America from the colonial era to the present day and better understand the many challenges that women have faced to achieve success in their religion related endeavors

Testing Wars in the Public Schools William J. Reese,2013-03-11 Despite claims that written exams narrowed the curriculum ruined children s health and turned teachers into automatons once tests took root in American schools their legitimacy was never seriously challenged William Reese puts today s battles over standards and benchmarks into perspective by showcasing the history of the pencil and paper exam

**A Nation of Steel** Thomas J. Misa,1998-09-04 From the age of railroads through the building of the first battleships from the first skyscrapers to the dawning of the age of the automobile steelmakers proved central to American industry building and transportation In A Nation of Steel Thomas Misa explores the complex interactions between steelmaking and the rise of the industries that have characterized modern America A Nation of Steel offers a detailed and fascinating look at an industry that has had a profound impact on American life

Leading Us Out of Darkness Garry McGiboney,2016-11-15 The lives that shaped the songs that shape our faith Their stories and lives are seldom considered or known yet their works and influence are felt almost every day somewhere in the world and have been for centuries They are the hymnists and their gift to the world for centuries and for the future are found in the beautiful words of their hymns Hymnists are the poets of the spirit the leaders of light who pull us from the dark and who help show the way back to clarity and purpose in our lives based on faith and redemption Their hymns have survived wars famines plagues the Dark Ages revolutions the rise and decline of church attendance contemporary debasement of religion and anything related to worship and many other follies and frailties of mankind The hymns survived because of dedicated hymnists and the meaningfulness of their words to a world that always faces turmoil and challenges to faith and family This book explores the lives of many of our favorite hymnists The reader will find almost 400 biographies of hymnists

including their compelling stories The reader will rejoice in the hymnists' inspirational stories find redemption in their despair and heartbreak and experience reassurance in their faith The words of the hymnists help us cope with fear search for hope and find inspiration When a reader explores hymns more closely and overlays the themes of the hymns with the lives of the hymnists a pattern emerges There are numerous references to fear hope and inspiration just like in the Bible These themes are so pervasive that they need to be studied and in studying them consideration should be given to how they interconnect Consequently this book explores the impact that fear hope and inspiration have on our lives and how they are linked

**Encyclopedia of Emancipation and Abolition in the Transatlantic World** Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery

**The Model Man** Hans Krabbendam, 2022-06-08 Edward William Bok was the most famous Dutch American in early twentieth century America thanks to his thirty year editorship of the Ladies Home Journal the most prestigious women's magazine of the day This first complete coverage of Edward Bok's life places him against his ethnic background and portrays him as the spokesman for and the mold of the American middle class between 1890 and 1930 He acted as a mediator between a Victorian and a modern society reconciling consumerism with idealism As a Dutch immigrant he became a model for successful adaptation to a new country and modern times He used his national reputation to restore America's internationalism in the 1920s His life story is relevant to those interested in the history of immigration journalism the rise of big business the women's movement and the Progressive Movement

**Boston's Wayward Children** Peter C. Holloran, 1989 This study explores the origin and development of the American social welfare system It demonstrates that the system of orphanages child placing agencies reformatories juvenile courts and child guidance clinics established in Victorian Boston was a foundation for the New Deal and remains the basis of contemporary social work with the young

*The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony: When clowns make laws for queens, 1880 to 1887* Elizabeth Cady Stanton, 1997 At the opening of this

volume suffragists hoped to speed passage of a sixteenth amendment to the Constitution through the creation of Select Committees on Woman Suffrage in Congress Congress did not vote on the amendment until January 1887 Then in a matter of a week suffragists were dealt two major blows the Senate defeated the amendment and the Senate and House reached agreement on the Edmunds Tucker Act disenfranchising all women in the Territory of Utah **The Way We Never Were** Stephanie Coontz,1992 Includes bibliographical references and index The Letters of William Lloyd Garrison William Lloyd Garrison,1971 *Encyclopedia of Life Writing* Margareta Jolly,2013-12-04 First published in 2001 Routledge is an imprint of Taylor Francis an informa company
