Mike Public School P G Wodehouse:

Mike P. G. Wodehouse, 2013-07-26 The school's attitude can be summed up in three words. It was one vast blank astounded. Here I say. Everybody was saying it though not always in those words. When condensed everybody's comment on the situation came to that. There is something rather pathetic in the indignation of a school. It must always or nearly always expend itself in words and in private at that. Even the consolation of getting on to platforms and shouting at itself is denied to it. A public school has no Hyde Park. There is every probability in fact it is certain that but for one malcontent the school's indignation would have been allowed to simmer down in the usual way and finally become a mere vague memory. The malcontent was Wyatt. He had been responsible for the starting of the matter and he proceeded now to carry it on till it blazed up into the biggest thing of its kind ever known at Wrykyn the Great Picnic. *Mike P. G. Wodehouse, 2017-05-19* P G Wodehouse's *Mike* A Public School Story introduces two of his most beloved characters Mike Jackson and Psmith. The story follows Mike and Psmith on their adventures. Stories of outwitting the masters causing havoc in the local village and playing on school teams will all strike a chord with contemporary readers. Pranks, mysteries and witty language provide an entertaining journey through the world of British public schools. *Mike Pelham Grenville Wodehouse, 1909* *Mike P. G. MIKE, a Public School Story P. G. Wodehouse, 2014-01-30 This book is printed with a LARGE font for your convenience Enjoy your reading The seeing off of Mike on the last day of the holidays was an imposing spectacle a sort of pageant Going to a public school especially at the beginning of the summer term is no great hardship more particularly when the departing hero has a brother on the verge of the school eleven and three other brothers playing for counties and Mike seemed in no way disturbed by the prospect Mothers however to the end of time will foster a secret fear that their sons will be bullied at a big school and Mrs Jackson's anxious look lent a fine solemnity to the proceedings Mike (PDF) P. Mike a Public School Story P. G. Wodehouse, 2014-01-26 It was a morning in the middle of April and the Jackson family were consequently breakfasting in comparative silence The cricket season had not begun and except during the cricket season they were in the habit of devoting their powerful minds at breakfast almost exclusively to the task of victualling against the labours of the day In May June July and August the silence was broken The three grown up Jacksons played regularly in first class cricket and there was always keen competition among their brothers and sisters for the copy of the Sportsman which was to be found on the hall table with the letters Whoever got it usually gloated over it in silence till urged wrathfully by the multitude to let them know what had happened when it would appear that Joe had notched his seventh century or that Reggie had been run out when he was just getting set or as sometimes occurred that that ass Frank had dropped Fry or Hayward in the slips before he had scored with the result that the spared expert had made a couple of hundred and was still going strong In such a case the criticisms of the family circle particularly of the smaller Jackson sisters were so breezy and unrestrained that Mrs Jackson generally felt it necessary to apply the closure Indeed Marjory Jackson aged fourteen had on three several occasions been fined pudding at lunch for her caustic comments on the batting of her brother Reggie in important fixtures Cricket was a tradition in the family and the ladies unable to their sorrow to play the game themselves were resolved that it should not be their fault if the standard was not kept up On this particular morning silence reigned A deep gasp from some small Jackson wrestling with bread and milk and an occasional remark from Mr Jackson on the letters he was reading alone broke it Mike's late again said Mrs Jackson plaintively at last He's getting up said Marjory I went in to see what he was doing and he was asleep So she added with a satanic chuckle I squeezed a sponge over

him He swallowed an awful lot and then he woke up and tried to catch me so he s certain to be down soon Marjory Well he was on his back with his mouth wide open I had to He was snoring like anything You might have choked him I did said Marjory with satisfaction Jam please Phyllis you pig Mr Jackson looked up Mike will have to be more punctual when he goes to Wrykyn he said Oh father is Mike going to Wrykyn asked Marjory When Next term said Mr Jackson I ve just heard from Mr Wain he added across the table to Mrs Jackson The house is full but he is turning a small room into an extra dormitory so he can take Mike after all The first comment on this momentous piece of news came from Bob Jackson Bob was eighteen The following term would be his last at Wrykyn and having won through so far without the infliction of a small brother he disliked the prospect of not being allowed to finish as he had begun I say he said What He ought to have gone before said Mr Jackson He s fifteen Much too old for that private school He has had it all his own way there and it isn t good for him He s got cheek enough for ten agreed Bob Wrykyn will do him a world of good We aren t in the same house That s one comfort Bob was in Donaldson s It softened the blow to a certain extent that Mike should be going to Wain s He had the same feeling for Mike that most boys of eighteen have for their fifteen year old brothers He was fond of him in the abstract but preferred him at a distance Marjory gave tongue again She had rescued the jam from Phyllis who had shown signs of finishing it and was now at liberty to turn her mind to less pressing matters Mike was her special ally and anything that affected his fortunes affected her Hooray Mike s going to Wrykyn I bet he gets into the first eleven his first term Mike (EasyRead Comfort Edition) P. From Morality to Mayhem Julian Lovelock, 2018-10-25 The stories we read as children are the ones that stay with us the longest and from the nineteenth century until the 1950s stories about schools held a particular fascination Many will remember the goings on at such earnest establishments as Tom Brown s Rugby St Dominic s Greyfriars the Chalet School Malory Towers and Linbury Court In the second part of the twentieth century with more liberal social attitudes and the advent of secondary education for all these moral tales lost their appeal and the school story very nearly died out More recently however a new generation of compromised schoolboy and schoolgirl heroes Pennington Tyke Tiler Harry Potter and Millie Roads have given it a new and challenging relevance Focusing mainly on novels written for young people From Morality to Mayhem charts the fall and rise of the school story from the grim accounts of Victorian times to the magic and mayhem of our own age In doing so it considers how fictional schools not only reflect but sometimes influence real life This captivating study will appeal to those interested in children s literature and education both students and the general reader taking us on a not altogether comfortable trip down memory lane [P.
