**Miller's Blue & White Pottery** Gillian Neale, 2000 Miller's Collectors's Guides is a series of books aimed at providing an essential introduction to varied and popular subjects for the budding collector. Reflecting the growing trend in the antiques market towards collectible small often affordable items these practical guides are filled with ideas on how to form a collection what to specialize in and how to identify objects. Often showing photographed items these are guides no collector can afford to be without. *Ceramics in the Victorian Era* Rachel Gotlieb, 2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890. Largely ignored in recent scholarship *Ceramics in the Victorian Era* Meanings and Metaphors in Painting and Literature argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations. Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period. Each case study begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics. Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time. **Subject Guide to Books in Print**, 1993 **American Book Publishing Record**, 2006 **The Library Journal**, 2000 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Ceramic Makers' Marks** Erica Gibson, 2016-06-16 This book provides a catalogue of ceramic makers marks of British French German and American origin found in North American archaeological sites. Consisting of nearly 350 marks from 112 different manufacturers from the mid 19th through early 20th century this catalog provides full information on the history of a mark and its variants as well as details about the manufacturer. The indexes allow for searches by city country state graphic element mark type word and maker. *The Material Culture of Tableware* Jeanne Morgan Zarucchi, 2018-06-28 *The Material Culture of Tableware* is a fascinating and authoritative study of patterned tableware in the US. The book undertakes a visual analysis of Johnson Brothers patterns of tableware pottery with reference to comparable designs by other British companies such as Spode and Adams. It examines how this practical genre reflected the aesthetic values sense of identity and aspirations of the American consumers who purchased its products. The study also sheds light on British opinions and understandings of American culture. The book's chronological organization shows how tableware designs reflected the cultural developments of American society during the long 20th century. From status seeking 1890s beaux arts patterns and the nostalgic historical scenes of the 1930s to

whimsical 1960s patterns and the contemporary motifs of the 1970s The Material Culture of Tableware tells a compelling story about who 20th century middle class Americans were and wanted to be *The Publishers Weekly*, 1900 **Library Journal**, 2000 The British National Bibliography Arthur James Wells, 2005 **The Pleasures and Treasures of Britain** David Kemp, 1992-01-12 Is a famous queen of Britain really buried beneath platform 10 at King's Cross station in London What is the telephone number of the National Theatre what is the best place to eat in Worcester Where is the National Bagpipe Museum Hint not in Scotland Was Pontius Pilate born in Pitlochry The answers to these questions and literally thousands more are to be found in David Kemp's fascinating guidebook *The Pleasures and Treasures of Britain* Nowhere else will the discerning traveller find so much diverse and essential information about British culture gathered together in one volume With the author as your witty and knowledgeable guide take a tour through nearly fifty cities from Penzance to Perth from London to Cardiff and Belfast Each city section begins with a concise readable history and a guided walk around the town planned to take in as many of the significant local sights as can comfortably be included Next are exhaustive listings including telephone numbers and addresses of everything a culturally curious visitor might want to seek out theatre art galleries museums antique markets antiquarian and other bookstores restaurants local fairs and festivals and more Finally under the headings of Artistic Associations and Ephemera each section concludes with an entertaining collection of local lore gossip legend and anecdote *Bibliographic Guide to Art and Architecture* New York Public Library. richer experience than most it even boasts the palatial home of a king Joseph Bonaparte elder brother of Napoleon and former King of Naples and Spain This work thoroughly based on careful archaeological examination tells the stories of earlier generations in the Delaware Valley and makes the case that New England and the Chesapeake are not the only cultural centers of colonial America     **House & Garden** ,2006     *True Blue* Friends of Blue,1998     **Miller's International Antiques Price Guide, 1993** Judith Miller,1992-12 This american edition is filled with up to date authoritative valuations and photographs of more than 10 000 objects A succinct description of each item contains a price range     **Pottery, Glass & Brass Salesman** ,1913     *Miller's International Antiques Price Guide, 1989* Judith Miller,1988-12 Organized by category of antique and containing subcategories of items in alphabetical order this revised and expanded edition includes general articles chapter introductions glossaries bibliographies a cross referenced index and professional pointers for collectors and dealers 10 000 photos 1 000 in full color     **The Northwestern Miller** ,1928     **The Collector, Containing Articles and Illustrations, Reprinted from The Queen Newspaper, of Interest to the Great Body of Collectors, on China, Engravings, Etc** ,1907
