Rob's expertise and experience is mapped out in the *Millionaire Maintenance Man*. Misfortune to Millionaire Marton Murphy, 2012-10-23 I think of myself sitting around a pub table or around a campfire as a story teller informing people of how to be successful enjoying life and helping others any way possible if I can. That is the way I would like to be remembered. Of pure Irish descent Marton Murphy can trace his family in North America back to 1836 and follow their progression from the Atlantic to the Pacific North to Alaska and South to the Mexican border. As a boy growing up in Freetown PEI one of the prettiest and friendliest piece of ground in the world I absorbed all I could about the family's earliest heritage including my father's expertise in business and neighborliness and my mother's charitable good works as a nurse class of 1921 who taught me how to live my life. I left home at the age of 18 and enjoyed a wide variety of jobs including farm chore boy potato picker cow hand stooker tobacco primer and fruit picker in the East. When arriving in the West I became a doodlebugger oilfield roughneck cat skinner construction worker taxi driver while working my way up the corporate ladder before starting my own business in oil land cattle engineering contracting environmental manufacturing distribution transportation and travel while enjoying a life involved in church community charity and back room politics while travelling the world for business and pleasure.

Automatic Wealth Michael Masterson, 2006-02-24 I have known Michael for over twenty years. He has one of the smartest business minds I know. When he gives me advice I pay attention and you should too. *Automatic Wealth* is full of wisdom and insight filtered by a master and brought to you in a well written and delightful style. John Mauldin Editor of the bestselling book *Just One Thing* Twelve of the World's Best Investors Reveal the One Strategy You Can't Overlook. I am not usually a fan of this kind of book. One entitled *Automatic Wealth* made me suspicious. But I am a fan of Michael Masterson and when I read the book I was impressed. Masterson manages to go beyond the theory to tell you exactly how real people make real money in the real world. That I think is his genius. He's able to open his own eyes and see for himself what actually works. The result is original clever and very helpful to anyone who is serious about building wealth. Bill Bonner coauthor of *Empire of Debt* The Rise of an Epic Financial Crisis. Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unfailing steps. YOU can absolutely
