**Detective Diaries (Book 1)** Mark Mulle, 2016-07-01 GENRE Children's Adventure. An Unofficial Minecraft Book for Kids Ages 9-12. Preteen. Detective Jones is on the case for the very first time, which means that she has a lot to learn. In her ten years of life, Detective Jones or Jewels, as her parents call her, has been reading every mystery novel that she could get her hands on. Since she had only learned how to read five years ago, she hadn't actually read much, but she had read enough to know that there was something weird going on in her village. Other Villager's chickens were disappearing every day, and no one knows who was behind it. The local police didn't think much of the crimes, which meant that it was up to Jewels and a couple of friends she made along the way to solve the case. Like any mystery, there's a decent amount of danger that comes with the job, but Jewels is up for it. She's also up for writing it all down in her diary. **The Villager Detective Diaries: Missing Chickens** Author's Note: This short story is for your reading pleasure.
