companies in the postwar period as well as ownership by BMW and today's SAIC a Chinese based company through which it operates as MG Motor Highlights along the way included the MGB GT V8 MG Metro Group B rally car and MGF Based on its latest state of the art EV platform MG will soon launch an all new roadster coming full circle over its century in business Authored by marque expert David Knowles The MG Century 100 Years of Safety Fast is a fitting celebration of one of the automotive world's oldest and most beloved brands and a must have for every car enthusiast **The Spectator life by states manual** ,1923 **The Essential** Graham Robson,2004 Essential MG tells the full story of this well loved sports car from its early days covering developments in style increases in power and its history in racing and speed trials The first MG cars were produced in Oxford England in 1924 The car was instantly appealing with a cheekiness of spirit that would characterize the marque all of its life winning the hearts of millions around the globe not least in the United States The price was as attractive as the styling and the performance It was cheap and it was fun quintessential MG traits
