

## **FLORIDA COLLEGE ENTRY-LEVEL PLACEMENT TEST (FCELPT) 2008-09 GUIDELINES**

The Florida College Entry-Level Placement Test (FCELPT) is more commonly known as the ACCUPLACER (CPT). The CPT assesses basic mathematics and communications competencies that are essential to perform college-level work.

### **ADMINISTRATION OF THE CPT TO PUBLIC HIGH SCHOOL STUDENTS**

Miami-Dade County Public Schools (MDCPS) and MDC have an agreement for the administration of the CPT to public high school students, in accordance with State Board of Education Rule 6A-10.0315 and Section 1008.30, Florida Statutes. The ACCUPLACER (CPT) is offered as an optional test to eligible high school students in the 11<sup>th</sup> grade. Because of the primary purpose of the CPT, post-secondary institutions remain in control of this test and are accountable for its integrity and security.

The CPT places incoming students into appropriate college-level courses. When high school students have the opportunity to take the CPT while still in high school, they can be given additional counseling and advisement for their future plans during high school. CPT scores may be used to establish eligibility for the Florida Gold Seal Vocational Scholars Award and the Bright Futures Scholarship Program.

MDC administers and scores the CPT at no cost to the student. MDCPS schools must notify students of the opportunity to take the CPT and coordinate registration procedures with MDC. It is recommended that students be tested as late as possible during their junior year, preferably late fall or early spring, in order to provide ample time for skill acquisition and still coordinate with registration and course-scheduling constraints for the coming school year.

### **WHAT IS NEW IN 2008-2009?**

Senate Bill 1908 stipulates that testing is an option for 11th grade students who indicate an interest in post-secondary education and received an FCAT Reading level score of 2-3 and/or a Mathematics level score of 3-4. It is **not mandatory**. The process to determine student interest in post-secondary education may include a student statement of goals, identified goals in the student's educational plan, or simply be implied by the student's appearance at the testing site at the time of administration.

- MDC will continue to participate in the Florida Comprehensive Assessment Test (FCAT)/CPT Pilot Project which has been extended through the 2009 spring term. The project allows eligible first-time-in-college regular, admitted or dual-enrollment MDC students – to be exempt from taking the CPT if they earn an FCAT scale score within the ranges listed below:
  - Reading 355-500 (equivalent of Level 4 or 5) for exemption from college preparatory reading and placement in ENC 1101
  - Math 375-500 (equivalent of Level 5) for placement in MAC 1105, MGF 1106, or MGF 1107.

For additional FCAT information, visit [http://www.mdc.edu/testing\\_information/](http://www.mdc.edu/testing_information/), then under **Attention Students!** Click on the link after "MDC may now use FCAT scores to exempt students from placement testing. Click **HERE** for details."
