Marilyn Hickey, Sarah Bowling, 2013-11-26 Then your light shall break forth like the morning your healing shall spring forth
speedily Isaiah 58:8 Marilyn Hickey and Sarah Bowling present 30 meditations on God's Word that will change your life One
of the names of God is Jehovah Rapha which means the Lord our Healer or the Lord our Health Healing is part of God's
nature and a central feature of the atonement Jesus Christ is our double cure removing both our sin and our sickness We are
healed by His stripes God's healing is powerful and readily available to affect all aspects of our lives Russian Baptists and
Orthodoxy, 1960-1990 Constantine Prokhorov, 2014-01-14 Russian Baptists and the Orthodox Church have had a difficult and
at times dramatic relationship over the past century and a half However the purpose of this thesis is to examine certain
internal connections between these two Christian bodies Despite the evident dissimilarity in theology church practice and
traditions there is common ground which has been largely unexplored A number of features inevitably brought them together
such as living in the same country over a long period of time sharing a history and national roots responding to the same
civic concerns and finally until recently using the same Russian Synodal translation of the Bible This thesis explores first of
all the roots of the issue of Orthodox Baptist similarities and dissimilarities in the nineteenth century The remainder of the
thesis focuses on 1960 to 1990 There is a chapter analyzing the way in which in significant areas Russian Baptist theology
resembled Orthodox thinking This is followed by a study of church and sacraments which again shows that Russian Baptist
approaches had echoes of Orthodoxy The thesis then explores Baptist liturgy showing the Orthodox elements that were
present The same connections are then explored in the area of Russian Baptist communal spiritual traditions The
examination of the Bible beliefs and behaviour also indicates the extent to which Russian Baptists mirrored Orthodoxy Finally
there is an analysis of the popular piety of the Russian Baptists and the way in which they constructed an alternative culture
The basic views of Russian Baptists between the 1960s and 1990 have been drawn from periodicals of the Russian Baptist
communities and from interviews with pastors presbyters and church members who were part of these communities This
often yields insights into primary theology which in relation to many issues differs from official Baptist declarations that tend
to stress the more Protestant aspects of Russian Baptist life The aim of the thesis is to show that in a period in the history of
the USSR when the division between the Western world and the Soviet bloc was marked there was a strong Eastern
orientation among Russian Baptists This changed when the USSR came to an end Over a number of years there was mass
emigration of Russian Baptists and in addition pro Western thinking gained considerable ground within the Russian Baptist
community During the period examined here however it is possible to uncover a great deal of evidence of Russian Baptists
participating in Orthodox theology spiritual mentality and culture Watchman Prayer Dutch Sheets, 2008-10-01 WANTED
