full scale look at the STFU and its leaders It discloses that although the union operated under noticeable socialist party sponsorship in its infancy it drew much more upon the native Southern evangelical and populist traditions much as the civil rights movement would do twenty five years later Grubbs convincingly demonstrates that while the STFU failed to gain immediate social justice for its members it resulted in the formation of the Farm Security Administration which even today continues to aid the rural poor and it played a large part in forcing the formation of the La Follette Civil Liberties Committee whose spotlight on management terrorism helped the CIO toward success The volume stands as a classic on labor issues and class struggle and still echoes with the haunting plea of the dispossessed for equity **The Last Brahmin** Luke A.
