Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax:

Micro-Syntactic Variation in North American English Raffaella Zanuttini, Laurence Horn, 2014-06-11 By comparing linguistic varieties that are quite similar overall linguists can often determine where and how grammatical systems differ and how they change over time Micro Syntactic Variation in North American English provides a systematic look at minimal differences in the syntax of varieties of English spoken in North America The book makes available for the first time a range of data on unfamiliar constructions drawn from several regional and social dialects data whose distribution and grammatical properties shed light on the varieties under examination and on the properties of English syntax more generally The nine contributions collected in this volume fall under a number of overlapping topics variation in the expression of negation and modality the so don't I construction in eastern New England negative auxiliary inversion in declaratives in African American and southern white English multiple modals in southern speech the needs washed construction in the Pittsburgh area pronouns and reflexives transitive expletives in Appalachia personal dative constructions in the Southern Mountain states long distance reflexives in the Minnesota Iron Range and the relation between linguistic variation and language change the rise of drama SO among younger speakers the difficulty in establishing which phenomena cluster together and should be explained by a single point of parametric variation These chapters delve into the syntactic analysis of individual phenomena and the editors introduction and afterword contextualize the issues and explore their semantic pragmatic and sociolinguistic implications

Micro-syntactic Variation in North American English Raffaella Zanuttini, Laurence R. Horn, 2014 Comparative work on linguistic varieties that are overall very similar can help us determine where and how exactly grammatical systems differ from one another and how they change over time This book explores a range of data on unfamiliar constructions across regional and social dialects thereby shedding light on the varieties under examination and on the properties of English syntax more generally

The Syntactic Variation of Spanish Dialects Angel J. Gallego, 2019-08-28 This book offers a comprehensive overview of the syntactic variation of the dialects of Spanish More precisely it covers Spanish theoretical syntax that takes as its data source non standard grammatical phenomena Approaching the syntactic variation of Spanish dialects opens a door not only to the intricacies of the language but also to a set of challenges of linguistic theory itself including language variation language contact bilingualism and diglossia The volume is divided into two main sections the first focusing on Iberian Spanish and the second on Latin American Spanish Chapters cover a wide range of syntactic constructions and phenomena such as clitics agreement subordination differential object marking expletives predication doubling word order and subjects This volume constitutes a milestone in the study of syntactic variation setting the stage for future work not only in vernacular Spanish but all languages

Anti-contiguity Jason Kandybowicz, 2020 A recent wave of research has explored the link between wh syntax and prosody breaking with the traditional generative conception of a unidirectional syntax phonology relationship In this book Jason Kandybowicz develops

Anti contiguity Theory as a compelling alternative to Richards Contiguity Theory to explain the interaction between the distribution of interrogative expressions and the prosodic system of a language Through original and highly detailed fieldwork on several under studied West African languages Krachi Bono Wasa Asante Twi and Nupe Kandybowicz presents empirically and theoretically rich analyses bearing directly on a number of important theories of the syntax prosody interface His observations and analyses stem from original fieldwork on all five languages and represent some of the first prosodic descriptions of the languages The book also considers data from thirteen additional typologically diverse languages to demonstrate the theory s reach and extendibility Against the backdrop of data from eighteen languages Anti contiguity offers a new lens on the empirical and theoretical study of wh prosody **The ^ACartography of Chinese Syntax** Wei-Tien

Dylan Tsai,2015-08-12 This edited volume provides new insights into the architecture of Chinese grammar from a comparative perspective using principles of cartography The chapters in this book map out the topography of a variety of constructions in Chinese specifically information structure wh question formation and peripheral functional elements The syntactic structure of Chinese makes it an ideal language for this line of research offering a window into the origin of heavily scrambled constructions often observed in other languages *Chinese Syntax in a Cross-linguistic Perspective* Yen-hui

Audrey Li,Andrew Simpson,Wei-Tien Dylan Tsai,2015 Chinese Syntax in a Cross linguistic Perspective collects twelve new papers that explore the syntax of Chinese in comparison with other languages *The Morphosyntax of Portuguese and Spanish in Latin America* Mary A. Kato,Francisco Ordóñez,2016-10-26 Recent trends in syntax and morphology have shown

the great importance of doing research on variation in closely related languages This book centers on the study of the morphology and syntax of the two major Romance Languages spoken in Latin America from this perspective The works presented here either compare Brazilian Portuguese with European Portuguese or compare Latin American Spanish and Peninsular Spanish or simply compare Portuguese and its varieties with Spanish and its varieties The chapters advance on a great variety of theoretical questions related to coordination clitics hyper raising infinitives null objects null subjects hyper raising passives quantifiers pseudo clefts questions and distributed morphology Finally this book provides new empirical findings and enriches the descriptions made about Portuguese and Spanish Spoken in the Americas by providing new generalizations new data and new statistical evidence that help better understand the nature of such variation The studies contained in this book show a vast array of new phenomena in these young varieties offering empirical and theoretical windows to language variation and change **Deconstructing Ergativity** Maria Polinsky,2016-04-12 Building upon

theoretical innovations and extensive empirical findings this book explains variation in the syntactic behavior of ergative arguments across languages It offers a new analysis of ergativity by recognizing two distinct types PP ergative and DP ergative languages Each type is characterized by a set of correlated features which result in structural consistency

Adverbial Resumption in Verb Second Languages Karen De Clercq,Liliane Haegeman,Terje Lohndal,Christine

Meklenborg,2023 While Verb third V3 patterns have long been studied in verb second V2 languages a similar pattern in which an initial adverbial constituent is resumed by a clause internal element has been much less studied The latter is referred to as adverbial resumption and it also has the character of being a V3 phenomenon Therefore the pattern is labelled adverbial V3 resumption or adverbial V3 The present volume is an up to date overview of the subject featuring case studies of individual languages that display certain patterns of V3 The authors discuss this pattern in relation to several different languages addressing among other things issues of microvariation in contemporary varieties and diachronic variation The book covers Medieval Romance Old Italian Old English diachronic and synchronic varieties of German varieties of Flemish and Dutch Icelandic varieties of Swedish and Norwegian Through analyses of adverbial resumptive V3 orders in Germanic and Romance the contributors explore the nature of V2 while adverbial resumption only occurs in varieties that observe the V2 rule in itself it leads to apparent violations of linear V2 order namely to V3 orders Adverbial Resumption in Verb Second Languages provides comparative analyses which touch upon the nature of sentence external versus sentence internal adjuncts and the fine grained architecture of the clausal functional hierarchy These papers constitute a valuable contribution to the theoretically important topics of V2 and V3 that will be of interest to comparative linguists Germanic linguistics Romance linguists and anyone working on formal grammar in general

Variation in P Jacopo Garzonio, Silvia Rossi, 2020 Variation in P is an essential follow up to the seminal proposals of the generative tradition regarding prepositional syntax Recent research shows that prepositional phrases have a complex internal structure and that the grammatical encoding of locative meaning has its own place in universal grammar The papers collected in the first part of this volume not only test these proposals against new comparative data but also shed light on the relation between spatial expressions and other semantic relations like possession The second part of the volume explores the role of prepositions in non spatial environments as well as in more general phenomena like verbal affixation ellipsis and complementation By drawing on evidence from less studied languages and by considering prepositional syntax in interaction with clausal syntax as well as within prepositional phrases Variation in P refines and develops theories introduced by previous generative studies **A**

^A Unified Theory of Polarity Sensitivity Ahmad Alqassas, 2021-04-16 This book examines polarity sensitivity a ubiquitous phenomenon involving expressions such as anybody nobody ever never somebody and their counterparts in other languages In this book Ahmad Alqassas proposes a unified approach by examining the interaction between the various types of polarity sensitivity Drawing on data from Standard Arabic and the major regional dialects represented by Jordanian Egyptian Moroccan and Qatari the book provides a new perspective on the syntax semantic interface and develops a unified syntactic analysis for polarity sensitivity **Questions of Syntax** Richard S. Kayne, 2019-03-22 There are far more syntactically distinct languages than we might have thought yet there are far fewer than there might have been Questions of Syntax collects sixteen papers authored by Richard S Kayne a preeminent theoretical syntactician who has sought over the course of

his career to understand why both these facts are true With a particular emphasis on comparative syntax these chapters collectively consider how wide a range of questions the field of syntax can reasonably attempt to ask and then answer At issue among other topics are the relation between syntax and certain aspects of semantics the relation between syntax and what appear to be lexical questions the relation between syntax and morphology the relation between syntax and certain aspects of phonology insofar as silent elements and their properties play a substantial role and the extent to which comparative syntax can provide new and decisive evidence bearing on these different kinds of questions To Kayne comparative syntax can shed light on what may initially seem lexical questions and antisymmetry on the evolution of human language itself Taken as a whole these essays elucidate the theoretical contributions of one the most influential scholars in linguistics

Locality and Logophoricity Isabelle Charnavel, 2019-10-23 In many languages reflexives like English herself exhibit a puzzling dual behavior they must either obey structural constraints or perspective related discourse constraints Based on detailed examination of crosslinguistic data this book proposes a unified solution to this syntax semantics issue which has consequences for the theories of binding and logophoricity

The Linker in the Khoisan Languages Chris Collins, 2019 The linker introduces links a variety of expressions into the verb phrase including locatives the second object of a double object construction the second object of a causative instruments subject matter arguments and adverbs This volume collects together Chris Collins's published work on the linker in the Khoisan languages Here Collins offers a systematic description of the linker in IHo Ju hoan N uu and to a lesser extent Xo and Xam For each language Collins illustrates various uses of the linker drawing attention to cross linguistic generalizations as well as to variation between the languages The work presented in this volume should be of interest to researchers working in a wide variety of syntactic frameworks on different languages of the world

Exploring Nanosyntax Lena Baunaz, Liliane Haegeman, Karen De Clercq, Eric Lander, 2018-05-01 By offering the first in depth introduction to the framework of nanosyntax Exploring Nanosyntax fills a major gap in current theoretical literature The volume contains original contributions by senior and junior researchers in the field and will also constitute an ideal handbook for advanced students and researchers in linguistics

What are (Un)Acceptability and (Un)Grammaticality? How do They Relate to One Another and to Interpretation? Susagna Tubau, Urtzi Etxeberria, Viviane Marie Deprez, M. Teresa Espinal, 2021-01-11

Rethinking Parameters Luis Eguren, Olga Fernandez-Soriano, Amaya Mendikoetxea, 2016-01-15 Parameters of linguistic variation were originally conceived within the chomskyan Principles and Parameters Theory as UG determined options that were associated with grammatical principles and had a rich deductive structure This characterization of parametric differences among languages has changed significantly over the years especially so with the advent of Minimalism This book collects a representative sample of current generative research on the status origin and size of parameters Often taking diverging views the papers in the volume address some or all of the main debated topics in parametric syntax i e are parameters provided by UG or do they constitute

emergent properties arising from points of underspecification in which components of the language faculty are parameters to be found do clustering effects actually hold across languages do macroparameters exist alongside microparameters are there parameter hierarchies which is the origin and role of parameters in the process of language acquisition The volume is organized into two parts Part I The nature of variation and parameters brings together studies whose main goal is to discuss general issues related to parameters or variation more generally Part II Parameters in the analysis of language variation case studies includes a number of works that deal with the empirical basis and proper formulation of well known particular parameters the Null Subject Parameter the NP DP Parameter the Compounding Parameter the Wh Parameter and the Analyticity Parameter

Dravidian Syntax and Universal Grammar K.A. Jayaseelan, R. Amritavalli, 2017-07-13 This volume comprises twenty eight papers selected from the widely known work of K A Jayaseelan and R Amritavalli on Dravidian Collectively these papers cover the entire area of Dravidian syntax they range from broad questions such as sentence structure and word order to more particular questions such as the morphological basis of anaphora the genesis of lexical categories the morpho syntax of quantifiers and the syntax and semantics of questions Important universalist claims are embedded in these essays for this reason this volume will be of interest also to a student of the general theory of syntax No future discussion of Dravidian or South Asian languages is possible without taking into account the insightful analyses set forth in these pages

Nominal Arguments and Language Variation Li Julie Jiang, 2021 Nominal Arguments in Language Variation investigates nominal arguments in classifier languages refuting the long held claim that classifier languages do not have overt article determiners Li Julie Jiang brings the typologically unique Nuosu Yi a classifier language that has an overt definite determiner D to the forefront of the theoretical investigation By comparing nominal arguments in Nuosu Yi to those in Mandarin a well studied classifier language that has no overt evidence of an article determiner Jiang provides new accounts of variation among classifier languages and extends the parameters to argument formation in general In addition to paying particular attention to these two classifier languages the discussion of nominal arguments also covers a wider range of classifier languages and number marking languages from Romance Germanic and Slavic to Hindi Using a broad cross linguistic perspective and detailed empirical analysis Nominal Arguments in Language Variation is an important contribution to research on classifier languages and the fields of theoretical syntax semantics language variation and linguistic typology

The Architecture of Determiners Thomas Leu, 2015 Work in morphology is typically concerned with productive word formation and regular inflection in any event with open class categories such as verbs nouns and adjectives and their various forms The Architecture of Determiners by contrast is devoted to a set of function words the closed class of determiners While it is traditionally assumed that function words are syntactically atomic Thomas Leu shows that a comparative perspective on a series of determiners each insistently vivisected into its minimal morphotactic segments reveals an anatomy with properties analogous to clausal syntax including a lexical an inflectional and left peripheral layer as well as transformational

relations among constituents Leu argues that determiners are extended adjectival projections with a closed class minimal stem Leu focuses on Swiss German and German using other Germanic and non Germanic languages as a comparative domain His discussion of the internal structure of determiners includes demonstratives ch 2 distributive quantifiers ch 4 possessive and negative determiners ch 5 and interrogative determiners such as *was für* ch 6 His main claim that all of these involve extended adjectival projections connects naturally to a discussion of adjectival determiner inflection in German Chapter 3 addresses the oft debated strong versus weak agreement alternation in a novel way proposing that the adjective moves within its own extended projection in a way akin to verb movement to C in the clause This accounts for the central facts of nominative and accusative inflection Chapter 7 then addresses dative and genitive morphology setting them syntactically apart from adjectival determiner inflection in a way that leads to a surprising account of most of the systematic meta syncretism patterns in German adjectival inflection

The Enthralling World of Kindle Books: A Thorough Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of access, have liberated readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or meticulously searching for specific titles in shops. E-book devices, stylish and portable, effortlessly store an extensive library of books, allowing readers to immerse in their preferred reads anytime, everywhere. Whether commuting on a bustling train, lounging on a sunny beach, or just cozying up in bed, Kindle books provide an exceptional level of ease. A Literary Universe Unfolded: Discovering the Wide Array of Kindle Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax The E-book Shop, a virtual treasure trove of literary gems, boasts an wide collection of books spanning diverse genres, catering to every readers taste and preference. From captivating fiction and thought-provoking non-fiction to timeless classics and contemporary bestsellers, the E-book Store offers an unparalleled variety of titles to explore. Whether looking for escape through immersive tales of fantasy and adventure, diving into the depths of historical narratives, or expanding ones knowledge with insightful works of scientific and philosophical, the Kindle Shop provides a doorway to a bookish world brimming with limitless possibilities. A Transformative Force in the Literary Scene: The Enduring Impact of E-book Books Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax The advent of Kindle books has unquestionably reshaped the literary landscape, introducing a paradigm shift in the way books are published, distributed, and read. Traditional publishing houses have embraced the online revolution, adapting their approaches to accommodate the growing demand for e-books. This has led to a rise in the availability of Kindle titles, ensuring that readers have access to a wide array of literary works at their fingers. Moreover, E-book books have equalized entry to books, breaking down geographical barriers and offering readers worldwide with equal opportunities to engage with the written word. Regardless of their place or socioeconomic background, individuals can now engross themselves in the intriguing world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax Kindle books Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax, with their inherent ease, versatility, and wide array of titles, have unquestionably transformed the way we experience literature. They offer readers the freedom to discover the boundless realm of written expression, whenever, everywhere. As we continue to navigate the ever-evolving online scene, E-book books stand as testament to the persistent power of storytelling, ensuring that the joy of reading remains accessible to all.

Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax Introduction

In the digital age, access to information has become easier than ever before. The ability to download Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax has opened up a world of possibilities. Downloading Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific

websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax is one of the best book in our library for free trial. We provide copy of Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax in digital format, so the

resources that you find are reliable. There are also many Ebooks of related with Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax. Where to download Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax online for free? Are you looking for Micro Syntactic Variation In North American English Oxford Studies In Comparative Syntax PDF? This is definitely going to save you time and cash in something you should think about.
