Yanos, 2018-01-11 *Written Off* tells the story of how mental health stigma comes to have a profound impact on the lives of people diagnosed with mental illnesses. It reviews theory, research, and history, illustrated with a multitude of personal stories in four major areas. These areas are the prevalence and predictors of negative attitudes and behaviors toward mental illness; the impact of community attitudes and behaviors on the self-perceptions of people diagnosed with mental illness; the impact of self-perceptions on the community participation of people diagnosed with mental illness; and how to change self-perceptions through a variety of approaches.

Student Engagement in Higher Education Stephen John Quaye, Shaun R. Harper, 2014-08-15 *Student Engagement in Higher Education* fills a longstanding void in the higher education and student affairs literature. In the fully revised and updated edition of this important volume, the editors and chapter contributors explore how diverse populations of students experience college differently and encounter group-specific barriers to success. Informed by relevant theories, each chapter focuses on engaging a different student population, including low-income students, students of color, international students, students with disabilities, LGBT students, religious minority students, student athletes, homeless students, transfer students, commuter and part-time students, adult learners, student veterans, and graduate students. The forward-thinking practical strategies offered throughout the book are based on research and the collected professional wisdom of experienced educators and scholars at two-year and four-year institutions of higher education. Current and future faculty administrators and student affairs staff will undoubtedly find this book complete with fresh ideas to reverse troubling engagement trends among various college student populations. *Teaching respect for all: implementation guide* UNESCO, 2014-07-14

Aging Angry Amanda Smith Barusch, 2024 Never before in the history of humanity have so many people lived to be so very old. Throughout our past, a few individuals might have made it to old age, but mass aging is a new concept for the human species. *Compassionate Love in Intimate Relationships* Josiane M. Apollon, 2021-12-29 Drawing on interviews conducted with Black couples in the United States, this book explores relational resilience and identifies unique adaptation strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activate compassionate love in flourishing relationships. By applying Appreciative Inquiry (AI) methodology and family systems theory, the book captures the spiritual, emotional, and sexual dimensions in Black couple systems that gives meaning to their resilient relationships in the context of contemporary America. Within the framework of compassionate love, the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma-informed studies and interventions. Using genetic studies and empirical evidence, the volume contributes significantly to discussion around Black relationships and historical trauma and to the broader challenges within race relations in the United States. This book will benefit researchers, academicians, and clinicians with an interest in sexual trauma, marriage, and family therapy, and couples counseling more broadly. Readers will also find this book useful when designing research in Black studies, intergenerational
