The Foundations of Macroeconomics by Bade and Parkin fifth edition shines with a well-targeted content adjustment. In-text examples, dynamic chapter openers, and applications contain compelling content and real-world issues. We elevated MyEconLab (MEL) and integrated the story to ensure that it is a more visual feature. This edition capitalizes on the seamless connection between the text and the e-environment to highlight how the authors' emphasis on continuous practice is integrated throughout the entire Bade and Parkin learning system. The fifth edition MyEconLab course and the accompanying print supplements were written in tandem with the textbook.
