the bog's transformations throughout the seasons Through each chapter the author searches for the moments of greatest consequence to him from his parents' escape from Hitler's Vienna to his time spent studying in Germany and from meeting his future wife and becoming a parent to his adventures in Mexico Set in a place where city is left behind for rural space *Bog Tender* is about home and the intricate connections that evolve under and above the water Island Genres, Genre Islands Ralph Crane, Lisa Fletcher, 2017-02-03 *Island Genres, Genre Islands* moves the debate about literature and place onto new ground by exploring the island settings of bestsellers Through a focus on four key genres: crime fiction, thrillers, popular romance fiction, and fantasy fiction Crane and Fletcher show that genre is fundamental to both the textual representation of real and imagined islands and to actual knowledges and experiences of islands The book offers broad comparative readings of the significance of islandness in each of the four genres as well as detailed case studies of major authors and texts These include chapters on Agatha Christie's islands, the role of the island in Bondspace, the romantic islophilia of Nora Roberts's *Three Sisters* Island series, and the archipelagic geography of Ursula Le Guin's *Earthsea* Crane and Fletcher's book will appeal to specialists in literary studies and cultural geography as well as in island studies *Always Love a Villain on San Juan Island* Sandy Frances Duncan, George Szanto, 2013-09-17 In the fourth mystery in the *Islands Investigations* International series Noel Franklin and Kyra Rachel are called to Moresby University on San Juan Island to investigate a case of possible plagiarism As they look into the theft, the two get to know the small island's university They soon discover another more menacing crime: the daughter of a professor engaged in highly sensitive research has been kidnapped And her ransom is a piece of intellectual property far greater than any manuscript While Noel and Kyra navigate the murky waters of university politics and come closer to discovering the origins of the crimes and their perpetrators, their lives are first threatened and then terrorized Kyra, an insurance investigator, and Noel, a former journalist, pair up their sleuthing skills once again in *Always Love a Villain on San Juan Island* as they investigate crimes and mysteries in the Pacific Northwest
