Chasing Peace Tom Rosshirt,2025-01-21 Chasing Peace is a guide for turning emotional breakdowns into breakthroughs with the insights of modern neuroscience It s the story of a lifelong seeker who suffered years of escalating depression and anxiety then discovered that the latest practices from brain science offered a path to the peace he longed for AN OPEN FIELD PUBLICATION FROM MARIA SHRIVER Tom Rosshirt like millions of people chasing peace put his faith in the scripture of our culture we find peace by becoming who we want to be So Tom aimed high worked hard and excelled But instead of peace he experienced debilitating anxiety depression and discouraging bouts of brain fog that forced him out of his life He was one of a rising number of people now getting sidelined by conditions doctors can t cure

Many sufferers never find their way back but Tom got lucky After another dead end session with a psychiatrist Tom heard about self directed neuroplasticity a daily practice of retraining the brain based on the discovery that pain and illness often start in the brain s neural circuits and what the brain learns the brain can unlearn After months of using this approach Tom began to see an alignment between neuroplasticity and the principles of spiritual practice Reversing the patterns that made him ill did more than make him well it opened the path from stress to peace from striving to be who we want to be to becoming who we are Brimming with hope Chasing Peace is for anyone who is sick of chasing peace but might be willing to read one more book **The Connection Between Your Five Organ Energies, Genetics, and Cancer** Harold

Lee, 2025-03-06 Cell based treatment is sometimes misinterpreted which is why organ based diagnosis should be prioritized Initially one should focus on macro diagnosis to assess the organ then examine the tissue dermal layer and finally analyze the cell based symptoms This approach provides a more accurate direction for diagnosing diseases This book offers a method for measuring the energy balance of your five organs based on your birth date providing a wealth of information It helps you understand your genetic predisposition for each organ and examines the interrelationships among them You will learn how to score the energy levels identifying which organs have excess energy scoring over 30 points and which are deficient scoring less than 10 points Additionally this book explains how to understand the dynamic relationships among your five organ energy balances and how to identify potential health issues *Happy at Any Cost* Kirsten Grind, Katherine Sayre, 2023-03-14

From award winning Wall Street Journal reporters a startling portrait of one of our greatest tech visionaries Zappos CEO Tony Hsieh Robert Kolker author of Hidden Valley Road reporting on his short life untimely death and what that means for our pursuit of happiness Tony Hsieh CEO of Zappos Las Vegas developer and beloved entrepreneur was famous for spreading happiness He lived and breathed this philosophy instilling an ethos of joy at his company outlining his vision for a better workplace in his New York Times bestseller Delivering Happiness He promoted a workplace where bosses treated employees like family members where stress was replaced by playfulness and where hierarchies were replaced with equality and collaboration His outlook shaped how we work today Hsieh also aspired to build his own utopian cities pouring millions of dollars into real estate and small businesses first in downtown Las Vegas Nevada where Zappos is headquartered and then in Park City Utah He gave generously to his employees and close friends including throwing notorious Zappos parties and organizing gatherings at his home an Airstream trailer park When Hsieh died suddenly in late 2022 the news shook the business and tech world Wall Street Journal reporters Kirsten Grind and Katherine Sayre discovered Hsieh s obsession with happiness masked his darker struggles with addiction mental health and loneliness In the last year of his life he spiraled out of control cycling out of rehab and into the waiting arms of friends who enabled his worst behavior even as he bankrolled them from his billion dollar fortune Happy at Any Cost sheds light on one of our most creative yet vulnerable business leaders It s about our intense need to find happiness at all costs our misguided worship of entrepreneurs the stigmas still

surrounding mental health and how the trappings of fame can mask all types of deeper problems In turn it reveals how we conceptualize success and define happiness in our modern age     The Well-Being In You Joanna Hill,2024-02-09 The Well Being in You How 3 Simple Principles Can Help You Tune into Your Innate Psychological Health and Thrive is a love letter and a simple manual to manage life s challenges and thrive in an abundance of opportunity This book is a conversation that brings out what you already have inside Personal and client stories and reflection questions give you ah ha moments transforming how you feel day to day By exploring well being you ll be able to experience it more deeply and often and to know what gets in the way We all struggle at times We get overwhelmed by decisions or lost in what feel like bigger problems Whether you can t shake a sense of fear worry anxiety or depression or you simply want to feel better about your relationships work and the world this book is your companion and guide to deeper peace of mind energy and clarity And it doesn t require what you might think The Well Being in You explains that there s nothing you have to do but let go of what you think you know and you can find a new baseline of well being Realizing that you have a psychological operating system is the quickest way to allow well being to work for you You will learn to Know what well being really is Notice you already have well being and trust it in yourself and others Get out of your own way Use your thinking intellect and intuition effectively befriend feelings and be mindful of moods Ease into motivation purpose and flow How does having a new baseline of well being feel People are in awe of how different and limitless they can feel For example you ll notice a sense of relief calm and okay ness Self compassion and confidence become your springboard for tasks and life changes Flow brings just right ideas empowering insights and clear next steps for decisions and challenges Resilience worthiness and connection even if they previously felt impossible to achieve are naturally yours Your own bliss and genius lead the journey for your benefit and the world s YOU ARE ALWAYS at most A MOMENT AWAY FROM WELL BEING no matter what Well being is yours to tap into You just need to know how it works Book Review 1 This book is a breath of fresh air There s no fixing to be done Rather the author shows how readers already have the gift of well being within and it s easier to access than we might imagine Dr Andrea Jang Acupuncture Functional Medicine Book Review 2 The Well Being in You has brought more lightness and joy to my work and personal life The results are transformative Kellie Simon Deputy Public Defender Alameda County California Book Review 3 A simple clear and accessible way to tap into well being and quiet the noise in your head At a moment with an overabundance of well being products and programs on the market Hill s book enlightens us with a refreshingly new perspective Well written calm and uniquely empowering Hill is onto something great A book that anyone would gain from reading Saroya Friedman Gonzalez President CEO Greater New York Councils BSA     Chained to the Desk in a Hybrid World Bryan E.
