New Bedford Highway Killer:

Shallow Graves Maureen Boyle, 2017-09-05 Eleven women went missing over the spring and summer of 1988 in New Bedford Massachusetts an old fishing port known as the Whaling City where Moby Dick Frederick Douglass textile mills and heroin dealing represent just a few of the many threads in the community's diverse fabric In *Shallow Graves* investigative reporter Maureen Boyle tells the story of a case that has haunted New England for thirty years The Crimes The skeletal remains of nine of the women aged nineteen to thirty six were discovered near highways around New Bedford Some had clearly been strangled others were so badly decomposed that police were left to guess how they had died The Victims All the missing women had led troubled lives of drug addiction prostitution and domestic violence including Nancy Paiva whose sister was a hard working employee of the City of New Bedford and Debra Greenlaw DeMello who came from a solidly middle class family but fell into drugs and abusive relationships In a bizarre twist Paiva's clothes were found near DeMello's body The Investigators Massachusetts state troopers Maryann Dill and Jose Gonsalves were the two constants in a complex cast of city county and state cops and prosecutors They knew the victims the suspects and the drug and crime riddled streets of New Bedford They were present at the beginning of the case and they stayed to the bitter end The Suspects Kenneth Ponte a New Bedford attorney and deputy sheriff with an appetite for drugs and prostitutes landed in the investigative crosshairs from the start He was indicted by a grand jury in the murder of one of the victims but those charges were later dropped Anthony DeGrazia was a loner who appeared to fit the classic serial killer profile horrific childhood abuse charming charismatic but prone to bursts of violence He hunted prostitutes in the city by night and served at a Catholic church by day Which of these two was the real killer Or was it someone else entirely Maureen Boyle first broke the story in 1988 and stayed with it for decades In *Shallow Graves* she spins a riveting narrative about the crimes the victims the hunt for the killers and the search for justice all played out against the backdrop of an increasingly impoverished community beset by drugs and crime Drawing on more than one hundred interviews along with police reports first person accounts and field reporting both during the killings and more recently *Shallow Graves* brings the reader behind the scenes of the investigation onto the streets of the city and into the homes of the families still hoping for answers

Killing Season Carlton Smith, 2017-08-29 A New York Times bestselling journalist traces a string of unsolved murders and the botched investigation that let the New Bedford Highway Killer walk away Over the course of seven months in 1988 eleven women disappeared off the streets of New Bedford Massachusetts a gloomy drug addled coastal town that was once the whaling capital of the world Nine turned up dead Two were never found And the perpetrator remains unknown to this day How could such a thing happen How in what was once one of America's richest cities could the authorities let their most vulnerable citizens down this badly As Carlton Smith a Pulitzer Prize finalist for his coverage of the Green River Killer case demonstrates in this riveting account it was the inability of police officers and politicians alike to set aside their personal agendas that let a psychopath off the hook In *Killing Season*

Smith takes readers into a close knit community of working class men and women an underworld of prostitution and drug abuse and the halls of New England law enforcement to tell the story of an epic failure of justice Michael Newton,2004-01-01 *Serial Killers Who Were Never Caught* Jonathan Rignall,2021-10-27 *Serial Killers Who Were Never Caught* is full of darkly fascinating profiles of the many shadowy and harrowing serial killers who proved so frustratingly elusive they were never brought to justice for their grisly and gruesome crimes What follows is a ghoulish gallery of the most mysterious and terrifying killers of all time **Serial Killer Chic** Gary S.
