Creative Community Don Adams, Arlene Goldbard, 2005 A text only edition this work is a complete guide to community cultural development theory and practice

The Culture of Possibility Arlene Goldbard, 2013 Van Jones said it well If we re going to end this fiscal madness and start rebuilding America we re going to have to get creative We need a tsunami of music film poetry and art The Culture of Possibility shows us how creativity can take our story back from Corporation Nation tilting the culture towards justice equity and innovation I urge you to read this book We are in the midst of seismic cultural change In the old paradigm priorities are shaped by a mechanistic worldview that privileges whatever can be numbered measured and weighed human beings are pressured to adapt to the terms set by their own creations How we feel how we connect how we spend our time how we make our way and come to know each other these are all part of the scenery In the new paradigm things are given their true value People care passionately about how they and the things they value are depicted They revive themselves after a long workday with music or dance by making something beautiful for themselves or their loved ones by expressing their deepest feelings in poetry or watching a film that never fails to comfort In the new paradigm it is understood that culture prefigures economics and politics it molds markets and it expresses and embodies the creativity and resilience that are the human species greatest strengths The bridge between paradigms is being built by artists and others who have learned to deploy artists cognitive imaginative empathic and narrative skills The bridge is made of the stories that the old paradigm can t hear the lives that it doesn t count the imagined future it can t encompass Using first person stories drawing on both history and headlines embracing new knowledge from education medicine cognitive science spirituality politics and other realms The Culture of Possibility shows why how and where we can build a bridge to a sustainable future

Asset Assessments and Community Social Work Practice Melvin Delgado, Denise Humm-Delgado, 2013-01-18 Needs assessments identify the needs for services answering questions about who needs these services and in what priority Asset assessments focuses on existing resources combining both needs and asset assessments helps find the gaps in these services and is useful to organizations and communities Assets assessments differ dramatically

from their needs assessments counterparts along a variety of key dimensions Asset assessments generally attempt to 1 focus on capacities rather than problems needs 2 actively seek community participation and develop collaborative partnerships 3 seek to tap and enhance community competencies 4 seek to equalize power between residents and professionals 5 be proactive rather than reactive to problems and 6 stress community contributions and ownership of the process and are thus empowerment driven

Communities, Performance and Practice Kerrie Schaefer, 2022-04-07 This book examines how a predominantly negative

view of community has presented a challenge to critical analysis of community performance practice The concept of community as a form of class based solidarity has been hollowed out by postmodernism s questioning of grand narratives and poststructuralism s celebration of difference Alongside the critique of a notion of community has been a critical re-signification of community following the thinking of philosopher Jean Luc Nancy who conceives of community not as common being but as being in common The concept of community as being in common generates questions that have been taken up by feminist geographers J K Gibson Graham in theorising a post capitalist approach to community based development These questions and approaches guide the analyses in researched case studies of community performance practice The book revises theoretical debates that have defined the field of community theatre and performance It asks how the critical re-signification of community aligns with these debates and at the same time opens new modes of critical analysis of community theatre and performance practice *The Oxford Handbook of Community Music* Brydie-Leigh Bartleet, Lee Higgins, 2018

Community music as a field of practice pedagogy and research has come of age The past decade has witnessed an exponential growth in practices courses programs and research in communities and classrooms and within the organizations dedicated to the subject The Oxford Handbook of Community Music gives an authoritative and comprehensive review of what has been achieved in the field to date and what might be expected in the future This Handbook addresses community music through five focused lenses contexts transformations politics intersections and education It not only captures the vibrant dynamic and divergent approaches that now characterize the field but also charts the new and emerging contexts practices pedagogies and research approaches that will define it in the coming decades The contributors to this Handbook outline community music s common values that center on social justice human rights cultural democracy participation and hospitality from a range of different cultural contexts and perspectives As such The Oxford Handbook of Community Music provides a snapshot of what has become a truly global phenomenon Environmental Health Literacy Symma Finn, Liam R. O'Fallon, 2018-09-12 This book explores various and distinct aspects of environmental health literacy EHL from the perspective of investigators working in this emerging field and their community partners in research Chapters aim to distinguish EHL from health literacy and environmental health education in order to classify it as a unique field with its own purposes and outcomes Contributions in this book represent the key aspects of communication dissemination and implementation and social scientific research related to environmental health sciences and the range of expertise and interest in EHL Readers will learn about the conceptual framework and underlying philosophical tenets of EHL and its relation to health literacy and communications research Special attention is given to topics like dissemination and implementation of culturally relevant environmental risk messaging and promotion of EHL through visual technologies Authoritative entries by experts also focus on important approaches to advancing EHL through community engaged research and by engaging teachers and students at an early age through developing innovative STEM curriculum The significance of

theater is highlighted by describing the use of an interactive theater experience as an approach that enables community residents to express themselves in non verbal ways

The Faro Convention's role in a changing society Francesc Pla, Jovana Poznan, 2022-01-05 Council of Europe action in the field of cultural heritage targets promoting diversity and dialogue through access to heritage to foster a sense of identity collective memory and mutual understanding within and between communities The year 2021 marks the 10th anniversary of the entry into force of the Framework Convention on the Value of Cultural Heritage for Society also known as the Faro Convention The present publication shows that what emerged back in 2005 as a truly innovative approach is still relevant today and can also have an impact on issues beyond its traditional realm This is illustrated through a set of articles that demonstrate the pertinence of the Faro Convention s approach to cultural heritage in addressing different aspects ranging from democratic participation to tourism rethinking The wide range of topics addressed and the numerous possibilities described by the various contributors suggest that the next ten years of the Faro Convention will be as challenging and rewarding as the decade that has elapsed since its entry into force
