Mercado,2016-03-25 To reaffirm capitalism and the free market without dodging questions of social responsibility we need a serious and academic reflection on the creation of sustainable and shared value The contributors to Free Markets with Sustainability and Solidarity present their reflections on evolving forms of economics All are unified by an holistic Christian anthropology

**Responsible Corporate Governance** Maria Aluchna,Samuel O. Idowu,2017-05-10 This book discusses the tasks and functions of corporate governance in the light of current challenges and the dynamics that arise from a broader approach to company management and the integration of corporate governance with corporate social responsibility CSR and sustainability Addressing the corporate governance shortcomings that are believed to have contributed to the recent financial crisis it explores the interplay between corporate governance and CSR and includes examples of company practice to show how such changes affect the practices of shareholders boards of directors and regulators In particular the book examines shareholders activities their different investment strategies specific reporting expectations and the submission of proposals to the annual meeting Further for boards of directors it explores the need to revise their tasks with respect to the criteria for executive appointments their corporate strategy performance measures and diversity recommendations while for directors it provides recommendations to reconsider the structure of executive pay and performance incentives Lastly for regulators the book investigates the need to introduce new laws addressing for instance the need for integrated reporting limiting the voice of short term oriented shareholders and providing guidelines for executive compensation *Chiara Lubich*

Maurizio Gentilini,2020-10-19 The New York Times called Chiara Lubich one of the most influential women in the Catholic Church And she was even more than that Her spirituality has touched millions of people worldwide from different Christian churches religions and cultural backgrounds On the 100th anniversary of her birth this new biography traces Chiara s story and the story of the Focolare Movement during the momentous upheavals in society and in the Church through the twentieth century and into the third millennium This biography aims at presenting Chiara Lubich s life and work from a historical perspective offering the reader a rich and well documented development of facts situations and experiences

**Wealth of Persons** John McNerney,2016-08-31 Thomas Piketty s Capital in the Twenty First Century initiated a great debate not just about inequality but also regarding the failures found in the economic models used by theoreticians and practitioners alike Wealth of Persons offers a totally different perspective that challenges the very terms of the debate The Great Recession reveals a great existential rift at the core of certain economic reflections thereby showing the real crisis of the crisis of economics In the human sciences we have created a kind of Tower of Babel where we cannot understand each other any longer The breakdowns occur equally on the personal social political and economic levels There is a need for an about face in method to restore harmony among dissociated disciplines Wealth of Persons offers a key to such a restoration applying insights and analysis taken from different economic scholars schools of thought philosophical traditions various disciplines and charismatic entrepreneurs Wealth of Persons aims at recapturing an adequate understanding of the acting human

person in the economic drama one that measures up to the reality The investigation is a passport allowing entry into the land of economic knowledge properly unfolding the anthropological meaning of the free economy

**Humanities as a Resource and Inspiration for Humanizing Business** Michael Thate,László Zsolnai,2023-08-08 This book highlights the relevance of the grand traditions of the humanities as an untapped resource for business world problems In a time where the humanities are viewed as in decline or in threat of collapse altogether this book enacts and extends the best of the humanities toward prevailing challenges within the complex realities of our current cultural moment The book presents how the humanities can contribute to humanizing business and management It explores and discusses various ways to integrate the views and approaches of the humanities in business and management research practice and education responding to the unprecedented challenges of the Anthropocene The relations between humanities and social sciences is also discussed as models and theories of business and management are based on insights of social sciences The book is an outcome of the Humanities for Business project of Princeton University Faith and Work Initiative the European SPES Institute Leuven and the Business Ethics Center of Corvinus University of Budapest It is of great value to researchers students policy makers and research institutions interested in using humanities for renewing and humanizing business and management

[A Journey in Social and Environmental Accounting, Accountability and Society](#) Maria-Gabriella Baldarelli,Mara Del Baldo,2020-02-24 For those interested in scientific and practical debate about social environmental and sustainable accountability the present volume provides such a discussion at the international level considering the different typologies of companies There is one common factor between the gas and oil sectors waste management and the economy of communion enterprises they must all be legitimated in a sustainable modern world in order for us to find a new paradigm and give the world the best chance of survival The contributors to this volume started to discuss these topics during the 7th Italian CSEAR conference held in Urbino Italy in 2018 and have continued the debate here in order to answer necessary questions which will help prevent further environmental destruction

*Christian Economic Ethics* Daniel K. Finn,2013-08-01 What does the history of Christian views of economic life mean for economic life in the twenty first century Here Daniel Finn reviews the insights provided by a large number of texts from the Bible and the early church to the Middle Ages and the Protestant Reformation to treatments of the subject in the last century Relying on both social science and theology Finn then turns to the implications of this history for economic life today Throughout the book invites the reader to engage the sources and to develop an answer to the volume s basic question

**Corporate Social Responsibility** Stephen Vertigans,Samuel O. Idowu,2016-08-02 This book highlights the multi faceted nature of corporate social responsibility and the need for greater engagement across academia to help develop the mechanisms needed to encourage socially responsible approaches across the board The product of a cross disciplinary collaboration of authors from various academic disciplines the book reflects the emergent diversity of academics now studying corporate social responsibility CSR Accordingly it includes contributions from

economists to social anthropologists from accountants to philosophers and from clinical psychologists to social geographers Together they provide new insights into aspects that challenge hinder and enable CSR practitioners and corporations with regard to their financial impact and accountability governance and supply chains The book is divided into four parts focusing on the practical sociological theoretical and environmental aspects of corporate social responsibility Gifts from Heaven Tom Hartman,Tom Hartmann,Mary Hartmann,2012 Those attracted by the way God s Providence works in the daily lives of real people will find Tom and Mary Hartmann s reflections to be priceless pearls of wisdom They describe how God s Providence has consistently pushed to reconsider what it means to truly believe in God s love in both the trials and joys of family life *Blue Labour* Ian Geary,Adrian Pabst,2015-09-23 In the aftermath of the global economic crisis and the worst recession for over seventy years Britain has witnessed one of the most turbulent eras in politics since the Second World War The dominant political and capitalistic system has come under close scrutiny and the 2008 financial crash has cast serious doubt on the economic and social liberalism of both Thatcherism and Blairism The Blue Labour movement addresses the fact that neither nationalisation nor privatisation has delivered lasting prosperity or stability Critiquing the dominance in Britain of a social cultural liberalism linked to the left and a free market liberalism associated with the right Blue Labour blends a progressive commitment to greater economic equality with a more conservative disposition emphasising personal loyalty family community and locality Seeking to move beyond the centrist pragmatism of Blair and Cameron this essential work speaks to the needs of diverse people and communities across the country It is the programme of a vital new force in politics one that could define the thinking of the next generation and beyond *A Creed for Tomorrow* Dorr, Donal,2020-12-02

Social Catholicism for the Twenty-first Century?--Volume 2 William F. Murphy,2024-09-19 This rich collection of essays by distinguished scholars from across the globe can be read as sketching key steps on the path toward working in solidarity to build a future worthy of the human family through a new social Catholicism These steps include a contemporary renewal of Christian humanism and of human rights while learning to live as authentic Christian witnesses in pluralistic societies after the end of Christendom They will also include working for a just and sustainable economic paradigm becoming missionary disciples with a continual orientation toward the marginalized and overcoming the plague of racism by working to build a constitutional democracy for every citizen This societal renewal will require fostering robust movements of social Catholicism apt for our age within which Catholics will pursue the Universal Call to Holiness through living their earthly vocations in a spirit of social friendship They will creatively employ social media to foster apostolates extending beyond borders In an age of dark clouds threatening dystopia a new social Catholicism will require a reinvigorated pastoral leadership that has come to appreciate the dangers of populism and the need to instead foster solidarity and incarnate Christian charity through a better kind of politics **Field Hospital** William T. Cavanaugh,2016 Compelling social perspectives from a prominent Catholic scholar Pope Francis in a 2013 interview famously likened the church to a field

hospital In this book William Cavanaugh adopts Pope Francis's metaphor to show how the church can help heal both the spiritual and the material wounds of the world As he examines the intersection of theology with themes of religious freedom economic injustice religious violence and other pressing topics Cavanaugh emphasizes that the church cannot condemn the evils of the world from a position of superiority Rather he says its practices of solidarity with humanity must be based on a profound recognition that the church shares in the guilt of human sin Cavanaugh's *Field Hospital* provides guideposts for a church that is willing to go outside of itself onto today's battlefields both metaphorical and literal not to inflict wounds but to bind them up and heal them
