**Keep Watching the Skies!** Bill Warren, 2009-11-30 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs, many rare, 35 in color, has seven useful appendices, and concludes with an enormous index. This book is also available in softcover format. ISBN 978 1 4766 6618 1

*Coming Back to a Theater Near You* Brian Hannan, 2016-06-14 In the Silent Era, film reissues were a battle between rival studios. Every Mary Pickford new release in 1914 was met with a Pickford re-release. For 50 years after the Silent Era, reissues were a battle between the studios who considered old movies found money and cinema owners who often saw audiences reject former box office hits. In the mid 1960s, the return of *The Bridge on the River Kwai* (1957), the second biggest reissue of all time, altered industry perceptions, and James Bond double features pushed the revival market to new heights. In the digital age, reissues have continued to confound the critics. This is the untold hundred-year story of how old movies saved new Hollywood. Covering the booms and busts of a recycling business that became its own industry, the author describes how the likes of Charlie Chaplin, Humphrey Bogart, and Alfred Hitchcock won over new generations of audiences and explores the lasting appeal of films like *Napoleon* (1927), *Gone with the Wind* (1939), *The Rocky Horror Show* (1975), and *Blade Runner* (1982).

*Foreign Films in America* Kerry Segrave, 2014-11-18 Foreign films once enjoyed a position of prominence on American theater screens. By the start of World War I, however, the United States film industry was strong enough to challenge that foreign presence, and foreign films in America have been insignificant ever since. For about a century, the Hollywood cartel has dominated the production, distribution, and exhibition of movies domestically and around the world. This work traces the history of the foreign film in America from its domination in the early days to its low standing in the present, looking at the attempts made by foreign producers to increase their presence on American cinema screens, the responses by Hollywood to those attempts, and the oligopoly of Hollywood's few producers. The work discusses the cultural differences between foreign artistic expression and the commercialism of the American film and analyzes Hollywood's explanations for the lack of a foreign presence. Americans have unique tastes; they don't like subtitles; foreign films are immoral or badly made; trade union pressure and so on. An appendix detailing the all-time gross earnings of foreign language films and a full bibliography conclude the work, which is illustrated with stills and posters.

George Kleine and American Cinema Joel Frykholm, 2015-10-29 George Kleine was a New York City optician who moved to Chicago in 1893 to set up an optical store. In 1896, he branched out and began selling motion picture equipment and films. Within a few years, he became America's largest film distributor and a pivotal figure in the movie business. In chronicling the career of this motion picture pioneer, including

his rapid rise to fame and fortune but also his gradual downfall after 1915 as the era of Hollywood began Joel Frykholm provides an in depth account of the emergence of the motion picture business in the United States and its development throughout the silent era Through the lens of Kleine s fascinating career this book explores how motion pictures gradually transformed from a novelty into an economic and cultural institution central to both American life and an increasingly globalised culture of mass entertainment
