About the Book

Besides their rich heritage, canonical texts are selected for study because of the wealth of available critical study and research materials. *Telltale: Eleven Stories*, however, being a newly prescribed O-level Singaporean text, does not enjoy such an advantage. This Study Companion attempts to address the gap. The Study Companion is written not just for students, but for all readers who enjoy the stimulating exchange of thoughts and ideas, as well as the imaginative connect between fiction and reality that comprises the study of Literature. We also hope it will provide a platform for deeper insight into and understanding of the stories' literary merits.

About the Author

In a teaching career spanning more than 20 years, Dennis Yeo has taught at primary schools, secondary schools and junior colleges. His positions include subject head (Literature), head of department (Pastoral Care & Career Guidance) and vice-principal of Pioneer Junior College. He is currently with the English Language and Literature Academic Group at the National Institute of Education, Singapore. His research interests include literature pedagogy, Gothic Literature and film. He strongly believes that Literature is integral to an appreciation of life and that the study of Literature should be promoted among students.
