Blue Guide New York 4e Carol Wright, 2008-08-12 Blue Guides Complete Cultural Guides This is the best researched best presented most comprehensive cultural guide to New York in the English language covering art history architecture and archaeology With background history and detailed scholarly descriptions of the neighbourhoods parks museums and landmarks that define the Big Apple Full colour throughout with detailed maps and diagrams Includes Blue Guides Recommended dining and accommodation suggestions Illustrations to inform rather than to decorate maps diagrams floor plans architectural details and photographs Often plagiarised by other guide writers Blue Guides have always been a gold standard for accuracy and depth Daily Telegraph Guide books in the grand tradition of thoroughness and objectivity Georgia Review

A Pocket Guide to Great Britain United States. Department of Defense, 1963

The Encyclopedia of New York City Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has

even a passing interest in the American metropolis **A Reader's Guide to Croatia** Lawrence D. Orton,1992 **The Tour Guide** Jonathan R. Wynn,2011-07-05 Everyone wants to visit New York at least once The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs The only problem is figuring out where to start and that's where the city's tour guides come in These guides are a vital part of New York's raucous sidewalk culture and as The Tour Guide reveals the tours they offer are as fascinatingly diverse and eccentric as the city itself Visitors can take tours that cover Manhattan before the arrival of European settlers the nineteenth century Irish gangs of Five Points the culinary traditions of Queens the culture of Harlem or even the surveillance cameras of Chelsea in short there are tours to satisfy anyone's curiosity about the city's past or present And the guides are as intriguing as the subjects we learn as Jonathan R Wynn explores the lives of the people behind the tours introducing us to office workers looking for a diversion from their desk jobs unemployed actors honing their vocal skills and struggling retirees searching for a second calling Matching years of research with his own experiences as a guide Wynn also lays bare the grueling process of acquiring an official license and offers a how to guide to designing and leading a tour Touching on the long history of tour giving across the globe as well as the ups and downs of New York's tour guide industry in the wake of 9 11 The Tour Guide is as informative and insightful as the chatty charming and colorful characters at its heart **Black and Blue** Carol Mavor,2012-09-25 Postwar French works that register disturbing truths about loss and regret and violence and history through aesthetic refinement anchor this exquisite image filled rumination on efforts to capture fleeting moments and comprehend the incomprehensible Hidden Landmarks of New York Tommy Silk,2024-10-22 Discover dozens of underappreciated landmarks and the stories behind them in this unique history on New York City written and photographed by Landmarks of NY creator Tommy Silk New York is a city of landmarks more than 37 000 of them Visitors and New Yorkers walk by hundreds of these landmarks daily often never knowing the rich history behind each of these buildings One of these New Yorkers Tommy Silk has been photographing and chronicling a landmarked building every day for the last five years on his Instagram account Landmarks of NY In Hidden Landmarks of New York Silk uncovers 120 of the city's oldest most unique and often relatively unknown landmarks and the hidden history behind them Whether it's an African Graveyard a stone's throw from City Hall the Truman Capote house in Brooklyn Heights that he claimed to own but actually just rented a room there for years or 4 Gramercy Park West the Greek Revival style townhouse that is rumored to be the home of Stuart Little each entry includes a picture of the landmark with a short informative description of its history and its past often well known inhabitants With 120 photographs beautifully designed in a portable book it's perfect for armchair perusal or to stash in your backpack while wandering around the city *The Blue Guide to Cuba* ,1946 A Writer's Companion Louis D. Rubin, Jr.,1995-09-01 In A Writer's Companion Louis D Rubin Jr has drawn on his years of accumulated wisdom as well as the advice of some fifty prominent writers from various fields to put together in a single volume a vast array of information Organized in such a way as to make it exceptionally easy

to use and enhanced by Rubin's graceful and witty prose *A Writer's Companion* will merit a place on the desk of every serious wordsmith. It is also a book that will bring endless hours of pleasure to anyone who enjoys reading simply for the sake of gaining new knowledge. As Casey Stengel said, "You could look it up." **New York Magazine**, 1992-08-31. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. *An Art Lover's Guide to Florence* Judith Testa, 2012-09-15. No city but Florence contains such an intense concentration of art produced in such a short span of time. The sheer number and proximity of works of painting, sculpture, and architecture in Florence can be so overwhelming that Florentine hospitals treat hundreds of visitors each year for symptoms brought on by trying to see them all, an illness famously identified with the French author Stendhal. While most guidebooks offer only brief descriptions of a large number of works with little discussion of the historical background, Judith Testa gives a fresh perspective on the rich and brilliant art of the Florentine Renaissance in *An Art Lover's Guide to Florence*. Concentrating on a number of the greatest works by such masters as Botticelli and Michelangelo, Testa explains each piece in terms of what it meant to the people who produced it and for whom they made it, deftly treating the complex interplay of politics, sex, and religion that were involved in the creation of those works. With Testa as a guide, armchair travelers and tourists alike will delight in the fascinating world of Florentine art and history. [A Guide to The Maximus Poems of Charles Olson](#) George F. Butterick, 2023-11-15. *A Guide to the Maximus Poems of Charles Olson* offers an essential companion to Olson's monumental and intricate *Maximus Poems*. This scholarly guide navigates the complexities of Olson's allusive and expansive verse, which spans themes from local Gloucester history to universal mythologies. With nearly 4,000 annotations, the guide meticulously decodes references to historical figures, literary works, geographical landmarks, and philosophical concepts. It moves line by line, offering insight into Olson's sources and intellectual framework, including his borrowings from Algonquin legends, Arabic angelology, and Whitehead's cosmology. Rich with unpublished material from Olson's papers, as well as letters, interviews, and classroom notes, the guide aims to equip readers with the tools to actively engage with Olson's text, uncovering its layered meanings through his principle of *istoria* to find out for oneself. Structured chronologically rather than alphabetically, the guide mirrors the progression of Olson's three-volume epic, weaving historical scholarship with interpretive clarity. Each annotation situates Olson's references in context, revealing the intricate interplay between history, myth, and the poet's life in Gloucester. The guide further illuminates Olson's creative process, tracing the evolution of his ideas through drafts, personal correspondences, and published works. Designed as both a reference and an entry point into Olson's ambitious poetic project, it not only deepens appreciation for *The Maximus Poems* but also serves as a model for literary scholarship, inviting readers to engage with Olson's world on their own.

intellectual journey This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980 *Guide to the Blue and John Crow Mountains* Margaret Hodges, 2008 The *Guide to the Blue and John Crow Mountains* tempts and excites the uninitiated informs and prepares the committed and provides a wonderful memoir for veterans of the experience of the National Park in Jamaica From cover to cover the reader is taken on a tour in time and space around and through the park Bulletin of the Public Library of the City of Boston ... Boston Public Library, 1919 **A Naturalist's Blue Ridge Parkway** David T. Catlin, 1984 Winding over the crests and through the valleys of the southern Appalachian highlands between Shenandoah and Great Smoky Mountains National Parks the Blue Ridge Parkway offers the traveler a natural spectacle unsurpassed for complexity and grandeur This book is a lively and compact on the spot guide to the region's features geological history and natural inhabitants from its plants insects and fish to its reptiles amphibians birds and mammals **Country** Richard Carlin, 2005 Presents brief entries covering the history significant artists styles and influence of country music **The Real North American Pocket Guide Book (from Official Sources) (number 11 of the Pocket Guides Known as "Black's Blue Books")** William Harman Black, 1926

The Chicago Guide to Your Academic Career John A. Goldsmith, John Komlos, Penny Schine Gold, 2010-04-15 Is a career as a professor the right choice for you If you are a graduate student how can you clear the hurdles successfully and position yourself for academic employment What's the best way to prepare for a job interview and how can you maximize your chances of landing a job that suits you What happens if you don't receive an offer How does the tenure process work and how do faculty members cope with the multiple and conflicting day to day demands With a perpetually tight job market in the traditional academic fields the road to an academic career for many aspiring scholars will often be a rocky and frustrating one Where can they turn for good frank answers to their questions Here three distinguished scholars with more than 75 years of combined experience talk openly about what's good and what's not so good about academia as a place to work and a way of life Written as an informal conversation among colleagues the book is packed with inside information about finding a mentor avoiding pitfalls when writing a dissertation negotiating the job listings and much more The three authors distinctive opinions and strategies offer the reader multiple perspectives on typical problems With rare candor and insight they talk about such tough issues as departmental politics dual career marriages and sexual harassment Rounding out the discussion are short essays that offer the inside track on financing graduate education publishing the first book and leaving academia for the corporate world This helpful guide is for anyone who has ever wondered what the fascinating and challenging world of academia might hold in store Part I Becoming a Scholar Deciding on an Academic Career Entering Graduate School The Mentor Writing a Dissertation Landing an Academic Job Part II The Academic Profession The Life of the Assistant Professor
