Pharisaism, Its Aim and Its Method R. Travers Herford, 2021-05-19 In Pharisaism Its Aim and Its Method R. Travers Herford delves deep into the intricate web of Pharisaic thought and practice offering a nuanced examination of its philosophical underpinnings and socio religious implications Through a meticulous analysis of primary texts and historical contexts Herford employs a scholarly yet accessible literary style that intertwines rigorous argumentation with a vivid portrayal of the social milieu of Late Antiquity This work not only situates Pharisaism within the broader narrative of Jewish history but also critically assesses its influence on early Christianity and modern religious discourse R Travers Herford was a distinguished scholar of Jewish studies and a prolific writer whose deep engagement with both Jewish and Christian traditions provided him unique insights into the dynamics of religious thought His academic journey marked by a profound interest in the intersections of faith culture and ethics drove him to explore the complexities of Pharisaism a tradition often misconstrued in both scholarly and popular portrayals Herford's extensive research and passion for uncovering the richness of Jewish heritage shaped this seminal work For scholars students and general readers alike Pharisaism Its Aim and Its Method offers a compelling inquiry into a foundational aspect of Western religious thought By enhancing our understanding of Pharisaism Herford not only elucidates its historical significance but also invites contemporary readers to ponder the enduring legacies of these ancient debates This book is essential for anyone seeking to grasp the complexities of religious evolution and interfaith dialogue Exegeting the Jews: The Early Reception of the Johannine "Jews" Michael Azar, 2016-04-18 In Exegeting the Jews The Early Reception of the Johannine Jews Michael G Azar analyzes the rhetorical function of the Gospel of John's Jews in the earliest surviving full length expositions of John in Greek Origen's Commentary on John 3rd cent John Chrysostom's Homilies on John 4th cent and Cyril of Alexandria's Commentary on John 5th cent While

scholarship often has portrayed the reception history Wirkungsgeschichte of the Gospel s Jews as simply and uniformly anti Jewish or antisemitic Azar demonstrates that these three writers primarily read John's narrative typologically employing the situation and characters in the Gospel not against contemporary Jews with whom they regularly interacted but as types of each patristic writer s own intra Christian struggle and opponents Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1906-1910 British Museum. Kampouris, 2022-01-27 Paul s letter to Philemon is one of the writings that seem likely as a common Hellenistic letter of the time In the letter to Philemon we find basic concepts of the author s theology on the issues of the slavery and human relationships What made Philemon a special letter is an appealing refined and sophisticated rhetorical style Another feature of Philemon is its originality and more remarkable is Paul s appeal to Philemon on behalf of Onesimus Paul writes as a prisoner of Christ but shows few details regarding the situation of his imprisonment Paul distinguishes Philemon s love and faith because he sees them as indissoluble Thus Philemon is a revealing text because it is the one New Testament letter that deals with a case of slavery Journal of Biblical and Pneumatological Research Paul Elbert, 2012-09-28 Journal of Biblical and Pneumatological Research VOLUME FOUR FALL 2012 The Journal of Biblical and Pneumatological Research JBPR is a new international peer reviewed academic serial dedicated to narratively and rhetorically minded exeges of biblical and related texts Potential topics include theological and pneumatological interpretation the role of spiritual experience with authorial canonical and contemporary contexts and the contextual activity of Ruach Yahweh Ruach Elohim and various identi cations of the Holy Spirit JBPR hopes to stimulate new thematic and narrative critical exploration and discovery in both traditional and under explored areas of research CONTENTS Editor s Overview of Volume 4 MARKUS LOSKER Seeing the Unseeable Speaking the Unspeakable From a Kenosis of Exegesis toward a Spiritual Biblical Theology ANDREAS HOECK S S D The Johannine Paraclete Herald of the Eschaton RIKU P TUPPURAINEN The Contribution of Socio Rhetorical Criticism to Spirit Sensitive Hermeneutics A Contextual Example Luke 11 13 LYLE STORY One Banquet with Many Courses Luke 14 1 24 PIETER DE VRIES Ezekiel Prophet of the Name and Glory of YHWH The Character of His Book and Several of Its Main Themes MARK SAUCY How Does the Holy Spirit Change Us A Review Essay Review of Elim Hiu Regulations Concerning Tongues and Prophecy in 1 Corinthians 14 26 40 Relevance beyond the Corinthian Church M Fred Haltom Review of Joseph Peter Becker Paul s Use of Xa rij in 2 Corinthians 8 9 An Ontology of Grace Rebecca Skaggs and Thomas Doyle Review of Manfred Baumert Nat rlich bernat rlich Charismen entdecken und weiterentwickeln Natural Supernatural Discovering and Developing Spiritual Gifts Wolfgang Vondey Review of Norbert Baumert Sorgen des Seelsorgers bersetzung und Auslegung des ersten Korintherbriefes Worries of Pastors Translation and Interpretation of First Corinthians Manfred Baumert and Paul Elbert Review of Gonzalo Haya Prats Empowered Believers The Holy Spirit in the Book of Acts Martin Mittelstaadt Lyle Story and James Shelton Paul. Founder

of Churches James Constantine Hanges, 2012 Expanded from the author's dissertation University of Chicago 1999 Α **Dictionary of Biblical Tradition in English Literature** David Lyle Jeffrey, 1992 Over 15 years in the making an unprecedented one volume reference work Many of today s students and teachers of literature lacking a familiarity with the Bible are largely ignorant of how Biblical tradition has influenced and infused English literature through the centuries An invaluable research tool Contains nearly 800 encyclopedic articles written by a distinguished international roster of 190 contributors Three detailed annotated bibliographies Cross references throughout Readina Ephesians and Colossians after Supersessionism Lionel J. Windsor, 2017-10-31 The apostolic mission from Israel to the nations forms the explicit framework for Ephesians and Colossians Yet the concrete dynamics of this mission seldom play any significant role in modern interpretation Scholars frequently approach these letters as if the Jew gentile dynamics inherent in the early Christ preaching mission are either irrelevant or are negated by the letters themselves. This book seeks to redress this deficiency Windsor approaches Ephesians and Colossians with an evangelical post supersessionist perspective By highlighting rather than downplaying Israel's special place in salvation history Windsor demonstrates that Jew gentile dynamics and missionary concerns are highly significant for understanding the overall argument of these two letters. The resulting readings offer a deeper appreciation of the biblical Israel centered contours in which the theological and ethical concerns of the letters are expressed Along the way Windsor demonstrates how certain texts in Ephesians and Colossians which are often read as evidence of a supersessionist perspective are capable of more fruitful and satisfactory post supersessionist interpretations He demonstrates that in these letters Christ does not negate Jewish distinctiveness Rather Christ's mission proceeds through Israel to the nations creating mutual blessing in the Messiah The Bible in History David W. Kling, 2022-12-19 Over 15 years after its original publication The Bible in History remains an essential examination of the symbiotic relationship between Scripture and the social and cultural contexts shaping its interpretation David W Kling traces the fascinating story of how specific biblical texts sometimes a single verse other times a selection of verses or chapters even books have at various times emerged to be the inspiration of movements that have changed the course of history Episodes range from Anthony s call to the desert and a life of monasticism after hearing Jesus s directive to the rich young rule to give up his possessions to the Anabaptists non violent ethic in following Jesus teaching in the Sermon on the Mount to the varied applications of the exodus motif in African American history This revised and expanded second edition adds two new chapters The first examines the text in Matthew 28 18 20 and considers the multitudinous interpretations before during and after the text emerged as the iconic Great Commission of missionary motivation in the modern period The second assesses those biblical texts that encompass the divisive and ongoing issue of male homosexuality Both chapters engage the question of how the texts have shaped the times but as Kling argues the times have also exerted an enormous impact on shaping the interpretation of the texts and hence on the continuing disputes over the meaning of those texts *Catalogue of the General* 

Theological Library, Boston, Massachusetts General Theological Library, 1913 They Went Out from Us Daniel R. Streett, 2011-01-27 By means of careful historical work and exeges is Streett argues that the secession mentioned in 1 John did not have to do with a later complex Christological issue such as docetism Cerinthianism or a devaluation of the historical life death of Jesus but rather concerned the foundational belief in the Messiahship of Jesus a tenet the secessionists had renounced in order to return to the Jewish synagogue He critiques the common maximalistic mirror reading approach to the letter as misguided and contends that the letter is primarily pastoral meant to comfort and reassure the community rather than to argue against the secessionists Streett's main contributions are his detailed examination of the ancient historical evidence especially the Patristic evidence for the Johannine opponents and his in depth and innovative exegesis of the key opponent passages 1 Jn 2 18 27 4 1 6 5 6 12 2 Jn 4 11 Christ and Culture in the New Testament James W. Thompson, 2023-04-04 Believers in an increasingly secular world face the challenge of responding to the cultural changes that have taken place in the past generation as Christians become a cognitive minority especially in the West Some attempt to restore the Christian culture of the past with political activism and others accommodate to the cultural changes Christians in a post Christian world can learn much from believers who lived in the pre Christian period The New Testament demonstrates that in a pluralistic and syncretistic world of religions Christian identity exists neither through absorption into the culture nor through total withdrawal but through dialogue and critique Dictionary of the Old Testament: Wisdom, Poetry & Writings Tremper Longman III, Peter Enns, 2010-05-11 Tremper Longman III and Peter E Enns edit this collection of 148 articles by over 90 contributors on Job Psalms Proverbs Ecclesiastes Song of Songs Lamentations Ruth and Esther
