Kings of the Diamond Robert T.

Diamond, 2008 *Kings of the Diamond* is based on historical events in Winnipeg in 1950 drawing on the city's great sporting heritage. The main storyline follows the 1950 season of the Northern Hotel team of the Twentieth Century Community Softball League, the powerhouse team that went on to play in the Western Canada Softball Championship that year under the direction of the story's chief protagonist, author Robert Diamond's father, Lazar Diamond. That legacy is brought to life in this story of the Diamond family and the Northern Hotel and of many of the players and principals of the Twentieth Century Community Softball League. The entire narrative builds inexorably towards the final championship game when 8,000 people crammed the Aberdeen School Grounds to watch it. *Kings of the Diamond* is the story of one of the most colourful chapters in the sporting and cultural history of Winnipeg and of the legendary characters who were the main players on this stage. It is also a story of family and friendships that survive tests of emotional strength, love and commitment and of how they find final vindication. From Winnipeg Mayor Sam Katz's foreword: Winnipeg had its share of larger-than-life characters in those days. The author aptly and authentically describes them all in this tale of Winnipeg sports and other games. Ex-pat Robert Diamond pays homage to his hometown offering fascinating insights into how Winnipeg earned its moniker, the Chicago of the North, and to a very special era in softball history.

Eric Lindros John Kreiser, 2015-05-27 A close-up look at the rising hockey star who plays for the Philadelphia Flyers.

Bench Bosses Matthew DiBiase, 2015-10-27 *Bench Bosses* celebrates the greatest NHL Coaches in the history of the game. *Bench Bosses* is filled with compelling biographical narrative, innovative analysis, historical allusion, hockey folklore, humour, heartbreak and tragedy. By introducing a creative new method for evaluating coaching success, professional historian and hockey columnist Matthew DiBiase settles many a debate. His hard-hitting prose and cogent analysis covers key aspects of coaching and definitively identifies the greatest offensive and defensive coaches. Expounds on the best penalty killing or power play coaches and delves into statistics to determine the nastiest squads on the ice. His unique assessment method determines his selection of the top fifty head coaches of all time. DiBiase's in-depth hockey research delivers a powerful, gripping and informative look at the game's best of the best. This seminal book tells the story behind the story of coaching success. It removes subjectivity and bias and provides a comprehensive overview of each coach's major career achievements and the contributions each has made to the game. In the writing of this book, the author personally interviewed many of the game's best-known coaches and their players to get the most accurate and complete perspective of the sport and its coaching elite.
