Nice African Textiles Karun Thakar Collection:

African Textiles Duncan Clarke, Miriam Ali de Unzaga, 2015 This book offers a fascinating journey through the history and culture of textiles in Africa drawn from the private collection of Karun Thakar widely considered to be one of the best in the world This collection of rare and exquisite textiles from Central Northern and West Africa includes weavings from Ghana Nigeria and the Ivory Coast embroideries veils and haiks from Morocco and Tunisia and raffia fabrics from Congo Organized by region each piece is dramatically photographed to highlight the extraordinary colors patterns and skill with which it was created Drawn from a collection consisting of over 4 000 pieces this book illustrates the most important textiles from the renowned collection The book provides not only a thrilling sample of timeless patterns and designs but also a historical perspective that deepens our understanding of the importance of woven materials in the African tradition [African Textiles](#) John Gillow, 2003-09 Traces a boy's journey across India as he searches for a sacred buffalo bell stolen from his tribe

Overshot Susan Falls, Jessica R. Smith, 2020-03 Woven coverlets have appeared in several guises within the history of folk textiles Created on four harness looms coverlets made in the nineteenth century American South typically featured colored wool and cotton threads woven into striking geometric patterns Although they are not as well known as other textiles and domestic objects overshot coverlets were and continue to be significant examples of material culture that require tremendous skill and creativity to produce They also express currents of conformity and dissent In addition to being pleasing to the eye and hand overshot coverlets have advanced a variety of social and political ends At times exhibited in slave quarters along the seaboard in Georgia and South Carolina in association with plantation properties they also appear in piedmont areas attached to the antebellum yeomanry in the context of nationalist craft revivals and in white box contemporary art With Overshot Susan Falls and Jessica R Smith analyze what we can learn by examining the exhibition and interpretation of these materials within American public history By showing how geometric overshot coverlets can be understood in relationship to the global economy and within politicized cultural movements Falls and Smith demonstrate how these erstwhile domestic utilitarian objects explode the art craft dichotomy belong to a rich narrative of historical art forms and tell us far more about American culture today than simply representing a nostalgic past particularly with regard to ideas about race class nationalism women's labor and the separation of private versus public spaces **African Textiles** Duncan Clarke, Vanessa Drake Moraga, 2022-10-25 A landmark volume on one of the world's major art forms and an important influence on contemporary fashion The African continent is home to numerous outstanding textile traditions many dating to antiquity and all playing a multifaceted role in their respective societies these eye catching fabrics proclaim wealth and status convey symbolic meanings and of course serve a practical function in garments both ordinary and exceptional This magnificent book conveys the amazing diversity of African textiles from the geometric patterned kente cloths of Ghana to the multicolor raffia skirts of the Democratic Republic of Congo to the beaded barkcloths once reserved for Ugandan royalty The
