# **ALTERNATE ORBITS**

A JOHN GRIMES NOVEL

# Nice Alternate Orbits Grimes Bertram Chandler

**A. Bertram Chandler**

## **Nice Alternate Orbits Grimes Bertram Chandler:**

**Alternate Orbits** A. Bertram Chandler, 2015-12-17 When Kinsolving's Planet crosses your path beware Commodore John Grimes would have done well to heed this warning But the evil magic of Kinsolving draws him on pulling him on a journey through the universes Is Grimes a swiftly facing literary ghost doomed to disappearance for the inadvertent theft of a meerschaum pipe Or is he a flesh and blood Commodore sailing the spaceways from world to world enjoying dangerous voyages to momentary safe ports It does not matter what role is the true John Grimes for none can protect him from the grasp of Kinsolving's Planet an abandoned colony which reaches out for man for the target John Grimes who is inexorably sucked toward his final destiny

**Spartan Planet** A. Bertram Chandler, 2015-12-17 John Grimes arrives on the forgotten planet Sparta where a birth machine produces only men generation after generation The strangely shaped men on his ship have a catastrophic effect

*When the Dream Dies* A. Bertram Chandler, 2015-12-17 ALAN KEMP HAD A DREAM FEW SPACEMEN EVER SAW COME TRUE BUT IN THE RIM WORLD ANYTHING IS POSSIBLE Alan Kemp was a man obsessed Stranded with his crew on the Rim planet Elsinore he saw a chance to realise that dream and took it When a gausjammer crash landed on Elsinore Kemp rebuild the second hand obsolete starship and set out to establish a shuttle between the Rim planets But before they reached their destination Kemp and his comrades were waylaid by an alien colony A colony inhabited by giant mechanical spiders who imprisoned their captives in a palace of pleasure where the chance or desire to escape is precisely zero

To Prime the Pump A. Bertram Chandler, 2015-12-17 El Dorado is a planet with a problem the men are infertile and the women are getting out of hand Its up to John Grimes to save them from deadly peril

**Bring Back Yesterday** A. Bertram Chandler, 2015-12-17 HAUNTED BY THE PAST JOHN PETERSEN WOULD GIVE ANYTHING TO TURN BACK THE CLOCK OR WOULD HE When Lightning blasts off without him Second Officer John Petersen is finished as far as Trans Galactic Clippers are concerned Branded a deserter stranded on Carinthia and desperate for a job there are very few places left to go The Rim Runners would have him they'll have anyone who's still warm and can flash some kind of certificate But there may be a less than unpleasant alternative Private detective Steve Vynalek needs Petersen Has a fanatical scientist on the planet Wenceslaus really found a way to beat the time travel problem a way to bring back yesterday The Presidents of Carinthia and Vynalek are convinced that Petersen is the only man for the job In the airless wastes of Wenceslaus Petersen finds himself reliving the past trapped in a terrible cycle of familiarity a cycle that only he can break

*The Rim of Space* A. Bertram Chandler, 2015-11-26 Derek Calver touches down on Lorn and is determined to join the Rim Runners to explore desolate planets He joins the crew of Lorn Lady and sets forth for Mellise inhabited by intelligent amphibians for Groller where the natives have just qualified as humanoids for Stree with its tea loving lizards and for Tharn home of a pre industrial civilization

**Nebula Alert** A. Bertram Chandler, 2015-12-17 The Italians were humanoid and technically free citizens of the Galactic Empire But as slaves they were prized above all others for they had the unique capacity to transmit acquired

knowledge through heredity And so when the space mercenary Wanderer was hired by GLASS Galactic League for the Abolition and Suppression of Slavery to take a cargo of Italians home it was going to be a simple task For one thing they d be hunted by interstellar slavers for their priceless passengers For another the Italians themselves had other ideas which included mutiny and high treason And for the third and worst they were too close to the Horsehead Nebula whose capacity for warping time space and the dimensions was a permanent Red Alert for all spacecraft      **The Rim Gods** A. Bertram Chandler,2015-12-17 Gods Dragons Fairies Frog Princess Knights and much more John Grimes faces them all      **Space Mercenaries** A. Bertram Chandler,2015-11-26 Her ex Imperial Highness of Outer Space had developed a conscience With a well armed space cruiser on her hands she didn t want to sell it to just anyone that is anyone under Empire control So the former Empress and her ex space captain husband became mercenaries for GLASS the Galactic League for the Abolition of Suppression and Slavery Their first assignment was blockade running to bring antibiotics to the plague ridden humans on Antrim besieged by the Halicheki bird people and ignored by the Empire Only this would be a ticklish business for they could not fire one shot at the Halicheki without being legally termed pirates And although the ex Empress and her husband were open minded enough to try all sorts of devious tricks the prospect of being hanged for piracy by the Empress successor did not appeal to either of their natures      *The Inheritors* A. Bertram Chandler,2015-12-17 John Grimes tackles the slave trade on a lost world with some very feline like inhabitants      Beyond the Galactic Rim A. Bertram Chandler,2015-11-26 A journey to the Rim Worlds takes you straight to the edge of the unknown or right to the gaping void of the abyss Out there you re beyond the borders hovering between the warped contours of troubled space and time Captain Clavering bought his ship on a lottery win Now he s holed up on the dismal planet of Lorn filling in the time on a chemical blasted airstrip waiting for a contract Somewhere there must be a newly colonized planet needing charters or some threatened world that needs evacuating He d risk anything for money in the bank even a dodgy landing on the gas blasted plains of Eblis if the Rim Runners fancy paying hard cash for an expedition to hell      **The Hard Way Up** A. Bertram Chandler,2015-12-17 A selection of John Grimes short stories including With Good Intentions The Subtractor The Tin Messiah The Sleeping Beauty The Wandering Buoy The Mountain Movers What You Know      *The Coils of Time* A. Bertram Chandler,2015-11-26 Dr Henshaw had created what he thought was a time travel machine and he had sent guinea pigs through it But now he needed a human guinea pig to test it with Christopher Wilkinson thought the whole idea was absurd until a book that had been sent through the machine came back with a thumb print on it the fingerprint of Vanessa his long lost sweetheart So Wilkinson agreed to the experiment He stood in the white circle facing the machine as it began to gleam and spin pulling him down through the tortuous coils of time      **Empress of Outer Space** A. Bertram Chandler,2015-12-17 Her Imperial Highness Empress Irene is in trouble She needs to prevent the take over of the universe by the power hungry Mortimer Jones      **The Way Back** A. Bertram Chandler,2015-12-17 Lost in space lost in time There can be no more terrifying situation for any spaceman to be in

and such was the problem when Commodore Grimes Faraway Quest broke free from the mysterious Kinsolving's Planet. Because the universe was vast and they had been out beyond the Galactic Lens. Because time is infinite and they had slipped beyond their own epoch. Because in whatever universe they were in they could raise no etheric word no telepathic beacon no other star vessel. But for John Grimes a veritable Commodore Hornblower of the future space seas there had to be a way back. The first step was to locate Earth the launching place for all humanity. But Earth turned out to be legend and myth and faith and Grimes' rebellious crew were to enact roles already fabled before they were born. **Star Courier** A. Bertram Chandler, 2015-12-17. In his long and fabulous career as the Captain Hornblower of space John Grimes was to experience many strange things rising through the ranks of the Interstellar Federation from triumph to disaster and ultimately becoming the most famous of the Rim Runners far out along the edge of the Milky Way. But there was a period when Grimes fell between one cosmic empire and another on his own command of a single deep space pinnacle and looking for work. And that was when he became a god. He thought he was just doing a mailman's job but the price of the postage turned out to be divinity with a lovely nude postmistress certified for a goddess. **The Last Amazon** A. Bertram Chandler, 2015-12-17. Originally Sparta was an all male planet an all male population with everything that implies babies male babies only produced by the so called Birth Machine from an almost unending supply of fertilized ova brought by Sparta's founding father a dyed in the wool misogynist. But unnatural situations rarely stand the test of time and it wasn't too long before Sparta bowed to Mother Nature. But there was still something rather strange about Sparta when John Grimes landed there to await the arrival of his beloved ship Sister Sue. It seemed to him that among the recently transplanted women of Sparta there was a strange movement afoot. And when the Archon was kidnapped by a group of militant women the press claimed were men he knew he couldn't just stand by and watch. *The Dark Dimensions* A. Bertram Chandler, 2015-11-26. Commodore John Grimes was finally getting his space wings back. On his old ship Faraway Quest Grimes was to venture forth to the very Rim of the known worlds seeing The Outsider. The Outsider's Ship is a storehouse of science and technology we and the Federation and the Shaara Empire and probably quite a few more have sent expeditions. Every one has ended disastrously. So it is out to the Rim and find The Outsider. But the mystery ship is not always easy to find. And other worlds too yearn for the treasures of the alien technology. What Commodore Grimes finds at the Rim and what finds him there sends him racing through time tracks surrounded by enemies and temporary friends trying endlessly to discover the secret dangers of The Outsider. **Of Sex and Faerie: further essays on Genre Fiction** John Lennard, 2010. Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin. There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a

digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 Of Modern Dragons and other essays on genre fiction 2007 is also available from Lulu      **Into the Alternate Universe** A. Bertram Chandler, 2015-11-26 Rim ghosts are real Intruders from alternate universes appearing where the fabric of space is thin Sonya and John Grimes find themselves in an alternate universe

## **Nice Alternate Orbits Grimes Bertram Chandler** Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Nice Alternate Orbits Grimes Bertram Chandler**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
