Jeffrey Archer. This is not a detective story; this is a story about a detective. William Warwick is eight when he decides he wants to join the police force. It will take skill and tenacity for William to solve the crime, and along the way he will encounter many who will change his life: Miles Faulkner, a crooked art collector, and his influential lawyer who bends the law to the point of breaking; research assistant Beth Rainsford, a woman with secrets who he falls hopelessly in love with.
