score to settle As his connection to his uncle grows stronger he realizes that within the tattered journal he carries lies the story of his own life his past as well as his future and the key to finding the one woman he is fated to love forever With the appeal of *The Time Traveler's Wife* and the classic *Time and Again* this novel is a romance cloaked in mystery and suspense that takes readers inside the rich heritage of Irish history and faith *Until the Next Time* is a remarkable story about time and memory and the way ancient myths affect everything from what we believe to who we love
