Be Financially Free Morten Strange, 2016-05-15 Wouldn't it be great to be free from financial worries To be able to live the life you choose instead of working your life away You can achieve this if you understand how the economy works how consumerism seduces you into debt and how to use the tools at your disposal correctly Financial independence is too important to let others manage it for you Morten Strange financial analyst citizen economist and naturalist draws from his 50 years of experience through the 1973 oil crisis and various stock market crashes and economic recessions to show you how to manage your money so you can be financially free He explains in simple terms the mechanics of financial products and types of investments such as savings bonds shares and property and offers practical guidelines you can apply immediately What sets this book apart is its focus on the current economy and the ominous direction that it is taking While most analysts focus on short term solutions *Be Financially Free* takes a global view In this time of impending ecological limits and the end of economic growth what will you need to do to achieve and protect your financial independence in the long term Illustrated with charts diagrams and case studies this revelatory book will empower you to embark on the path to financial freedom

Cognitive Liberty Chris P. Younce., 2022-08-03 Mankind is at a crossroads Our social systems are breaking down because we've lost touch with our ecological position in the natural world We've become utterly distracted by the fast paced demands of daily life to the point where we've lost track of who we are We've forgotten how to work as a team and nurture the partnerships that helped us be who we are today Our neglected partnerships and abusive attitude toward our homeland reflect a mass symptom of ignorance that begs me to question the sanity of modern culture

Our inability to apply our attention to our intention has placed our species into vulnerable territory Nature beckons us to wake up and remember who s in charge The research explored throughout this book is based on the personal evolutionary process of creativity our way of relating to the world The reason this exploration is so personal is that it deals with the universal qualities of consciousness as experienced uniquely by each individual on a subjective level Thus the theme of this project is to identify the objective aspect of evolving human consciousness by means of cognitive liberation This quest is meant to address the peculiar problems of the unconscious and subconscious that shape ordinary experiences This book considers consciousness as the locus of evolutionary change What does it mean to be free from insecurity to not get caught up in the trap of our minds and carried away from what truly matters in life Cognitive Liberty offers our bodies and minds a resolution to our being and embrace life as a journey on its own terms It s a friendly reminder that we re part of a learning process in constant stages of development and indeterminism The more we re able to have fun with the process the greater the freedom we experience in return

Diary of a Conspiracy Theorist Dagny Quinn Galt,2024-09-24 Prior to March 2020 Dagny Quinn Galt considered herself a normie with few opinions about politics and spirituality But when serious questions began flooding her mind she embarked on what she believed would be a logical introspective journey to reveal fact based information Instead her mission to know more quickly turned into an exploration of the subconscious the I am and the inner knowing In a collection of reflections Galt invites others on her path to awakening through the beauty ashes and emotional roller coaster as she let intuition become her guide through life As she reveals the insights she gathered along the way Galt reveals how her perspectives slowly began transforming through homeopathic treatments astrological guidance and other methods While chronicling her path to enlightenment Galt shares her lessons learned and truths gained as she questioned the reliability of the US healthcare and education systems and formulated her own opinions about it all Diary of a Conspiracy Theorist shares reflections extracted from a journey through a pandemic and beyond as a mother and loving being set out on an enlightening quest to learn more

Why Is God So Mad at Me? Pat Schatzline,2013-01-08 God Is Not Mad at You God loves you You may have heard it a thousand times and it is a common theme in Christianity But do you believe it Many of the messages we hear every day from both society and the church tell you the exact opposite As a result millions of people from all backgrounds have bought into the idea that God is not only angry but also that He s angry with them This belief is damaging countless lives In Why Is God So Mad at Me Pat Schatzline sets the record straight introducing you to a God who accepts us transforms us renews us and gives us a future filled with abundant blessing and opportunity
