*Context and Text* Kevin W. Irwin, 2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology Context and Text by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in methodfor liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity

**The Sacraments** Kevin W. Irwin, 2016 Considers the history and theology of the sacraments in their intimate relationship to the liturgy

**Ecology, Liturgy, and the Sacraments** Irwin, Kevin W., 2023 This book is based on the principle that the liturgy is the enactment of the work of our redemption through the raising up acknowledging and revering elements of the cosmos the earth and our fellow creatures in our common home It is inspired by Pope Francis's encyclical Laudato Si On Care for Our Common Home in its entirety not just the sections on the Eucharist and liturgy because it presents a world view and requires respecting and caring for all creatures who share this planet It is illuminated by research into the history of sacramental theologies and the contemporary context of concern for the environment In effect there is no such thing as one Roman Catholic theology of the sacraments and more often than not differing contexts in the life of the church and the world required differing contents for sacramental theology The author argues that concern for the environment is a traditional

Catholic premise based on the goodness of creation and that God is creator of heaven and earth He also argues that an ecological approach to sacramental theology can help to understand underlying factors and principles in the enactment of the liturgy of the sacraments about how and where God is discovered in the world in general and in the liturgy and sacraments in an intense and focused way through engagement with all who dwell in our common home    **Worship and Church** Latkovich, Sallie, Phan, Peter C., 2019 These essays cover historical systematic spiritual and spiritual aspects as well as social justice issues in relation to liturgy    **Historical Dictionary of Catholicism** William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism    *Models of the Eucharist, Second Edition* Irwin, Kevin W., 2020 In this book updated with the texts of the third edition of the Roman Missal Kevin Irwin reflects on the jewel in the crown of Catholicism the celebration of the Eucharist His book theological pastoral and contemporary is essentially concerned with issues about the Eucharist that face us today decades after the truly historic and unprecedented revisions that took place after the Second Vatican Council Some of these concerns are the result of unforeseen developments about the Eucharist resulting from other factors for example the decline in numbers of clergy which has led in some places to Sunday celebrations without the Mass Other concerns arise from a lack of proper catechesis about the Mass and a keen desire to understand why and how the Eucharist is at the center of Catholic life In addition to being expressly theological this book is also expressly pastoral in that it is a reflection on the life lived by the church as it enacts the Eucharist and seeks to live out what the Eucharist celebrates The book is aimed at the audience of educated Catholics who seek a deeper appreciation of what the Eucharist is and who want to appropriate that understanding in the way they live their lives This book will be of particular interest to pastoral ministers both those present and those in training and the communities of faith whom they serve    Guide for Celebrating the Pastoral Care of the Sick J. Philip Horrigan, 2019 A thorough and pastoral walk through Pastoral Care of the Sick Rites of Anointing and Viaticum

Sacramental Presence Ruthanna B. Hooke, 2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body's experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of

self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ s dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event

Pastoral Foundations of the Sacraments Gregory L. Klein, Robert A. Wolfe, 1998 A logical presentation of the sacraments as the principle acts of worship in the Catholic church Synthesizes contemporary research on symbol ritual and sacramental liturgical and pastoral theology into a single readable resource Each chapter ends with questions for reflection and discussion

*Liturgical Theology as a Research Program* Joris Geldhof, 2020-06-02 This essay is centered around five questions i What is the proper place of liturgical theology ii Which evolutions have there been in the past and which current tendencies are there in the field of liturgical theology iii Which contents must liturgical theologians focus on iv How can liturgical theologians engage in research And v How can liturgical theology appropriately respond to what happens in Church and society Each question corresponds with one part The rationale behind ordering the content of this essay in this way is the following starting from a reflection about the non evident place of liturgical theology an attempt is made to give it a fitting profile again on the basis of its genealogy in the Liturgical Movement Correspondingly liturgical theology can be considered a full fledged research program which does not simply deal with Christian rituals festivals and sacraments but with the core of Christian faith

*Pope Francis and the Liturgy* Irwin, Kevin W., 2020 A study of Pope Francis s example and teaching on relating the liturgy to living the mission of the liturgy in the world through holiness and mission

**Touched by Christ: The Sacramental Economy** Lawrence Feingold, 2021-05-07 The sacramental economy was instituted by Christ and entrusted to His Church in order to build up the Body of Christ in a twofold communion binding the members together with God and one another Touched by Christ The Sacramental Economy is an introductory course on Sacramental Theology

Christian Theologies of the Sacraments Justin S. Holcomb, David A. Johnson, 2017-07-25 Delves into the ancient debate regarding the nature and purpose of the seven

sacraments What are the sacraments For centuries this question has elicited a lively discussion and among theologians and a variety of answers that do anything but outline a unified belief concerning these fundamental ritual structures In this extremely cohesive and well crafted volume a group of renowned scholars map the theologies of sacraments offered by key Christian figures from the Early Church through the twenty first century Together they provide a guide to the variety of views about sacraments found throughout Christianity showcasing the variety of approaches to understanding the sacraments across the Catholic Protestant and Orthodox faith traditions Chapters explore the theologies of thinkers from Basil to Aquinas Martin Luther to Gustavo Guti rrez Rather than attempting to distill their voices into a single view the book addresses many of the questions that theologians have tackled over the two thousand year history of Christianity In doing so it paves the way for developing theologies of sacraments for present and future contexts The text places each theology of the sacraments into its proper sociohistorical context illuminating how the church has used the sacraments to define itself and its congregations over time The definitive resource on theologies of the sacraments this volume is a must read for students theologians and spiritually interested readers alike     [Welcoming Finitude](#) Christina M. Gschwandtner,2019-10-01 What does it mean to experience and engage in religious ritual How does liturgy structure time and space How do our bodies move within liturgy and what impact does it have on our senses How does the experience of ritual affect us and shape our emotions or dispositions How is liturgy experienced as a communal event and how does it form the identity of those who participate in it Welcoming Finitude explores these broader questions about religious experience by focusing on the manifestation of liturgical experience in the Eastern Christian tradition Drawing on the methodological tools of contemporary phenomenology and on insights from liturgical theology the book constitutes a philosophical exploration of Orthodox liturgical experience

**Signs of Freedom** German Martinez,2003 Modern secular culture has severely eroded the religious foundations on which traditional sacramental practice was based Built upon the sacramental bedrock the very Christian identity and mission were affected German Martinez looks at this challenge from the perspective of freedom as an opportunity to develop a sacramental worldview relevant to the new millennium To this effect he applies a series of methodologies and fresh pastoral approaches to the highly complex sacramental reality and to each individual sacrament Beginning with ten key interpretative elements he offers a coherent synthesis of the remarkable development of sacramental theology in our time Envisioned for both scholarly research and pastoral ministry this book presents the key issues of a renewed sacramentality rooted in ordinary life and celebrated in the liturgical mystery This theology is grounded in a biblical patristic historical and theological background It tries to articulate especially the Christological ecclesial individual and social aspects of the celebration of the sacraments as a dynamic and organic whole emphasizing their spirituality The material is organized into four parts the Sacramental Way of Life the Initiation and Foundational Church the Healing Church the Church at the service of Communion Highlights scholarly yet pastorally sensitive perfect text for courses on the sacraments solid one volume

comprehensive text    **The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J. Cahall,2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage Incorporating the rich insights found in St John Paul II's Theology of the Body Dr Cahall presents a theology of marriage that incorporates the biblical systematic pastoral and historical traditions which have shaped our understanding of this sacrament    *Guide for Celebrating Infant Baptism, Second Edition* Timothy A. Johnston (Liturgist),Paul Turner,Paul Radkowski,2020-01-03 Celebrating Baptism well has the potential to evangelize and transform a parish community so that their faith will be stirred deepened and renewed This second edition provides pastoral guidance for preparing joyful and communal celebrations of infant Baptism within or outside Mass according to the newly translated Order of Baptism of Children It provides guidance for selecting Scripture readings prayer texts and music arranging the environment scheduling ministers and preparing liturgies that engage and evangelize    **On the Eighth Day** Matt Hoven,J. J. Carney,Max T. Engel,2022-06-07 During a 1980s Edmonton Oilers game fans unveiled a banner claiming On the 8th day God created Gretzky Intersections between religious belief and sporting participation are nothing new where players coaches and fans are known to pray cross themselves and point to the heavens during a game But what should be the relationship between sports and religious faith On the Eighth Day introduces the theology of sport from a Catholic standpoint It wrestles with sport's universal appeal its rich symbolism and its spiritual and moral characteristics Sport is a place where embodied games can be sacramental where traditions of the past speak to contemporary peoples and where truth and justice are demanded in a world affected by sin The eighth day recalls the playful re creative work of God the Creator embodied in Christ's resurrection In this sense this book marks out a new day in Christian attitudes toward modern sport and the continuing call to redeem sport in service of human flourishing Comprehensive yet accessible the book will engage thoughtful lay sports fans and academic students alike    **In Counterpoint** Kristine Suna-Koro,2017-05-01 What does postcoloniality have to do with sacramentality How do diasporic lives and imaginaries shape the course of postcolonial sacramental theology Neither postcolonial theorists nor sacramental theologians have hitherto sought to engage in a sustained dialogue with one another In this trailblazing volume Kristine Suna Koro brings postcolonialism diaspora discourse and Christian sacramental theology into a mutually critical and constructive transdisciplinary conversation Dialoguing with thinkers as diverse as Edward Said and Gayatri Spivak as well as Francis D Sa S J Martin Luther Mayra Rivera and John Chryssavgis the author offers a postcolonial retrieval of sacramentality through a robust theological engagement with the postcolonial notions of hybridity contrapuntality planetarity and Third Space While exploring the methodological potential of diasporic imaginary in theology this innovative book advances the notion of sacramental pluriverse and of Christ as its paradigmatic crescendo within the sacramental economy of creation and redemptive transformation In the context of ecological degradation In Counterpoint argues that it is vital for the postcolonial sacramental renewal to be rooted in ethics

as a uniquely postcolonial fundamental theology
