Touring the Antebellum South with an English Opera Company Michael Burden,2020-10-21 The diary of Anton Reiff Jr c 1830 1916 is one of only a handful of primary sources to offer a firsthand account of antebellum riverboat travel in the American South The Pyne and Harrison Opera Troupe a company run by English sisters Susan and Louisa Pyne and their business partner tenor William Harrison hired Reiff then freelancing in New York to serve as musical director and conductor for the company s American itinerary The grueling tour began in November 1855 in Boston and then proceeded to New York Philadelphia Baltimore Pittsburgh and Cincinnati where after a three week engagement the company boarded a paddle steamer bound for New Orleans It was at

that point that Reiff started to keep his diary Diligently transcribed and annotated by Michael Burden Reiff s diary presents an extraordinarily rare view of life with a foreign opera company as it traveled the country by river and rail Surprisingly Reiff comments little on the Pyne Harrison performances themselves although he does visit the theaters in the river towns including New Orleans where he spends evenings both at the French Opera and at the Gaiety Instead Reiff focuses his attention on other passengers on the mechanics of the journey on the landscape and on events he encounters including the 1856 Mardi Gras and the unveiling of the statue of Andrew Jackson in New Orleans s Jackson Square Reiff is clearly captivated by the river towns and their residents including the enslaved whom he encountered whenever the boat tied up Running throughout the journal is a thread of anxiety for apart from the typical dangers of a river trip the winter of 1855 1856 was one of the coldest of the century and the steamer had difficulties with river ice Historians have used Reiff s journal as source material but until now the entire text which is archived in Louisiana State University s Special Collections in Hill Memorial Library has only been available in its original state As a primary source the published journal will have broad appeal to historians and other readers interested in antebellum riverboat travel highbrow entertainment and the people and places of the South

Toni Morrison and the Bible Shirley A. Stave, 2006 This collection of essays critically interrogates Toni Morrison s use of the Bible in her novels examining the ways in which the author plays on the original text to raise issues of spirituality as it affects race gender and class Ideal for courses on Morrison or on explorations of the intersection of religion and literature this collection treats its topic with sophistication considering religion in its broadest possible sense and examining syncretic theologies as well as mainstream religions in its attempt to locate Morrison s work in a spiritual theological nexus

Margaret Mary Lou Widmer, 1996-10-31 A biography of Margaret Haughery the beloved woman who went from a life of poverty to one of philanthropy and became known as the Angel of New Orleans Margaret Haughery gave everything she ever had to the orphans and the poor Despite being unable either to read or write she possessed an incredible business acumen which allowed her to donate including what she bequeathed in her will more than 500 000 throughout her life What is perhaps even more astounding is that Margaret lost everyone she ever loved yet she was still able to give so much love As a child in the Maryland area this Irish immigrant lost her parents and her baby sister when they died in a fever epidemic She was separated from her brother in the aftermath and he very well may have perished in the epidemic as well Then when she was a young wife and mother in New Orleans her husband died of consumption Soon afterward her newborn daughter died in her sleep Determined to not succumb to self pity and depression Margaret strengthened by her Roman Catholic faith dedicated the rest of her life to helping the orphans and the poor Helping to support an orphanage she first started a dairy to provide milk for the children Then she went on to earn a small fortune from running a local bakery This financial success allowed her to donate enormous monetary sums to charity Still her fiscal generosity was eclipsed by her spiritual gifts This docunovel has dialogue added to enliven the text

,1916 Fragile Grounds Jessica H. Schexnayder, Mary H. Manhein, 2017-09-22 Recipient of a 2018 Preserve Louisiana Award and a 2018 Coastal Stewardship Award Fragile Grounds compiles stories and photographs of endangered cemeteries throughout Louisiana's coastal zone and beyond. These burial places link the fragile land to the frailty of the state's threatened community structures. The book highlights the state's vibrant diversity by showing its unique burial customs and traditions while it also identifies the urgent need for ongoing documentation of cultural elements at risk. Cemeteries associated with the culturally rich communities of Louisiana reflect the history and global settlement patterns of the state. Yet many are endangered due to recurring natural and man-made events. Nearly 80 percent of the nation's coastal land loss occurs in Louisiana. Coastal erosion, sinking land, flooding, storm surge, and sea level rise have led to an inland migration that threatens to unravel the fabric of Louisiana and by association hastens the demise of its burial places. As people are forced inland, migrants abandon, neglect, or often overlook cemeteries as part of the cultural landscape. In terms of erosion, when the land goes, the cemetery goes with it. Cemeteries fall prey to inland and coastal flooding. As cities grow outward, urban sprawl takes over the landscape. Cemeteries lose out to forces such as expansion, eminent domain, and urban neglect. Not only do cemeteries give comfort for the living, but they also serve as a vital link to the past. Once lost, that past cannot be recovered.
