New Testament Theology An Introduction Library Of Biblical Theology:

New Testament Theology James D. G. Dunn, 2009 Moves beyond a purely descriptive approach to the study of Scripture into a genuine and faithful application of the message of Scripture to questions of contemporary life *Old Testament Theology* Prof. Walter Brueggemann, 2010-09-01 In this first volume in the Library of Biblical Theology series Walter Brueggemann portrays the key components in Israel's encounter with God as recorded in the Hebrew Bible Creation election Torah the divine hand in history these and other theological high points appear both in their original historical context and their ongoing relevance for contemporary Jewish and Christian self understanding **Beyond Biblical Theology** Timo Eskola, 2013-10-02 Reading Heikki Rissanen's hermeneutics in context Timo Eskola explores the development of Western New Testament interpretation Reclaiming a Wredean approach to the Scriptures Rissanen focuses on tradition and interpretation He builds on Weberian sociology adopted through Peter Berger's theories and substitutes sacralized culturalism for biblical theology After examining fourteenth century Quran criticism and its impact on Reimarus Eskola discusses the genesis of the revised history of religion theory that Rissanen developed when investigating the Quran's relationship to the Bible Sociology then becomes a link between standard historicism and poststructuralism as Rissanen reinterprets Berger's sociology of knowledge Rissanen's sacralized culturalism finally becomes the theory from which his magnum opus *The Rise of Christian Beliefs* has been written **Handbook of Biblical Criticism, Fourth Edition** Richard N. Soulen, R. Kendall Soulen, 2011-11-23 The fourth edition of this best selling textbook continues to be a valuable resource for the beginning student in the critical study of the Bible Thoroughly revised to include the newest methods recent discoveries and developments in the field of biblical criticism over the past decade the *Handbook of Biblical Criticism* is designed to be a starting point for understanding the vast array of methods approaches and technical terms employed in this field Updates in this edition also include an expanded dictionary of terms phrases names and frequently used abbreviations as well as a bibliography that includes the most up to date publications The *Handbook of Biblical Criticism* is a valuable introductory textbook and a reliable guide for pastors laypersons and scholars whose expertise lies in other fields *The Letter to the Colossians* Scot McKnight, 2018-02-26 *The Letter to the Colossians* offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere **The Bible's Greatest Stories** Paul Roche, 2012 From the awe inspiring story of the Creation to the defeats and triumphs of the Children of Israel and the life death and Resurrection of Jesus here are the greatest accounts from the greatest book ever written presented in an accessible form for contemporary readers Enhanced with annotations Paul Roche's brilliant retelling of these stories is at once impeccably accurate and vibrantly told He brings to life the saga of Joseph and the coat of many colors the drama of the fall of Jericho the heroism of a young David fighting Goliath and the lust

of an older David for Bathsheba the glory and wisdom of Solomon the bravery of Judith the dark despair of Job the faith of Daniel in the lion's den the joy of the Nativity and the miracle of the Resurrection These are just a few of the many great biblical stories presented in this masterful translation by a distinguished poet and scholar *Biblical Theology of the New Testament* Christian Friedrich Schmid, 1877 [Biblical Theology](#) John Goldingay, 2016-11-01 John Goldingay takes the New Testament as a portal into the complete canon of Scripture Without searching out an overarching unity he allows Scripture's diversity and tensions to remain letting Scripture speak to us in its own voice This landmark biblical theology is hermeneutically dexterous biblically expansive and nourishing to mind soul and proclamation [Ex Auditu - Volume 14](#) Klyne Snodgrass, 2004-06-23 *Biblical Theology of the New Testament* Bernhard Weiss, 1883 **Catalogue of the Barnes Reference Library for Biblical Study** Cornell University. Library, 1898 *Wisdom Christology in the Gospel of John* Dustin R. Smith, 2024-04-18 This volume contends that the Gospel of John presents the most thorough and robust Wisdom Christology of all the New Testament books Wisdom Christology the christological concept that applies the roles characteristics and functions of God's personified wisdom to the man Jesus Christ is displayed to be skillfully interwoven throughout all twenty-one chapters of the Fourth Gospel starting with the famous prologue In response to the prevailing tendency among interpreters to project postbiblical understandings of Jesus from the fourth and fifth century church councils back into the Gospel of John this volume shows that a more fitting context emerges from Jewish Wisdom literature By situating the Johannine Jesus in his first century Jewish context readers can appreciate John's commitment to monotheism and Jesus' role as the Father's highly empowered human agent fully embodying Lady Wisdom [A Light to the Nations](#) Stanley M. Burgess, Paul W. Lewis, 2017-03-02 The essays in this volume which are written by friends colleagues and former students are dedicated to Gary B McGee as a memorial to his life work and service As a professor with a clear calling to teach he modeled this passion at the Open Bible College Des Moines Iowa Central Bible College Springfield Missouri and the Assemblies of God Theological Seminary Springfield Missouri He exuded the understanding that quality teaching superior scholarship a genuine Pentecostal spirituality and an irenic spirit can and should go together Within the title of this volume *A Light to the Nations* two aspects become clear First each person is called to be a light to the nations as Gary McGee modeled Second and foundational to the first is the reality that Jesus Christ is the ultimate light and our energies study discussions and life in general should rely on this fact As a reflection of Gary McGee's life and ministry these two aspects are focused through three lenses which are the three sections of this volume Ecumenism Missions and Pentecostalism The essays represent a diversity of subjects and denote various explorations by colleagues and friends of Gary B McGee *New Creation Eschatology and the Land* Steven L. James, 2017-09-27 What will the final state of the redeemed look like Throughout the history of the church conceptions of the final state have tended to minimize the promise of the new heavens and new earth In contrast to the historical dominance of spiritual heavenly non-temporal conceptions of the final state the

last two decades have witnessed a rise in conceptions that include the redemption of material earthly and temporal reality. These new creation conceptions have included proposals regarding the fulfillment of Old Testament land promises. In *New Creation Eschatology and the Land*, Steven L. James argues that in recent new creation conceptions of the final state there is a logical inconsistency between the use of Old Testament texts to inform a renewed earth and the exclusion of the territory of Israel from that renewed earth. By examining a select group of new creationists, James shows that the exclusion of the territorial restoration of Israel in a new creation conception fails to appreciate the role of the particular territory in Old Testament prophetic texts and results in an inconsistent new creationism. **Trinitarian Self and Salvation** Scott

Harrower, 2012-01-13 In 1967 Karl Rahner famously wrote 'The economic Trinity is the immanent Trinity and vice versa'. From that time onwards, Rahner's Rule has become the norm for conceiving the relationship between the Trinity in the economy of salvation and God's eternal inner life. Evangelical theologians currently employ Rahner's Rule in a variety of ways. One of the most popular is the Strict Realist Reading, whereby trinitarian relationships in salvation history are taken to mirror eternal relationships within God. This book brings this norm into conversation with the witness of Scripture in order to assess its viability. In doing so, it highlights troubling issues that arise from the application of the Strict Realist Reading of Rahner's Rule to the narrative of Luke Acts. This book suggests that the Strict Realist Reading can be shown to be a questionable basis for our doctrine of God's inner life. Biblical Theology of the New Testament Bernhard Weiss, 1893 **The Story of**

Scripture Matthew Y. Emerson, 2017-11-15 The *Story of Scripture* provides practical, Christ-centered ways that we can read the Bible as one book. Reconsidering Creation Ex Nihilo in Genesis 1 Nathan J. Chambers, 2020-11-15 There is a broad consensus among biblical scholars that creation ex nihilo from nothing is a late Hellenistic concept with little inherent connection to Genesis 1 and other biblical creation texts. In this book, Nathan J. Chambers forces us to reconsider the question, arguing in favor of reading this chapter of the Bible in terms of ex nihilo creation and demonstrating that there is a sound basis for the early Christian development of the doctrine. Drawing on the theology of Augustine of Hippo and Thomas Aquinas, Chambers considers what the ex nihilo doctrine means and does in classical Christian dogma. He examines ancient Near Eastern cosmological texts that provide a potential context for reading Genesis 1. Recognizing the distance between the possible historical and theological frameworks for interpreting the text, he illuminates how this doctrine developed within early Christian thought as a consequence of the church's commitment to reading Genesis 1 as part of Christian Scripture. Through original close readings of the chapter that engage critically with the work of Jon Levenson, Hermann Gunkel, and Brevard Childs, Chambers demonstrates that far from precluding interpretive possibilities, reading Genesis 1 in terms of creation from nothing opens up a variety of interpretive avenues that have largely been overlooked in contemporary biblical scholarship. Timely and innovative, this book makes the case for a new or recovered framework for reading Genesis 1 that will appeal to biblical studies scholars and seminarians. *Abridged catalogue of books in New college library* Edinburgh new
