## **New Worlds New Lives New Worlds New Lives:**

**New Worlds, New Lives** Lane Ryo Hirabayashi, Akemi Kikumura-Yano, James A. Hirabayashi, 2002 This book confronts the question of who and what is a Nikkei that is a person of Japanese descent by presenting 18 case studies from throughout the Americas including Argentina Bolivia Brazil Canada Paraguay Peru and the United States *New Worlds, New Lives* James A. Hirabayashi, Lane Ryo Hirabayashi, Akemi Kikumura-Yano, 2022 This ambitious work confronts the complex question of who and what is a Nikkei that is a person of Japanese descent by studying their communities in seven countries in the Americas Argentina Bolivia Brazil Canada Paraguay Peru and the United States It also considers the special case of the many Latin American Nikkei who have returned to Japan in recent decades to seek employment The contributors draw upon a range of disciplines to present a multifaceted portrait of people of Japanese descent in the Americas the destination of 90 percent of Japanese emigrants Thus for example the reader is able to view the Peruvian Japanese experience through the eyes of an anthropologist a demographer historian and a journalist all of whom are Peruvians of Japanese descent Among the main questions explored in *New Worlds New Lives* are What is the historical background and current status of Nikkei society in a given country Are there any common attributes the Nikkei share across the Americas especially in terms of social institutions the family the position of women religion education politics and economics What are the significant differences between the Nikkei populations in the various countries and why have these differences developed What are the future prospects of Nikkei communities in the Americas *Japanese Americans* Paul R. Spickard, 2009 Since 1855 nearly half a million Japanese immigrants have settled in the United States and today more than twice that number claim Japanese ancestry While these immigrants worked hard established networks and repeatedly distinguished themselves as entrepreneurs they also encountered harsh discrimination Nowhere was this more evident than on the West Coast during World War II when virtually the entire population of Japanese Americans was forced into internment camps solely on the basis of ethnicity **Common Ground** Akemi Kikumura-Yano, Lane Ryo Hirabayashi, James A. Hirabayashi, 2005 In this collection of seventeen essays anthropologists art historians museum curators writers designers and historians provide case studies exploring collaboration with community oriented partners in order to document interpret and present their histories and experiences and provide a new understanding of what museums can and should be in the United States **Looking Like the Enemy** Jerry García, 2014-02-27 At the beginning of the twentieth century thousands of Japanese citizens sought new opportunities abroad By 1910 nearly ten thousand had settled in Mexico Over time they found work put down roots and raised families But until now very little has been written about their lives *Looking Like the Enemy* is the first English language history of the Japanese experience in Mexico Japanese citizens were initially lured to Mexico with promises of cheap and productive land in Chiapas Many of the promises were false and the immigrants were forced to fan out across the country especially to the lands along the US border As Jerry García reveals they were victims of discrimination based on

difference but they also displayed markers of whiteness that linked them positively to Europeans and Americans who were perceived as powerful and socially advanced And Garc a reports many Mexicans looked favorably on the Japanese as hardworking and family centered The book delves deeply into the experiences of the Japanese on both sides of the border during World War II illuminating the similarities and differences in their treatment Although some Japanese Mexicans were eventually interned at the urging of the US government in general the fear and vitriol that Japanese Americans encountered never reached the same levels in Mexico Looking Like the Enemy is an ambitious study of a tumultuous half century in Mexico It is a significant contribution to our understanding of the immigrant experience in the Western Hemisphere and to the burgeoning field of borderlands studies *Japanese Diasporas* Nobuko Adachi,2006-10-03 Japanese Diasporas examines the relationship of overseas Japanese and their descendents Nikkei with their home and host nations focusing on the political social and economic struggles of Nikkei Frequently abandoned by their homeland and experiencing alienation in their host nations the diaspora have attempted to carve out lives between two worlds Examining Nikkei communities and Japanese migration to Manchuria China Canada the Philippines Singapore and Latin America the book compares Nikkei experiences with those of Japanese transnational migrants living abroad The authors connect theoretical issues of ethnic identity with the Japanese and Nikkei cases analyzing the hidden dynamics of the social construction of race ethnicity and homeland and suggesting some of the ways in which diasporas are transforming global society today Presenting new perspectives on socio political and cultural issues of transnational migrants and diaspora communities in an economically intertwined world this book will be of great interest to scholars of diaspora studies and Japanese studies Souls Grown Deep Paul Arnett,William Arnett,2000 The first comprehensive overview of an important genre of American art Souls Grown Deep explores the visual arts genius of the black South This first work in a multivolume study introduces 40 African American self taught artists who without significant formal training often employ the most unpretentious and unlikely materials Like blues and jazz artists they create powerful statements amplifying the call for freedom and vision *21 Days to Transform, Transcend, and Treasure Your Life* Rebecca Herrera,2012-06-21 21 DAYS TO TRANSFORM TRANSCEND AND TREASURE YOUR LIFE is a collection of twenty one life lessons that invite you to look at your life listen to your heart learn from your daily experiences and love the life you have been given Through daily reflection you will be encouraged to re invent your life your direction and your destiny by breaking open the hidden treasure that rests within your heart Reflect on how to Listen to your heart and know the truth when you hear it Have the courage to listen to and follow your intuition Have confidence in knowing that you have the right to a loving and abundant life View your life in a positive light and know that the choice of your experience lies in your hands Change your life instantly by changing your point of view Live the life of your dreams with your vision and design Know your worth and worthiness and reflect that to the world The twenty one life lessons related in TRANSFORM TRANSCEND AND TREASURE YOUR LIFE offer you the gift of a richer more meaningful life created by you one day at a

time     **Accidental Heroes, Accidental Villains** Ed Chung,2009-07 The book traces five generations of a Chinese family from the mid 1800s to the present and portrays the family s struggles with racism riots revolutions world wars and triads organized crime Geographically the story spans the US Canada Hong Kong and China While the characters are fictional they are set in historically correct chronologies     **Walking the Stations** Donald Heinz,2025-02-17 In a time when Catholic piety is often fixed on the Good Friday stations of the cross and evangelical piety is associated with an imaginary what would Jesus do and much of Protestant religion has slimmed Jesus down from the fully dimensioned Christology of the Gospels and contemporary Christianity misses a Christ who has moved into the neighborhood John 1 14 and fully engaged the world and its peoples and touring liberals tout how little a Christian actually needs to believe this book chooses fourteen episodes from Jesus entire life and makes them way stations on a pilgrimage on which we gather to meet Jesus in person share him in community and follow him to a fully realized discipleship Such way stations may recall the medieval imitation of Christ or the notion of a Christian pilgrimage during which we make the way by walking Historically pilgrimage is meant to evoke I want to be in that number Yet identifying these stations is fully congruent with contemporary New Testament scholarship whether liberal or historically orthodox The significance of this book is that it sets forth a process of adult Christian education today that is rich with all the dimensions of Jesus life from birth to death and resurrection with all the happenings in between And most important it turns adult Christian education into a compelling Bible study in community and one that attracts participation like walking a labyrinth Through such engagement it recovers for lively practice today the mostly forgotten medieval imitatio Christi and inserts this into the nearly forgotten but once vividly realized practice of pilgrimage overdue today as a way of imprinting the Christian walk onto the culture and onto individual believers and their communities Finally it follows contemporary Gospel scholarship back to the historical Jesus through visionary Holy Land tours or a modern walking the way stations that constitute Jesus own life and our immersion in it that would constitute true discipleship

*Angel Cloud Poetry* David P. Carlson,2011-09-27 What are you hiding from yourself Why do we find ourselves disproportionately angry with the selfishness of a friend the laziness of a coworker the arrogance of a family member or even the rudeness of a stranger Why do the same old things get to us so easily and so intensely Our same old things David Carlson explains are clues to the emotions and traits that we fear most in ourselves     **Okinawan Women's Stories of Migration** Johanna O. Zulueta,2022-03-24 The phenomenon of war brides from Japan moving to the West has been quite widely discussed but this book tells the stories of women whose lives followed a rather different path after they married foreign occupiers During Okinawa s Occupation by the Allies from 1945 to 1972 many Okinawan women met and had relationships with non Western men who were stationed in Okinawa as soldiers and base employees Most of these men were from the Philippines Zulueta explores the journeys of these women to their husbands homeland their acculturation to their adopted land and their return to their native Okinawa in their late adult years Utilizing a life course approach she examines how these

women crafted their own identities as first generation migrants or Issei in both the country of migration and their natal homeland their re integration to Okinawan society and the role of religion in this regard as well as their thoughts on end of life as returnees This book will be of interest to scholars looking at gender and migration cross cultural marriages ageing and migration as well as those interested in East Asia particularly Japan Okinawa As Flip as I Want to be George Estrada,2007 Selections from the author s Mango Diaries column originally published in the Philippine Times of Las Vegas

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1957 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December Asian Worlds in Latin America Stefania Paladini,2015-12-22 There has been increasing Asian interest in Latin America in recent years beginning with Japanese investment in the 1980s and continuing into the present decade when there is growing investment by China This book examines the nature and extent of Asian business and related activity in Latin America It shows how investment is not just from Japan and China with Korea and India also involved and with Taiwan directly competing with China It explores activity in the minerals and energy sector and also in trade and other areas It demonstrates how Asian activity has a wide impact on the countries of both South America and the Caribbean making them less exclusively the United States backyard how different countries are affected differently by Asian activity and how the growing links with Asia increasingly open up the possibility of greater Latin American activity in Asia **Immigration and Asylum** Matthew J. Gibney,Randall Hansen,2005-06-21 A comprehensive and timely examination of the history and current status of immigrants and refugees their stories the events that led to their movement and the place of these movements in contemporary history and politics Immigration and Asylum From 1900 to the Present is an accessible and up to date introduction to the key concepts terms personalities and real world issues associated with the surge of immigration from the beginning of the 20th century to the present It focuses on the United States but is also the first encyclopedic work on the subject that reflects a truly global perspective With contributions from the world s foremost authorities on the subject Immigration and Asylum offers nearly 200 entries organized around four themes immigration and asylum the major migrating groups around the world expulsions and other forced population movements and the politics of migration In addition to basic entries the work includes in depth essays on important trends events and current conditions There is no better resource for exploring just how profoundly the voluntary and forced movement of asylum seekers and refugees has transformed the world and what that transformation means to us today **Charting the Emerging Field of Japanese Diaspora Archaeology** Douglas E. Ross,Koji Lau-Ozawa,2023-04-29 This book examines the Japanese diaspora from the historical archaeology perspective drawing from archaeological data archival research and often oral history and explores current trends in archaeological scholarship while also looking at new methodological and theoretical directions The chapters include research on pre War rural labor camps or villages in the US as well as research on western Canada British Columbia Peru and the Pacific Islands Hawai i and Tinian

incorporating work on understudied urban and cemetery sites One of the main themes explored in the book is patterns of cultural persistence and change whether couched in terms of maintenance of tradition Americanization or the formation of dual identities Other themes emerging from these chapters include consumption agency stylistic analysis community lifecycles social networks diaspora and transnationalism gender and sexuality Also included are discussions of trauma racialization displacement labor heritage and community engagement Some are presented as fully formed interpretive frameworks with substantial supporting data while others are works in progress or tentative attempts to push the boundaries of our field into innovative new territory This book is of interest to students and researchers in historical archaeology anthropology sociology of migration diaspora studies and historiography Previously published in International Journal of Historical Archaeology Volume 25 issue 3 September 2021

**Diasporic Ruptures** ,2007-01-01 Diasporic Ruptures Globality Migrancy and Expressions of Identity lies at the intersections of various processes emerging from globalization border crossings transnationalism identity formations Carefully selected and placed in two volumes the essays here represent works of both well seasoned scholars as well as emerging writers academics and intellectuals The volumes critically examine various manifestations of the trend now commonly known as globalization manifestations that many diasporic communities immigrants and people from all walks of life experience They also illuminate recent political social economic and technological developments that are taking place in a rapidly changing world Volume One offers sophisticated insights into the nature of contemporary formations of diasporic life internationalism and hybrid identities The volume asks bold questions around what it means to live in constantly shifting boundaries of nationality identity and citizenship The type of methodological discursive and experiential awareness promoted by this work helps us understand how millions of people face the challenge of living in a globalizing world it also fosters a consciousness of how globalization itself functions differently in different environments Volume Two see Volume 7 in Transgressions Cultural Studies and Education addresses additional and more nuanced questions around culture race sexuality migration displacement and resistance It also explores certain epistemological and methodological fallacies regarding conventional articulations of nation state nationalism and the local global nexus The volume seeks to answer questions such as What are the meanings and connotations of displacement in a rapidly globalizing world What are some dilemmas and challenges around notions of cultural hybridity linguistic diversity and a sense of belonging What is the meaning of home in diaspora and the meaning of diaspora at home Together the volumes raise many topics that will be of immense interest to scholars across disciplines and general readers While celebrating the increasing acknowledgment of difference and diversity in recent times this work reminds us of the ongoing ramifications of dominant structures of inequality relations of power and issues of inclusion and exclusion This work offers different ways of thinking writing and talking about globalization and the processes that emerge from it

**Asian Tragedies in the Americas** Won K. Yoon,2021-03-01 Asian Tragedies in the Americas Chinese Japanese and Korean Stories explores the

stories of nineteenth century East Asian migrants throughout the Americas tracing the asymmetrical international conditions which shaped migrants experiences Won K Yoon examines such phenomena as Chinese paper fraudulent wives and daughters Korean picture marriages and Japanese war brides analyzing the impact of racism and colonialism on East Asian groups and family experiences in the West Transnational Crossroads Camilla Fojas, Rudy P. Guevarra, Jr., 2012-06-01 The twentieth century was a time of unprecedented migration and interaction for Asian Latin American and Pacific Islander cultures in the Americas and the American Pacific Some of these ethnic groups already had historic ties but technology migration and globalization during the twentieth century brought them into even closer contact Transnational Crossroads explores and triangulates for the first time the interactions and contacts among these three cultural groups that were brought together by the expanding American empire from 1867 to 1950 Through a comparative framework this volume weaves together narratives of U S and Spanish empire globalization resistance and identity as well as social labor and political movements Contributors examine multiethnic celebrities and key figures migratory paths cultural productions and social and political formations among these three groups Engaging multiple disciplines and methodologies these studies of Asian American Latin American and Pacific Islander cultural interactions explode traditional notions of ethnic studies and introduce new approaches to transnational and comparative studies of the Americas and the American Pacific

## Decoding **New Worlds New Lives New Worlds New Lives**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**New Worlds New Lives New Worlds New Lives**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
