New York Rangers Seventy Five Years:

The Rangers, The Bruins, And The End of an Era Jay Moran, 2009 This book is a tribute to the rivalry the New York Rangers had with the Boston Bruins during the decade that Emile Francis ran the club Growing up these two teams are what defined hockey for me and the team was not simply a city or a sweater or a jersey it was the players As Mr Francis himself told me Every time we played it was a war That was the greatest rivalry I ve ever seen I wrote this book for the fans of both teams hoping that it would bring back some great memories from a time when the game was a lot different than it is today

New York Rangers John Halligan, 2000 As hockey teams go the N Y Rangers have it all 4 Stanley Cup victories the world renowned stage of Madison Square Garden and an unprecedented number of hockey firsts This book captures all the thrilling victories and bittersweet moments With archival photography fast paced action shots and an informative text it delivers the complete dramatic account of 75 years of sporting competition In commemoration of this special anniversary broadcaster and former Ranger John Davidson has made his picks for the ultimate Rangers team This exciting foldout portfolio a heartfelt foreword by The Great One Wayne Gretzky and portfolios of memorabilia trophies and equipment make this the ultimate edition for the ultimate Rangers fan Coated stock *The New York Rangers* John Halligan, 2003-07-01 For more than three quarters of a century the New York Rangers have been delighting hockey fans New Yorkers and suburbanites alike with a classy brand of entertainment that has no equal The team s history includes four Stanley Cups scores of individual stars and countless magic moments All of the excitement and drama of these triumphs is captured in *The New York Rangers* This book salutes not only the Rangers tradition of excellence but also the masterful talents of the photojournalists who have chronicled the team since its birth in 1926 *Tales from the New York Rangers Locker Room* Gilles Villemure, Mike Shalin, 2016-04-12 In the late 1960s the New York Rangers transformed from NHL also rans to Stanley Cup contenders Gilles Villemure was part of that transformation The little goaltender had a long wait to make it to the National Hockey League which had only six teams until after the middle of the decade Eventually Villemure joined Eddie Giacomin to give the Rangers a strong 1 2 goaltending tandem The Vezina Trophy winning twosome was a fixture for the Rangers threatening to end the franchise s long Stanley Cup drought only to come up short Now forty years later Villemure writes about his days with the Rangers in the newly updated *Tales from the Rangers Locker Room* Villemure tells stories about old pals like Rod Gilbert Vic Hadfield Brad Park Jean Ratelle and his boss Emile The Cat Francis The Rangers finally won that Stanley Cup in 1994 ending over fifty years of frustration but it was those Francis led teams the ones with Villemure and Giacomin in the goal that brought New York s Blueshirts Madison Square Garden s finest to the top of the NHL It is their influence that has continued to propel the Rangers forward even today with a conference championship win in 2014 and the President s Trophy in 2015 Fans young and old will want to hear Villemure s stories come to life Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and

Riess,2015-03-26 A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage Deceptions and Doublecross Morey Holzman,Joseph Nieforth,2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder's iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup Guardians of the Goal George Grimm,2019-10-01 A history of Rangers goalies through the ages New York Rangers fans have always loved their goaltenders and throughout their history the Blueshirts have been blessed with some of the very best in the game Through the first nine plus decades of their existence eighty eight men from Canada the United States and Europe have toiled between the pipes at Madison Square Garden They all shared the same

responsibility yet each brought their own style personality character and idiosyncrasies to the position and provided unique memories for those of us who watched them In Guardians of the Goal each one of these brave men is discussed in chronological order while providing an overview of their era and the general managers and coaches they played for Such players highlighted in this book include Mike Richter Ed Giacomin John Vanbiesbrouck Henrik Lundqvist Davey Kerr And many more Regardless of whether they were a franchise goalie a flash in the pan or an emergency fill in each of these Lone Rangers or as Steve Baker once called them The few the proud and the very busy have one thing in common they all tried their best to keep that little one inch by three inch piece of frozen vulcanized rubber out of the gaping twenty four square foot chasm behind them Some were more successful than others but as you will see although they may occasionally steal a game in most cases a goaltender is only as good as the team in front of him Guardians of the Goal is just that an ode to those Blueshirts who laid it out night in and night out leaving it all out on the ice for our Rangers
