Nice Book Comics Justice League Tarot Cards:

Illuminated Fantasy James Whitlark, 1988 The central and later decades of the twentieth century have not only been marked by the popularity of fantasy in general but of fantastic graphics in particular As a literature relatively new to academic consideration however fantasy lacks a universally accepted definition and no previous author has adequately studied the general differences between the literalness of realistic illustration and the paradoxes of fantastic illumination In *Illuminated Fantasy* James Whitlark presents a detailed analysis of the significance of picture text discrepancy its history its various forms and its psychological complexities

The Cards Patrick Maille, 2021-03-19 Tarot cards have been around since the Renaissance and have become increasingly popular in recent years often due to their prevalence in popular culture While Tarot means many different things to many different people the cards somehow strike universal chords that can resonate through popular culture in the contexts of art television movies even comic books The symbolism within the cards and the cards as symbols themselves make Tarot an excellent device for the media of popular culture in numerous ways They make horror movies scarier They make paintings more provocative They provide illustrative structure to comics and can establish the traits of television characters The Cards The Evolution and Power of Tarot begins with an extensive review of the history of Tarot from its roots as a game to its supposed connection to ancient Egyptian magic through its place in secret societies and to its current use in meditation and psychology This section ends with an examination of the people who make up today's Tarot community Then specific areas of popular culture art television movies and comics are each given a chapter in which to survey the use of Tarot In this section author Patrick Maille analyzes such works as *Deadpool* *Books of Magic* by Neil Gaiman *Disney's Haunted Mansion* *Sherlock Holmes Game of Shadows* *The Andy Griffith Show* *Buffy the Vampire Slayer* and *King of the Hill* The cards are evocative images in their own right but the mystical fascination they inspire makes them a fantastic tool to be used in our favorite shows and stories
