Nice Book Days Happier Family Justin Coulson Ebook:

21 Days to a Happier Family Justin Coulson, 2016-02-01 Dr Justin Coulson resident parenting expert on Channel 9's Parental Guidance draws on positive psychology to give parents ways to make their family happier than ever starting today. Parenthood can be a jungle but Justin's advice and simple strategies will help you find that path back to sanity, stability and smiling kids. Lisa Wilkinson: Everyone wants their family to be happy but so much gets in the way: work, stress, commitments and our children's challenging behaviour are some of the usual suspects. Less obvious obstacles are our own habits and expectations, a reactive parenting style and even a lack of clarity about what makes a family truly happy. As a result, families often seem fragmented, stressed and out of control. Kidspot parenting expert Justin Coulson knows how to make families happier. In this book, he combines cutting-edge insights from positive psychology with classic psychological research to help parents identify and develop habits that will strengthen their family. In his trademark warm and empathic style, Justin covers topics like finding the most effective parenting style for your child, getting relationships right and how that leads to effective discipline, using mindfulness in parenting, being emotionally available to your children and so much more. Justin Coulson's compassionate and helpful advice helps me unravel my many parenting dilemmas. Jessica Rowe: Happy Families Janey Fraser, 2024-03-19 10 out of 5 stars I LOVED IT! A great story with many surprises. Janey Fraser writes with such a sensitivity she touches the right points. Reader review 5 stars: Parenting just got a whole lot messier. Bobbie's children never listen to a word she says. Even worse, she's forced to constantly sit through her nearest and dearest critiquing her parenting skills and she can't ever win. Andy's swapping a high-flying career to be a stay-at-home dad. But he soon discovers that his knack for negotiating tricky business deals means nothing when raising two teenage daughters. Vanessa is about to start a new chapter in life, finding love a second time around. But the surprise arrival of her estranged six-year-old granddaughter at her door is an unexpected twist and this time she's determined to get it right. Signing up to the local parenting class, these three parents will need all the help they can get. Can Bobbie, Andy and Vanessa really learn the secret of raising a happy family? Full of warmth and humour, Happy Families follows the ups and downs of raising children and proves there's no such as the perfect family. Fans of Gill Sims, Kristen Bailey and Carmen Reid will be hooked from start to finish. Readers LOVE Happy Families. Whether you have children or not, you won't fail to enjoy this. It's a great book to chill on the sofa with alongside a cup of coffee and a cookie. Reader review 5 stars: A really light-hearted book, great fun to read. I highly recommend. Reader review 5 stars: Fantastic read. Loved this book, the characters and their relationships and friendships, issues but also the reminder that parenting is not an easy ride. Reader review 5 stars: This would be a perfect read for the beach on a lovely sunny holiday. Reader review 5 stars: very realistic yet helpful book and I enjoyed reading every single word.
