Nice Book Politics Gender Justice International Criminal:

The Politics of Gender Justice at the International Criminal Court Louise A. Chappell, 2016 This book examines the gender justice design features of the Rome Statute the foundation of the International Criminal Court and assessing the effectiveness of the statute s implementation in the first decade of the court s operation Chappell argues that although the ICC has provided mixed outcomes for gender justice there have also been a number of important breakthroughs particularly in regards to support for female judges *Gender Politics in Transitional Justice* Catherine O'Rourke, 2013-08-22 What role do transitional justice processes play in determining the gender outcomes of transitions from conflict and authoritarianism What is the impact of transitional justice processes on the human rights of women in states emerging from political violence *Gender Politics in Transitional Justice* argues that human rights outcomes for women are determined in the space between international law and local gender politics The book draws on feminist political science to reveal the key gender dynamics that shape the strategies of local women s movements in their engagement with transitional justice and the ultimate success of those strategies termed the local fit Also drawing on feminist doctrinal scholarship in international law the international frame examines the role of international law in defining harms against women in transitional justice and in determining the from and to of transitions from conflict and authoritarianism This book locates evolving state practice in gender and transitional justice over the past two decades within the context of the enhanced protection of women s human rights under international law Relying on original empirical and legal research in Chile Northern Ireland and Colombia the book speaks more broadly to the study of gender politics and international law in transitional justice *Gender and Informal Institutions* Georgina Waylen, 2017-05-25 Informal norms and political practices can act to facilitate or block changes to formal rules with important consequences for efforts to promote gender equality In this book leading scholars develop sophisticated analytical frameworks and provide detailed empirical knowledge to further our understanding of the gendering of informal institutions The book begins by assessing our current theoretical and empirical knowledge and outlining the remaining gaps in our understanding around the way gender interacts with informal institutions It takes up the challenges of gender equality in informal institutions through a feminist institutionalist lens The empirically based chapters explore the role of informal institutions in three areas of concern for feminist scholars political recruitment the executive and policy and practice and examine the practical and methodological challenges of researching informal institutions Using the insights generated in the volume the final chapter develops a research agenda for future work on gendering informal institutions considering the potential to design or alter informal institutions and of different approaches and methodologies **Feminist Engagement with International Criminal Law** Eithne Dowds, 2020-01-23 This work introduces and further develops the feminist strategy of norm transfer the proposal that feminist informed standards created at the level of international criminal law make their way into domestic contexts Situating this strategy within the complementarity regime of the International

Criminal Court ICC it is argued that there is an opportunity for dialogue and debate around the contested aspects of international norms as opposed to uncritical acceptance The book uses the crime of rape as a case study and offers a new perspective on one of the most contentious debates within international and domestic criminal legal feminism the relationship between consent and coercion in the definition of rape In analysing the ICC definition of rape it is argued that the omission of consent as an explicit element is flawed Arguing that the definition is in need of revision to explicitly include a context sensitive notion of consent the book goes further setting out draft legislative amendments to the ICC Elements of Crimes definition of rape and its Rules of Procedure and Evidence Turning its attention to the domestic landscape the book drafts amendments to the United Kingdom UK Sexual Offences Act 2003 and to the Youth Justice and Criminal Evidence Act 1999 thereby showing how the revised version of the ICC definition can be applied in context of the UK *Human Rights and International Criminal Law* Borhan Uddin Khan,Md. Jahid Hossain Bhuiyan,2022-03-16 This book examines the importance of international criminal law in promoting and defending human rights as well as its relationship with law and international politics It highlights criminal cases at the International Criminal Tribunals for the former Yugoslavia and the International Criminal Tribunals for Rwanda the International Criminal Court and the International Crimes Tribunal of Bangladesh The book considers human rights approaches to crimes from a theoretical and practical perspective analyses various crimes under international law and examines the application implementation and enforcement of international criminal law This book will serve as an important reference for students teachers scholars and lawyers specialising in international human rights international criminal law and international humanitarian law **International Courts and the African Woman Judge** Josephine Jarpa Dawuni,Hon. Akua Kuenyehia,2017-11-28 A sequel to Bauer and Dawuni s pioneering study on gender and the judiciary in Africa Routledge 2016 International Courts and the African Woman Judge examines questions on gender diversity representative benches and international courts by focusing on women judges from the continent of Africa Drawing from postcolonial feminism feminist institutionalism feminist legal theory and legal narratives this book provides fresh and detailed narratives of seven women judges that challenge existing discourse on gender diversity in international courts It answers important questions about how the politics of judicial appointments gender geographic location class and professional capital combine to shape the lives of women judges who sit on international courts and argues the need to disaggregate gender diversity with a view to understanding intra group differences International Courts and the African Woman Judge will be of interest to a variety of audiences including governments policy makers civil society organizations students of gender studies and feminist activists interested in all questions of gender and judging Abortion Law and Political Institutions Jennifer Thomson,2018-11-11 This book provides a comprehensive study of abortion politics and policy in Northern Ireland Whilst there is a substantial amount of literature on abortion in Ireland and the rest of the United Kingdom there has been scant academic attention paid to the situation in Northern Ireland Adopting a feminist

institutionalist framework the book illustrates the ways in which abortion has been addressed at both the national institution at Westminster and the devolved institution at Stormont Covering the period from early peace process in the 1980s to the present day the text will be of interest to politics scholars but also sociologists historians and students of Irish studies

Gendering the Nation-State Yasmeen Abu-Laban, 2009-01-01 Serious study of social and political life must attend to gender as a category of analysis Gendering the Nation State explores the gendered dimensions of a fundamental organizational unit in social and political science the nation state Yasmeen Abu Laban has drawn together work by both high profile and emerging scholars to rescue gender from the margins of theoretical discussions on the nation the state public policy and citizenship Contributors bring the insights of feminist analysis to bear on three relationships central to popular and policy discussions in contemporary Canada and beyond gender and nation gender and state processes and gender and citizenship Gendering the Nation State employs a comparative framework and builds on three decades of multidisciplinary work Nuanced and wide ranging the collection crosses and challenges physical theoretical and disciplinary borders It will appeal to scholars in political science gender studies and sociology **Rethinking Transitional Gender Justice** Rita

Shackel, Lucy Fiske, 2018-10-08 This book draws together established and emerging scholars from sociology law history political science and education to examine the global and local issues in the pursuit of gender justice in post conflict settings This examination is especially important given the disappointing progress made to date in spite of concerted efforts over the last two decades With contributions from both academics and practitioners working at national and international levels this work integrates theory and practice examining both global problems and highly contextual case studies including Kenya Somalia Peru Afghanistan and DRC The contributors aim to provide a comprehensive and compelling argument for the need to fundamentally rethink global approaches to gender justice In Plain Sight Gaby Zipfel, Kirsten Campbell, Regina Mühlhäuser, (eds.), 2019-12-10 In the mid 1970s at the peak of the women's movement feminist activism and research opened the door to questions that are still pressing today While sexual violence has gained public awareness and become a subject in academic debate efforts to understand and strategies to prevent this form of violence remain inadequate Who are the perpetrators How is sexual violence tied to other forms of violence What are the consequences for individual victims and societies Compiled by the International Research Group Sexual Violence in Armed Conflict SVAC this volume takes an interdisciplinary approach to understanding wartime sexual violence Its enquiry employs four key relationships War Power Violence Sexuality Gender Engendering and Visibility Invisibility Through these the authors identify gaps in existing knowledge to develop a deeper and more nuanced understanding of the field This volume is the result of long standing cooperation The International Research Group Sexual Violence in Armed Conflict SVAC is a network of interdisciplinary

scholars and NGO experts founded in October 2010 Sociologists philosophers historians literary and legal scholars as well as NGO professionals from Europe the US Asia and Africa bring together empirical and theoretical studies focusing on sexual violence in different theatres of armed conflict The group compares source material and promotes the systematic development of research questions and methods *The Public Law of Gender* Kim Rubenstein, Katharine G.

Young, 2016-05-26 With the worldwide sweep of gender neutral gender equal or gender sensitive public laws in international treaties national constitutions and statutes it is timely to document the raft of legal reform and to critically analyse its effectiveness In demarcating the academic study of the public law of gender this book brings together leading lawyers political scientists historians and philosophers to examine law's structuring of politics governing and gender in a new global frame Of interest to constitutional and statutory designers advocates adjudicators and scholars the contributions explore how concepts such as equality accountability representation participation and rights depend on challenge or enlist gendered roles and or categories These enquiries suggest that the new public law of gender must confront the lapses in enforcement sincerity and coverage that are common in both national and international law and governance and critically and pluralistically recast the public private distinction in family community religion customary and market domains **An**

Introduction to Transitional Justice Olivera Simić, 2020-07-30 The Second Edition of *An Introduction to Transitional Justice* provides a comprehensive overview of transitional justice judicial and non judicial measures implemented by societies to redress legacies of massive human rights abuse Written by some of the leading experts in the field it takes a broad interdisciplinary approach to the subject addressing the dominant transitional justice mechanisms as well as key themes and challenges faced by scholars and practitioners Using a wide historic and geographic range of case studies to illustrate key concepts and debates and featuring discussion questions and suggestions for further reading this is an essential introduction to the subject for students **Gender and Crisis in Global Politics** Laura Sjoborg, 2018-02-02 The global political arena is

again in a time of crisis Different sources pay attention to different crises the Global Financial Crisis the Debt Crisis the Crisis of ISIL Daesh in Iraq and Syria the Crisis of Israel and Palestine and the Iran Nuclear Crisis have gotten significant attention in media coverage of global politics But those are not the only crises that scholars and practitioners discuss Environmentalists warn of ecological crisis health scholars warn of disease crises cyber security experts suggest a coming information crisis and migration experts warn of population crises Feminist work on global politics has addressed many of these crises historical and contemporary in crisis language and without it as well as a number of the non crises that looking for women and gender in the international arena draws into focus That work however had generally not explicitly theorized the conceptualization of crisis its gendered dimensions and or gender based crises as such Across this book feminist conversations about crisis in global politics suggests that a single feminist approach to definition of or politics of crisis is impossible to find That same variety of work though makes a strong case that paying attention to crises in the world and to

the manufacture of crisis rhetoric alongside events in global politics is not only generally important but an important place for feminist scholarship feminist political activism and direct attention This book was previously published as a special issue of the International Feminist Journal of Politics *Gender Matters in Global Politics* Laura J. Shepherd, 2014-07-17 Fully revised and updated this second edition of *Gender Matters in Global Politics* is a comprehensive textbook for advanced undergraduates studying feminism War Terrorism and political violence Land food and water International legal institutions Peacebuilding institutions and post conflict reconstruction Citizenship Art aesthetics and emotionality and New social media and global resistance This text enables students to develop a sophisticated understanding of the work that gender does in policies and practices of global politics
