Steinbeck's Of Mice and Men Michael Goodman, 1984 Novel Ties study guides contain reproducible pages in a chapter by chapter format to accompany a work of literature of the same title The Tour Guide Jonathan R. Wynn, 2011-07-05

Everyone wants to visit New York at least once The Big Apple is a global tourist destination with a dizzying array of attractions throughout the five boroughs The only problem is figuring out where to start and that s where the city s tour guides come in These guides are a vital part of New York s raucous sidewalk culture and as The Tour Guide reveals the tours they offer are as fascinatingly diverse and eccentric as the city itself Visitors can take tours that cover Manhattan before the arrival of European settlers the nineteenth century Irish gangs of Five Points the culinary traditions of Queens the culture of Harlem or even the surveillance cameras of Chelsea in short there are tours to satisfy anyone s curiosity about the city s past or present And the guides are as intriguing as the subjects we learn as Jonathan R Wynn explores the lives of the people

behind the tours introducing us to office workers looking for a diversion from their desk jobs unemployed actors honing their vocal skills and struggling retirees searching for a second calling Matching years of research with his own experiences as a guide Wynn also lays bare the grueling process of acquiring an official license and offers a how to guide to designing and leading a tour Touching on the long history of tour giving across the globe as well as the ups and downs of New York s tour guide industry in the wake of 9 11 The Tour Guide is as informative and insightful as the chatty charming and colorful characters at its heart

The Dramatic Writer's Companion Will Dunne,2017-10-04 Spark your creativity hone your writing and improve your scripts with the self contained character scene and story exercises found in this classic guide Having spent decades working with dramatists to refine and expand their existing plays and screenplays Dunne effortlessly blends condensed dramatic theory with specific action steps over sixty workshop tested exercises that can be adapted to virtually any individual writing process and dramatic script Dunne s in depth method is both instinctual and intellectual allowing writers to discover new actions for their characters and new directions for their stories The exercises can be used by those just starting the writing process and by those who have scripts already in development With each exercise rooted in real life issues from Dunne s workshops readers of this companion will find the combined experiences of more than fifteen hundred workshops in a single guide This second edition is fully aligned with a brand new companion book Character Scene and Story which offers forty two additional activities to help writers more fully develop their scripts The two books include cross references between related exercises though each volume can also stand alone No ordinary guide to plotting this handbook centers on the principle that character is key The character is not something added to the scene or to the story writes Dunne Rather the character is the scene The character is the story With this new edition Dunne s remarkable creative method will continue to be the go to source for anyone hoping to take their story to the stage Dunne mixes an artist s imagination and intuition with a teacher s knowledge of the craft of dramatic writing May Brit Akerholt award winning dramaturg
