Anna Stavrianakis, Jan Selby

Online Drug Politics Democracies International Security:

Drug Trafficking and International Security Paul Rexton Kan, 2016-07-18 Global drug trafficking intersects with a vast array of international security issues ranging from war and terrorism to migration and state stability More than just another item on the international security agenda drug trafficking in fact exacerbates threats to national and international security In this light the book argues that global drug trafficking should not be treated as one international security issue among many Rather due to the unique nature of the trade illegal drugs have made key threats to national and international security more complex durable and acute Drug trafficking therefore makes traditional understandings of international security inadequate Each chapter examines how drug trafficking affects a particular security issue such as rogue nations weak and failing states protracted intrastate conflicts terrorism transnational crime public health and cyber security While some texts see drug trafficking as an international threat in itself others place it under the topic of transnational organized crime arguing that the threats emanate from criminal groups This book on the other hand provides a thorough understanding of how a vast array of threats to international security are exacerbated by drug trafficking **The New Democracy Wars** Neil A. Burron, 2016-03-03 Burron provides a critical analysis of Canadian and US democracy promotion in the Americas He concentrates on Haiti Peru and Bolivia in particular but situates them within a larger analysis of Canadian and US foreign policy bilateral and regional in the areas of trade investment diplomacy security and for the United States the war on drugs His main argument is that democracy promotion is typically formulated to advance commercial geopolitical and security objectives that conflict with a genuine commitment to democratic development Given this broad scope the book is well positioned to contribute to a number of debates in comparative Latin American politics and international political economy IPE with a focus on North South relations in the hemisphere *Organised Crime and the Challenge to Democracy* Feli Allum, 2004 *Crime, Security and Global Politics* Anja P. Jakobi, 2020-03-04 This engaging new textbook presents a comprehensive nuanced and multidimensional perspective on global crime and its governance As global criminal activity becomes increasingly sophisticated and elusive so the means to counter it must adapt Every day our news media is dominated by incidents that span countries and continents often presented as an all encompassing threat orchestrated by societal outsiders If not in the news global crime is sensationalised in our film and television industry and it can be difficult to gain a true understanding of what global crime is and how it is combated Featuring the latest research and informed by a wide range of theoretical perspectives this text masterfully makes sense of a range of issues from global environmental crime and human trafficking to the global trade in drugs and cybercrime This pathbreaking text analyses why global crime is important the obstacles faced in countering it and accounts for the difficulties in securing cooperation across states Comprehensive and accessible this authoritative textbook is the perfect companion for students and scholars who are interested in the still evolving issue of international relations and global politics Globalization, Global Security, and New

International Realities for Modern Democracies Alaverdov, Emilia, Abuseridze, Giga, 2025-05-16 Globalization offers both opportunities and threats influencing political economic and social spheres worldwide While its everyday manifestations are often seen as natural they result from political decisions by governments and legislative bodies with the decline of sovereign states roles leaving a gap in legitimate global authority The creation of global democracy risks reflecting the dominance of a few international powers but the political processes shaping globalization remain crucial to democratic systems In terms of global security a system based on international law is essential focusing on disarmament environmental protection and combating terrorism while also addressing issues like ethno-political conflicts The current crisis in international relations marked by divergent views and the rise of proxy and hybrid wars calls for the establishment of new rules and global structures that can better reflect the complexities of a rapidly changing world Globalization Global Security and New International Realities for Modern Democracies explores the complex and interconnected forces shaping the modern world focusing on globalization global security and the evolving dynamics of international relations It examines how globalization driven by political decisions and technological advancements reshapes economies societies and cultures while creating new challenges related to sovereignty democracy and governance This book covers topics such as geopolitics global business policymaking and is a useful resource for business owners government officials policymakers academicians researchers and political scientists

Drugs, Deviancy and Democracy in Iran Janne Bjerre Christensen, 2011-09-30 In the aftermath of the Iranian Revolution the government of the Islamic Republic initiated a stringent anti drug campaign that included fining addicts imprisonment physical punishment and even the death penalty Despite these measures drug use was and is still commonplace Based on her most recent fieldwork Janne Bjerre Christensen explores the mounting problems of drug use in Iran how treatment became legalized in 1998 how local NGOs offer methadone treatment in Tehran and face continuous political challenges in doing so and how drug use is critically discussed in Iranian media and cinema *Drugs Deviancy and Democracy in Iran* is thus a unique account of Iran's recent social and political history drawing important conclusions about the complexity of state power and the growing impact of civil society vital for all those interested in Iran's history politics and society

The DISAM Journal of International Security Assistance Management, 2007

GLOBAL SECURITY AND INTERNATIONAL POLITICAL ECONOMY – Volume III P. Bilgin, P. D. Williams, M. Sekiguchi, J. K. Galbraith, S. T. Inayatullah, J. Wiener, R. A. Schrire, I. L. Militarism and International Relations Anna Stavrianakis, Jan Selby, 2013

Militarism and international relations in the 21st century Twenty first century militarism a historical sociological framework Martin Shaw Challenging cartographies of enmity empire war and culture in contemporary militarization Simon Dalby Militarism new wars and the political economy of development a Gramscian critique Nicola Short War becomes academic human terrain virtuous war and contemporary militarism an interview with James der Derian Anna Stavrianakis and Jan Selby From Oslo to Gaza Israel s enlightened public and the remilitarization of the Israeli Palestinian conflict Yoav Peled From political armies to the war against crime the transformation of militarism in Latin America Dirk Kruijt and Kees Koonings The global arms trade and the diffusion of militarism David Kinsella Wilsonians under arms Andrew J Bacevich The political economy of EU space policy militarization the case of the global monitoring for environment and security Iraklis Oikonomou Producing men the nation and commodities the cultural political economy of militarism in Egypt Ramy M K Aly The Chinese military its political and economic function Kerry Brown and Claudia Zanardi

Drugs And Democracy Geoffrey Stokes, Peter Chalk, Karen Gillen, 2016-10-18 In 1988 the United States Congress passed laws declaring improbably that the USA would be drug free by 1995 In 1998 the United Nations General Assembly Special Session on Drugs committed itself to the implausible goal of eradicating the trade in heroin and cocaine within a decade at a time when global heroin production had trebled and global cocaine production had doubled Somewhere in Australia almost every year for the past quarter century there has been a royal commission or other major official inquiry into the illicit drug industry The Australian government spends millions of dollars on attempting to control the illicit drug trade Almost 85 per cent of these funds are allocated to law enforcement 5 per cent goes to treatment and 10 per cent to prevention and research Meanwhile the drug industry in Australia grows bigger and richer every year and as a result our rates of addiction crime and death continue to rise Drugs and Democracy examines Australia s unsuccessful attempts to control the illicit drug industry and discusses how within the confines of our liberal democratic values and culture we could improve our strategies

Terrorism and Political Violence in West Africa: a Global Perspective Adebayo E. Adeyemi, Mahmoud N. Musa, 2015-07-30 While it could be arguably stated that West Africa has achieved remarkable and sustainable progress in the areas of democratic governance and economic growth the sub region over the past few years has been challenged by terrorism and other transnational security threats Innocent civilians are continuously killed security operatives and providers of humanitarian assistance targeted properties and infrastructure wantonly destroyed thus culminating in significant displacement of people and acute poverty If

these developments are not carefully and timeously addressed they are capable of eroding progress so far recorded It is against this background that this Thesis undertakes a study of the different manifestations of terrorism and related transnational security challenges in West Africa to explore the internal and external sources and drivers of instability establish the linkages between terrorism and transnational threats examine the various steps taken in recent time to strengthen the sub regions capacity to prevent and address the menace of terrorism and other security challenges and make necessary policy recommendations based on comprehensive best practices

Routledge Handbook of Southeast Asian Democratization William Case,2014-12-17 Southeast Asia offers unique opportunities for the comparative analysis of democratization The Routledge Handbook of Southeast Asian Democratization provides a comprehensive overview of the development of democracy in the region and shows that political and structural factors differ strikingly across countries Combining theory and case studies it is structured in three major sections Social segments and change processes Institutions Country cases and democratic guises Contributing to on going debates in the field this interdisciplinary reference work explores the value systems social structures and institutions which can affect democratization At the same time it tracks the pattern of fragile unfolding and gradual stabilization of democracy as well as its resultant cost rollback or even breakdown in the region Bringing together over 25 key international experts in the field this cutting edge Handbook is designed to disaggregate then order the many variables that punctuate Southeast Asia s socio political and economic terrain and to produce a detailed account of the mixed fortunes of democracy in the region

Digital Government Darrell M. West,2011-08-15 Few developments have had broader consequences for the public sector than the introduction of the Internet and digital technology In this book Darrell West discusses how new technology is altering governmental performance the political process and democracy itself by improving government responsiveness and increasing information available to citizens Using multiple methods case studies content analysis of over 17 000 government Web sites public and bureaucrat opinion survey data an e mail responsiveness test budget data and aggregate analysis the author presents the most comprehensive study of electronic government ever undertaken Among other topics he looks at how much change has taken place in the public sector what determines the speed and breadth of e government adoption and what the consequences of digital technology are for the public sector Written in a clear and analytical manner this book outlines the variety of factors that have restricted the ability of policy makers to make effective use of new technology Although digital government offers the potential for revolutionary change social political and economic forces constrain the scope of transformation and prevent government officials from realizing the full benefits of interactive technology

Government and Governance of Security Carlos Solar,2018-06-27 At a time when Latin America is experiencing societal unrest from human rights violations corruption and weak institutions Government and Governance of Security offers an insightful understanding for the modern steering of crime policies Using Chile as a case study the book delivers an untold account of

the trade offs between political judicial and policing institutions put in practice to confront organised crime since the country's redemocratisation. In an effort to encompass the academic fields of political science, public policy and criminology, Carlos Solar challenges the current orthodoxies for understanding security and the promotion of the rule of law in developing states. His research aptly illuminates the practicalities of present day governance and investigates how networks of institutions are formed and sustained across time and subsequently how these actors deal with issues of policy consensus and cooperation. To unveil the uniqueness of this on the ground action, the analysis is based on an extensive revision of public documents, legislation, media accounts and interviews conducted by the author with the key policy makers and officials dealing with crimes including drug trafficking, money laundering and human smuggling. *Government and Governance of Security* will be of interest to scholars of Latin American studies, security and governance and development. Politics in the Developing World 4e Peter Burnell, Vicky Randall, Lise Rakner, 2014-02. The fourth thoroughly updated edition of this well respected textbook explores the changing nature of politics in the developing world. Leading experts in the field consider theoretical approaches, society, state relations and policies with a series of illustrative country based case studies. **Crime, Violence and Security in the Caribbean** M. Raymond Izarali, 2017-11-20. Security challenges pose significant hardship for citizens of Caribbean nations. Public safety is threatened by high rates of crime, especially violent crime, in much of the region, the plague of the illicit drug trade, transnational organized crime gangs, the current global proliferation of crimes of terrorism and related violent extremism and radicalization. The situation diminishes morale among the youth, their education and their future and operates as a major push factor. Yet surprisingly there has been a scarcity of scholarly work that addresses these conditions. This interdisciplinary volume succinctly responds to the gap in criminological and security studies on the Caribbean by drawing attention to the understudied nexus of crime, violence and security that is so pervasive in the region and the ways in which underdevelopment re-creates environments for insecurity. The book is organized in three parts. Part one encompasses conceptualizations of crime, violence and punishment. Part two takes up country cases on crime and security. Part three addresses issues of regional security, both public and private. This timely volume will be valuable reading for scholars, students, practitioners and policy makers who share a critical interest in the scope, impact and interrelation of crime, violence and insecurity in the region. Democracy on Trial, All Rise! Anuradha Kataria, 2011. There is a widening gap between democracy as a theory and its practice. While supposedly a solution to the problems of the developing world, in practice, democracy has more often led to instability, civil wars, genocides, fundamentalism, crime and corruption. In contrast, in the West, voting rights were extended gradually over a century or two in tandem with economic empowerment and also social awakening. The democratic republics that evolved out of this long process were stable and progressive. In the developing world, a shortcut to the end and premature political opening up has proven disastrous for many a nation like Nigeria, Iraq, Congo, Kenya, Pakistan, South Africa etc. Even in the few stable ones like India, democracy has failed to make a dent in poverty.

alleviation and has instead got caught in divisive election stunts At the same time some unitary states like China have surged far ahead of others and broken out of the largely poor and deteriorating mould Why What are the reasons democracy does not work in the developing world Could it be made to work through improvements or is it the wrong model altogether The notion that democracy is going to transform our world holds little credence to anyone who has witnessed its true colors like the author has hailing from India and also having lived in China and some other countries Thus as a scientist and researcher she has studied the history politics and economics of some 150 countries across the world The book delves into the complex world of subversive election winning strategies secession movements coalition governments the meaning of freedom to people living amidst violence and poverty as well as a study of other sociopolitical systems Without any a priori theories willing to go where the evidence leads the author is able to point out the Emperor s new clothes for what they truly are It may be time to challenge our perfect theory as democracy may not be the answer to the developing world s problems The quest for truth leads us to surprising answers in terms of progressive transient alternatives for the developing world as well as some pointers for streamlining democracy the system per se Democracy on Trial is a compelling discovery of fresh answers and pragmatic solutions to the pressing problems of our times from large scale abject poverty in developing countries across Asia and Africa to many civil wars and ongoing mayhem in others One book that comes close to the perspective in Democracy on Trial All Rise is The Future of Freedom by Fareed Zakaria Zakaria s is the first book to acknowledge democracy s failure in the developing world but it leaves the important question what is the alternative largely unanswered and falls back on rationalizations to conclude Most of the current literature on democracy is primarily theoretical in nature and addresses some of its faults but democracy per se is eulogized The new title is different in that it answers the question of what is the alternative or a way forward based on an empirical analysis that carries the reader along to the conclusions The perspective is new as yet unexplored and marries the progressive with the pragmatic

China and International Security Donovan C. Chau, Thomas M. Kane, 2014-04-17 The first work of its kind this strategic assessment of China s national security reveals the nation s intentions capabilities and threats and their implications for the United States and the world As China continues to develop the strategic means to advance its national interests in Asia and around the world assessing its role in international security is the greatest strategic challenge now faced by the United States and its allies China and International Security facilitates this critically important understanding analyzing topics that range from strategic geography and orientation to gender ratios Using detailed case studies and sharing expert insights the work provides historical internal and contemporary analyses that reveal the nature and character of China s national security This three volume set is written for scholars students and policymakers The volumes offer in depth articles penned by intelligence professionals and journalists as well as entries by scholars in fields as diverse as international politics history and strategic studies While other works may attempt to predict the future of China s rise or the nature of China s future bilateral

relationships none so thoroughly examines the totality of China's domestic regional and international security and their implications

Economic Development and Political Action in the Arab World M.A. Mohamed Salih, 2014-03-05 Analysis of North African revolt against authoritarianism known as the Arab Spring embraced reductionist explanations such as the social media youth unemployment and citizens' agitations to regain dignity in societies humiliated by oppressive regimes. This book illustrates that reductionist approaches can only elucidate some symptoms of a social problem while leaving unexplained the economic and political structures which contributed to it. One outcome of quiescence resource-based ethnic and sectarian conflicts and faulty development paradigm is deepened inequality and a wedge between winners and losers or affluence wealth and power vis-à-vis poverty and hunger among humiliated jobless and hope-less masses. The book blends theories of development and transition to explain the complex factors which contributed to North Africans' revolt against authoritarianism and its long-term consequences for political development in the Arab World. This timely book is of great interest to researchers and students in Development Studies, Economics and Middle Eastern Studies as well as policy makers and democracy, human rights and social justice activists in the Arab world.

E-Government Development and Diffusion: Inhibitors and Facilitators of Digital Democracy Sahu, Ganesh P., Dwivedi, Yogesh K., Weerakkody, Vishanth, 2009-05-31 This book provides a comprehensive integrative and global assessment of the e-government evolution in terms of real-life success and failure cases. Provided by publisher.

Online Drug Politics Democracies International Security Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Online Drug Politics Democracies International Security PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Online Drug Politics Democracies International Security PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Online Drug Politics Democracies International Security free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Online Drug Politics Democracies International Security Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Online Drug Politics Democracies International Security is one of the best book in our library for free trial. We provide copy of Online Drug Politics Democracies International Security in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Online Drug Politics Democracies International Security. Where to download Online Drug Politics Democracies International Security online for free? Are you looking for Online Drug Politics Democracies International

Security PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Online Drug Politics Democracies International Security. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Online Drug Politics Democracies International Security are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Online Drug Politics Democracies International Security. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Online Drug Politics Democracies International Security To get started finding Online Drug Politics Democracies International Security, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Online Drug Politics Democracies International Security So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Online Drug Politics Democracies International Security. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Online Drug Politics Democracies International Security, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Online Drug Politics Democracies International Security is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Online Drug Politics Democracies International Security is universally compatible with any devices to read.
